1. How to use this Guide

This Course Enrolment Guide 2008 provides you with information on the units you will require completing your course; and when and where the units will be offered in 2008.

Steps to enrol in units for 2008

1. Read Section 2. ‘Program Information’ for information on course structure and unit sequence. Take note of any prerequisite or co-requisite requirements before selecting particular units.

2. Refer to the unit listings in Section 3. ‘Units Offered in 2008’ to select your units. Take note of the study period in which units are offered.

3. You must refer to ‘Enrolment Information 2008’ on the ACU intranet for information on how to complete your enrolment via Student Connect*. ‘Enrolment Information 2008’ also provides information on study period definitions, modes of study, campus locations, dates for each study period and census dates.

4. Log on to Student Connect – Managing Your Studies* and enrol.

5. After you have completed your enrolment, go to http://my.acu.edu.au/student/managing_your_studies/timetables_and_tutorial_direct/tutorial_direct to register your preferences for tutorials, laboratories or practicals via the online tutorial registration using Tutorial Direct. (NB: There may be a delay of up to two hours before your unit enrolment information is updated in Tutorial Direct).

Contacting your Adviser

Course Co-ordinators will be available to assist you with re-enrolment. You may ring, email them or see them in person to arrange an appointment. Consultation times are typically published on their office door. Course Co-ordinators may not be available at other times.

* Student Connect is a web interface allowing students to complete their ACU National enrolment online.
2. General Course Information

Modes of offering
Core and elective units are offered through face-to-face teaching, usually between Monday to Friday 8am – 6pm.

Timetables & Tutorial Allocations
You can also check the availability of units by accessing the Timetable on the University's Website at: http://my.acu.edu.au/student/managing_your_studies/timetables_and_tutorial_direct/tutorial_direct

ACU National Class and Examination Timetable
Can be viewed at: http://my.acu.edu.au/student/managing_your_studies/timetables_and_tutorial_direct
Rooms for all semester and alternate mode units will be published on the timetable.

Tutorial places
Tutorial places are allocated to students in the Bachelor of Teaching/Bachelor of Arts program. Your personal timetable will be available before the start of each semester from a link on the ACU National Class and Examination Timetable page. Please ensure you Refresh or Reload your browser each time you view these pages so that the information you are viewing is the most up to date version. Tutorial allocation is conducted centrally. Course Co-ordinators have no role in this process.

Applying for Credit
If you are applying for credit for previous studies or recognition of prior learning it is essential that you submit your CR Credit Application form (with necessary documentation attached) at the earliest opportunity. Failure to do so may affect your enrolment options in any given semester.
3. Program Information

COURSE TITLE - Bachelor of Teaching / Bachelor of Arts

Course Description
This program meets the needs of prospective teachers by introducing the content and conventions of their disciplines, curriculum planning and evaluation and classroom management.

Duration
The BTBA is offered as a four-year full time course or on an equivalent part-time basis at the Strathfield Campus.

Requirements for the Course
Students must complete a total of 32 units each with 10 credit points i.e. 320 credit points.

The BTBA is comprised of the following strands:
- Education Studies (8 units)
- Curriculum Studies (6 units)
- Arts Sequences (16 units)
- Professional Experience including Community Engagement and an internship (2 units)

Education Studies (8 units)
The Education Studies major is a sequence of 8 units which covers key areas in education theory to introduce students to the language, concepts and understandings of practice within the field of education.

Curriculum Studies (6 units)
The curriculum studies major is a sequence of 6 units:
These comprise a generic teaching skills unit, a unit on the literacy demands of different curriculum areas, four curriculum units, two for each teaching subject. The subjects match the major and one minor subject of the Arts sequence being selected from areas such as English, Mathematics, Science, Personal Development and Physical Education, Creative and Performing Arts, Economics, Geography, History, Accounting/business, Computing, Technology, Religious Studies, Legal Studies, Social Sciences, Languages Other than English and Religious Education. Choice depends on what is being offered on the different campuses.

Arts Sequences (16 units)
These enable individual students to choose to study two or three disciplines in the liberal arts in conjunction with the Bachelor of Arts program. Students are required to take studies in two discipline areas that correlate with curriculum studies in those two areas. Students can complete either:

- 1 Arts major plus 2 Arts minors
- 1 Arts major plus 1 Arts minor plus 4 elective units
- 1 Arts major plus a major in Theological Studies.

Professional Experience including Community Engagement and Internship (2 Units)

Major and Minors

Major
A Major is an approved sequence of units in one discipline or approved interdisciplinary area totalling at least 8 units, normally including at least 1 unit at Introductory level and at least 6 units at Advanced level. Theology majors must select a second major teaching subject.

Minor
A Minor is an approved sequence of units in one discipline or approved interdisciplinary area totalling at least 4 units, normally including at least 1 unit at Introductory level and at least 2 units at Advanced level.

Students in a Technology specialisation will complete a Major in Technology and a Minor in Computing.
