MATE’S GUIDE 2007
Dear ACU National Athletes,

Welcome to the ACU National, Australian University Games Mates Guide for 2007. The Mates Guide 2007 will lead you through everything you need to know, and some things you don’t, for AUG on the Gold Coast.

ACU National Sport and Recreation is touring with the largest Australian University Games team to ever compete with 90 athletes. For the first time ACU National will compete in Lawn Bowls and Beach Volleyball. The Australian University Games, Adelaide 2006, saw our women’s Australian Rules team dominate the competition. It is with this same spirit that our mens Australian Rules football team will say goodbye to the veteran, Dave Regan in his last campaign for ACU National. Although we have a strong contingent from the Melbourne campus, our Strathfield team mates have put together one of the strongest teams to ever grace the ACU National colours, comprising of mostly Lawn Bowlers, netballers and touch footy players. The past powerhouse of ACU National Sport, the Brisbane campus did not capitalise on their location, making up numbers in Australian rules, beach volleyball and touch football.

ACU National Sport has a proud tradition on and off the field; we are not only the fiercest competitors, but the team with the greatest heart, spirit and team support. This unique ACU National spirit has been passed on by all who grace the colours and will continue this year as we live up to past accomplishments on the Gold Coast in 2007.

I look forward to having a few drinks and getting to know all of you. Stay safe, back your mates and enjoy the experience that is the Uni Games.

Yours in Sport,

Mark Young
National Sport & Recreation Manager
