Dear Students,

We understand that a number of ACU students may have been impacted either directly or indirectly by the current bushfires and have concerns regarding submission of final assessments. Students who are experiencing difficulties are encouraged to contact their Course Coordinators as soon as possible to discuss appropriate arrangements.

Students are reminded also that counselling services are available through the Office of Student Success. Appointments can be booked online for both the North Sydney and Strathfield campuses or by following the links from the ACU homepage.

Our thoughts and prayers are with all families who have suffered losses during these devastating fires.

Regards

Professor Marea Nicholson
