ELIGIBILITY TO APPLY FOR CREDIT – 2009 Academic Regulations

4.7.1 Types of credit- The Course Co-ordinator may grant credit towards a program of this University for previous tertiary studies and/or recognised prior learning. Credit may be in the form of any one or more of the following:

- **Specified Credit:** credit granted for one or more units of the program. Specified Credit will only be granted if the student has previously passed units substantially the same as the unit/s for which Specified Credit is sought.

- **Block Credit:** credit granted for complete sections of the program, equivalent to at least one semester.

- **Unspecified Credit:** credit granted, usually in the form of credit points, if previous study does not correspond precisely with components of the program or for recognised prior learning. Unspecified credit is granted only for elective or general studies components of programs. It cannot be granted in programs which do not contain such components.

If Block or Unspecified Credit is granted the amount of credit granted will be expressed in terms of credit points and identified in terms of the program completion requirements. Credit will not be granted for segments of a unit.

4.7.2 Credit applications- Applications for credit and/or recognised prior learning should normally be submitted no later than the census date in the first semester of the student's enrolment in the program.

A student who has failed a unit may not subsequently seek credit for that unit unless the application is based on tertiary studies successfully completed after the student had failed the unit.

4.7.3 Maximum allowable credit- The maximum credit that may be granted on the basis of previously completed qualification(s) (other than a designated suite of courses) or recognised prior learning is:

- bachelor's [4th Year Upgrade]: one-half of the course

- bachelor's degree: two-thirds of the course

- honours requirements: 30 cp

- dual bachelor degrees: one-half of the dual course

- graduate entry bachelor degree: one-half of the course

- postgraduate/Graduate Certificate: one-half of the course

- postgraduate/Graduate Diploma: one-half of the course

- master's degree excluding theses, dissertations or research projects:

- two-thirds of the course in the case of a 120 credit point degree

- two-thirds of the course in the case of a 160 credit point degree

- one-half of the course in the case of an 80 credit point degree

- non-award course: one-half of the non-award course requirements.

4.7.4 Minimum level of studies required for an award of this University

Normally a student must complete at least one-third of the units required for a program and at least one-quarter of the units required for a major, double major or specialisation -

1. by studies undertaken at this University; and

2. in units not credited towards another completed award.

The amount of credit granted to a student holding more than one award must be no more than the maximum which would have been available for any one such award.

If a student has been granted the maximum available credit, in accordance with Regulation 4.7.3, for studies undertaken at another institution or for recognised prior learning, approval will not normally be granted for other units to be undertaken elsewhere on a cross-institutional basis.

4.7.5 Time limit on credit for prior studies- Unless the Head of School otherwise approves on the basis of evidence of subsequent development and life or work experience in the discipline, credit will be granted only for work completed within the last ten years and such credit will lapse ten years from the date of passing relevant units (or completing other learning) on which the credit was based.

4.7.6 Credit once only- Credit for prior study or learning may be granted once only towards any completed program of this University.

4.7.7 Level of prior studies for which credit may be granted- In an undergraduate or graduate entry pre-service course, credit may be granted on the basis of prior appropriate and successful undergraduate, graduate entry pre-service or postgraduate studies. In a postgraduate course, credit may be granted on the basis of prior successful postgraduate studies only.

4.7.8 Study undertaken during period of termination, suspension or exclusion student may not be granted credit towards any program for any study or learning undertaken elsewhere during any period of termination of enrolment, suspension or exclusion from this or another University or other educational institution.
