

Accommodation

Visitors to Melbourne should make their own accommodation arrangements as ACU National does not offer on-site dorm accommodation.

There is a wide range of accommodation available in the suburbs adjacent to the campus - Carlton, Fitzroy, Richmond and the Central Business District. Below is a listing of hotels, web-based room booking agencies, University colleges and backpacker places within a reasonable distance of the University campus.

Please note, this information has been prepared well in advance of the conference and prices may have changed by the time you make your reservation.

UNIVERSITY COLLEGES

St. Mary's College

St. Mary's College is a residential college at the University of Melbourne. The college offers up to 150 rooms for accommodation books during the semester breaks each year. The dates vary, but they are generally from the last week of November until the second week of February, and from the last week of June until the third week of July. All rooms are fully heated and equipped with single beds, linen & towels, individual hand basins and telephones. Shared bathroom facilities are available on each residential floor.
