The Changes to Navigating SharePoint

1. The link at the top of the Staff site homepage titled SharePoint previously pointed to SharePoint 2007 as illustrated in the screenshots below:
2. The link titled “SharePoint” on the Staff homepage now points to Staff Space at [http://staffspace.acu.edu.au](http://staffspace.acu.edu.au) as illustrated below:

3. The Project Space landing page appears as below but click on User Help to find out more about how to find a project listed in the project registry as well as how to register a project.
4. The About Staff Space landing page, as illustrated below, provides more information on what you can expect to see in Staff Space.
