1. How to use this Guide

This Course Enrolment Guide 2008 provides you with information on the units you will require completing your course; and when and where the units will be offered in 2008.

Steps to enrol in units for 2008

1. Read Section 2, ‘Program Information’ for information on course structure and unit sequence. Take note of any prerequisite or co-requisite requirements before selecting particular units.

2. Refer to the unit listings in Section 3, ‘Units Offered in 2008’ to select your units. Take note of the study period in which units are offered.

3. You must refer to ‘Enrolment Information 2008’ on the ACU intranet for information on how to complete your enrolment via Student Connect*. ‘Enrolment Information 2008’ also provides information on study period definitions, modes of study, campus locations, dates for each study period and census dates.

4. Log on to Student Connect – Managing Your Studies* and enrol.

5. After you have completed your enrolment, go to http://my.acu.edu.au/student/managing_your_studies/timetables_and_tutorial_direct/tutorial_direct to register your preferences for tutorials, laboratories or practicals via the online tutorial registration using Tutorial Direct. (NB: There may be a delay of up to two hours before your unit enrolment information is updated in Tutorial Direct).

Contacting your Adviser

Course Co-ordinators / Advisers will be available to assist you with re-enrolment on <date> <time>. You may ring, email them or see them in person on this day. Course Co-ordinators may not be available at other times. Please contact your School for further information.

* Student Connect is a web interface allowing students to complete their ACU National enrolment online.
2. Program Information

Course Aims and Structure of the Program

The Master of Nursing (Clinical Education) aims to prepare graduates for an advanced role in clinical and health education. The course will encourage graduates to reflect on their clinical experience and further prepare them to design, implement and evaluate clinical education. The course will enhance the graduate’s ability to use the clinical context as a focus for their teaching. Students will complete a total of eight units. Six core units and two electives/independent studies.

Credit for Previous Study and/or Recognition of Prior Learning (RPL)

Students enrolling into the course may be eligible for course credit. Please refer to the MyACU website at http://my.acu.edu.au/student/managing_your_studies/enrolment/enrol_2008/managing_your_course/application_for_credit_rpl for instructions on how to apply for credit or RPL.

Application for credit should be lodged before commencement of the academic year. Information needed to assess whether credit can be granted includes transcripts of academic results in prior study and evidence of the level and content of prior study being claimed (available in unit/subject/course outlines).

Study Load

Part time study typically involves no more than two units per semester; full time study involves three or four units per semester.

MODE OF OFFERING

Units are offered in a variety of modes including online, on-campus and distance mode. Please refer to the unit listings on page 3 for modes offered for units. Unit offerings will vary subject to student demand and lecturer availability. Elective units will vary between campuses and from year to year.

Students are strongly advised to select their units in consultation with the Course Co-ordinator. In addition, guidance on matters such as the timing of offering of units and the best options for each student in terms of completing a given qualification can be provided. You can ring the Course Co-ordinator or make an appointment to see them in person.

Unit outlines and assessment requirements

Unit outlines with details of textbooks and assessment requirements will be provided at the commencement of lectures.

Timetable

You can check the availability of units for the next semester/term by accessing the Timetable on the University’s website at: http://my.acu.edu.au/student/managing_your_studies/timetables_and_tutorial_direct

Delivery Modes:
- **On Campus** - Offered face-to-face or with a WebCT component at any one of the six ACU National campuses.
- **On Site** - The unit is offered face-to-face at any location other than one of the six ACU National campuses.
- **Distance** - The unit is offered wholly through the provision of printed material to the student. These units may include a WebCT component but the printed material is the primary source of teaching.
- **Online** - The unit is offered wholly through ACU National Online.
- **Mixed mode** - The unit is offered as a combination of distance and either on campus or on site delivery modes.
