Session Information

**Teaching the next generation: Primary**
- Hands on activities teachers might use to bring learning to life.
- Interactive whiteboard session; teaching tools for the future.
- Integrating the arts through music, drama and visual arts.
- Maths, Science and Technology - making it fun and interesting for kids.
- Picture books and stories for children.

**Social Workers do make a difference**
- DVD session (the Oak Tree Foundation’s aid work in South Africa)
- Hear from one of our students about her volunteer work with Australia’s first entirely youth run aid and development organisation.
- Small group break out sessions working with aid and development scenarios.

**Experience Nursing:**
- Fundamentals of Nursing lecture.
- Experience a High Fidelity Simulated Lab environment and participate in interactive activities with life-like simulated patients.

**World Religion at a glance:**
- Explore Hinduism, Judaism, Islam, Christianity and Buddhism.
- Engage in a discussion forum that will challenge your understanding of religions today. Followers of the great religious traditions will join us for the discussion.

**Teaching the next generation: Early Childhood**
- Building relationships is central to life as an early childhood educator. Learn about developing positive relationships that enhance a child’s development and learning.
- Try out games, activities and how to play with purpose.

**A helping hand: Student Life**
- How to apply: All you need to know about UAC and ACU National’s Early Achievers Program.
- Student Life: Hear what uni is really all about from ACU National students.
- Where your degree can take you: Career advice.
