The objective of the workshop is to promote Lonergan Studies. The workshop is for people who have found or suspect Lonergan’s work to be helpful within the horizon of their interests; the workshop provides an opportunity to meet, discuss, and encourage each other in furthering their grasp of Lonergan’s achievement.

April 2007 is the 50th anniversary of the publication of *Insight*. The Workshop will celebrate the occasion with presentations from Philip McShane and Tom Daly and a Conference Dinner on Saturday.
