CHOOSING THE RIGHT UNITS FOR YOUR COURSE

You must ensure you select units that are approved for your course. You can find this information in the course rules, the course map and additional sources such as Frequently Asked Questions (FAQ) documents in your Course Enrolment Guide (CEG). If you are unsure, please contact your Course Coordinator for advice.

ACCELERATING YOUR DEGREE

You may be allowed to take Core Curriculum and/or elective units in the non-standard terms, such as Summer or Winter, which might help to shorten the duration of your course or spread your study load across the year. Check your course rules and course map for more information. Students enrolled in Arts degrees are permitted to take units in non-standard terms, subject to availability and meeting pre-requisite requirements.

ELECTIVE UNITS

An elective is a 'free choice' unit taken apart from those units required for your selected majors and/or minors. Generally, for degrees in the National School of Arts and Humanities, an elective may be any unit from this unit list document for which you have the pre-requisite. Global Studies degrees have their own list of approved units.

UNIT AVAILABILITY

This list provides information about units that are on offer in 2024. Not all units are offered every year.

PREREQUISITE UNITS

A prerequisite is a unit you must pass before you can enrol in a higher-level unit.
The enrolment system will prevent you from enrolling in units for which you do not have the prerequisite.

DEFINITION OF A MAJOR AND A MINOR

A major is a total of 80 credit points (cp) in prescribed units in one discipline or approved interdisciplinary area, normally including at least 10 cp at introductory level, at least 40cp at 200-level and at least 20cp from 300- level.

A minor is a total of 40cp from prescribed units in one discipline or approved interdisciplinary area, normally including at least 10cp at introductory level and at least 20cp at advanced level.

You should check your course rules to confirm which majors/minors are permitted in your course.

CORE CURRICULUM UNITS
The description of the Core Curriculum units and their offerings for each year is available on the website: ACU Core Curriculum

UNIT DELIVERY MODES
The unit delivery mode describes the way that a unit is taught.

Return to top (Table of Contents)

C - On Campus (was attendance)
Most learning activities or classes are delivered at a scheduled time, on campus or approved ACU delivery site, to enable in-person interactions. Activities will appear in a student's timetable.

M - Multi-mode
Learning activities are delivered through a planned mix of online and in-person classes, which may include full-day sessions and/or placements, to enable interaction. Activities that require attendance will appear in a student's timetable.

OU - Online unscheduled (replaces 7 – Online)
Learning activities are accessible anytime, anywhere. These units are normally delivered fully online and will not appear in a student's timetable.

OS – Online scheduled (new)
All class activities are held online, at scheduled times, and will require some attendance to enable online interaction. Activities will appear in a student's timetable.

WHAT'S THE DIFFERENCE BETWEEN HUMA330 AND HUMA331?

HUMA330 is a placement unit where students undertake a placement in an organisation in the community either during semester 1 or during summer term. If you have a disability or additional needs that need to be considered in the choice of placement, please contact your course coordinator prior to enrolling.

HUMA331 is a classroom-based unit where students work in groups (or alone if needed) using key skills in research and analysis, to devise, plan and pitch an idea for a social business or social enterprise. There is no placement in this unit.

You must take either of these units in third year to meet the core Community Engagement requirement of the Bachelor of Creative Arts and Bachelor of Arts.

HUMA320 MAJOR CREATIVE PROJECT

HUMA320 is a compulsory capstone unit in the Bachelor of Creative Arts. You should not enrol in HUMA320 until your third year.

This unit prepares students for professional practice in the creative arts sector. The wonderful thing about HUMA320 is that students get to work on a project which requires skills from the various types of creative arts that they have explored throughout their degree. This unit gives students the opportunity to plan, develop and realise a major creative project with an interdisciplinary focus. Students will draw on the skills and knowledge of two or more creative disciplines to complete a project of their own devising. It is a chance to showcase advanced creative arts skills. This project will provide them with evidence that can be used in a portfolio for future employment.
