1. How to use this Guide

This Course Enrolment Guide 2008 provides you with information on the units you will require to complete your course, and when and where the units will be offered in 2008.

Steps to enrol in units for 2008

1. Read Section 2: ‘Program Information’ for information on course structure and unit sequence. Take note of any prerequisite or co-requisite requirements before selecting particular units.

2. Refer to the unit listings in Section 3: ‘Units Offered in 2008’ to select your units. Take note of the study period in which units are offered.

3. You must refer to ‘Enrolment Information 2008’ on the ACU intranet for information on how to complete your enrolment via Student Connect*. ‘Enrolment Information 2008’ also provides information on study period definitions, modes of study, campus locations, dates for each study period and census dates.

4. Log on to ‘Student Connect’ and enrol.

Contacting your Adviser

Your Course Co-ordinator/Advisor will be able to assist you with your enrolment. Contact details are available on the cover page of this Course Enrolment Guide.

* Student Connect is a web interface allowing students to complete their ACU National enrolment online.
2. Program Information
