<p><b>Private flats</b> – Please mark it with a cross in your application form and the university will provide you with a list of available rooms with prices, photos, location, etc. The price ranges from 100 EUR to 250 EUR per month.</p> <p><b>University dormitories</b> – The number of places is limited. There are only double or triple rooms. The code of conduct is rather strict (e.g. the exit is closed at 11 p.m., no overnight visits are allowed). It is possible to have the Internet connection in the room. The dormitory is located around 15 minutes by bus from the city centre, near the Faculty of Natural Sciences and KUL's Sports Centre. The price is around 95 EUR per month.</p> <p><b>Private dormitories</b> - There are single rooms only. The bathrooms and kitchens are shared by 4 -5 people. There is also Internet access. The price is approx. 150 EUR per month. If you come for the first semester or the whole academic year, you have to pay a fee for holidays (approx. 160 EUR) to have your room booked. This place is really popular with students, so it is quite hard to get a place there. In mid-June the dormitory is fully booked! Please contact the Erasmus Office in May in order to receive details. The number of places is limited.</p> <p><b>Search by yourself</b> - There is also a possibility of renting a room or a flat in different parts of the city. The prices differ depending on the standard, location and distance from the university. Our university assumes no responsibility for privately arranged accommodations. If you want to find private accommodation, your guardian angel will help you to look for it. There are more and more students every year in Lublin, so it is strongly advised to come sometime in advance in order to find a suitable place.</p>
