Courses and units are offered subject to sufficient enrolments. The fees listed are for full-time on-campus study. The fees are based on a normal full-time study load, usually 4 units x 3 hrs per week per unit per semester and are calculated on the credit points undertaken. However, some course programs are structured so that a normal full-time load requires enrolment in 3 or 5 units per semester. Annual fees are based on the study load as recommended by the relevant head of school. Accelerated course programs may be available but would incur higher tuition fees calculated on a pro rata basis. Tuition fees include all compulsory student service fees, student union fees and applicable GST.

# Offered in conjunction with William Blue International Hotel Management School.

3 year concurrent study mode also available at \$19,696 pa (average cost quoted and subject to change).

^ Fees quoted include a \$200 enrolment fee for all ELICOS, Advanced Diploma, Diploma and Foundation Studies Programs

\* This sum is for one semester of tuition only.

\*\* Tuition Fees may increase by up to 3% per year up for the minimum course length. No guarantee is made for tuition fee increases beyond the minimum course length.
