

Workshop Overview

LTC is offering two workshops on each campus designed for those who are interested in ACU learning and teaching grants, and/or ACU citations and awards. While many believe these opportunities only apply to academic staff, the guidelines for ACU citations say that the following staff are eligible: *ACU staff who are ongoing full-time and fractional staff, academic and professional, sessional and contract staff, and adjunct staff, who have made a significant and sustained contribution to student learning over at least three years at ACU.*

Note it is possible to have **individual** or a **team** nomination.

The structure of the workshops will allow busy ACU staff to attend the workshop of their interest and to be able if necessary to attend either a half hour or hour depending on individual commitments and availability.
