Enrolling in units

HOW DO I FIND WHICH UNITS ARE AVAILABLE TO ENROL IN?

The units on offer are updated each year and the unit list will show you what you can choose in the current academic year. Always use the updated unit list. **You will find the current unit list in the Course Enrolment Guide.** This is one of the most important sources of information that you will need to complete your enrolment and changes each year.

HOW DO I KNOW THE LEVEL OF THE UNITS I'M ENROLLING IN?

The course map will guide you as to the level of the unit you need to choose.

If the map states, 'Major 100 level', you must choose a unit code that starts with a **1**, for example, HIST**1**15. These are sometimes referred to as "introductory" units. You can enrol in up to two 100- level units in your major or minor sequence.

If the map states '200-level', choose a unit that starts with a **2**, for example, HIST**2**51. Don't enrol in a 200-level unit until you have completed at least one first-year unit from the same sequence, or any required prerequisite.

Students normally enrol in 300-level units towards the end of their degree and when they have completed any prerequisites that might be required. You must complete two 300-level units to complete a major.

Prerequisite units

WHAT ARE PREREQUISITE UNITS?

A prerequisite is a unit you must complete before you can enrol in a higher-level unit.

The enrolment system will prevent you from enrolling in units for which you do not have the prerequisite. If you have transferred from another degree and believe you have met the prerequisites for higher-level units, you may need to apply for credit for your previous studies. [More information is available here.](#)

HOW DO I APPLY FOR A PREREQUISITE WAIVER?

You can find more information along with the prerequisite waiver form [at this link](#)

Electives

WHICH UNITS CAN I STUDY AS ARTS ELECTIVES?

Electives can be any unit from the National School of Arts and Humanities Unit List provided that prerequisite requirements are met. You **cannot** take electives from Education, Health Sciences, Nursing, Law, Criminology, or any other unit not listed in the Arts Unit List.

CAN I CHOOSE AN ARTS ELECTIVE AS AN EXTRA UNIT IN THE SAME DISCIPLINE AS MY MAJOR OR MINOR?

You may do this if there are more units on offer over the course of your degree than the major or minor requires. See the National School of Arts and Humanities Unit List for the yearly choice of units. You can discuss this with your Course Coordinator if you have any questions.

SHOULD I STUDY ALL MY ELECTIVES IN ONE AREA, OR SELECT EACH ELECTIVE FROM A DIFFERENT AREA?

That's up to you! Some students strategically develop an area they think will be useful in the workforce while others enjoy sampling different subject areas to give them a wider knowledge base.

WHICH UNITS CAN I SELECT FOR A GLOBAL STUDIES ELECTIVE?

If you commenced in 2024 or 2025, you may choose to do an additional minor (from a select list) that commences in second year, or 4 global studies electives chosen from the various minors on that list.

If you commenced prior to 2024 there is a specific list of units you can select from.

CAN I STUDY A LANGUAGE AT ACU?

You may study a language minor in the Bachelor of Arts side of your double degree at ACU. The available languages are Italian or Spanish.

Alternatively, ACU offers you the opportunity to complete a Diploma in Languages in conjunction with your ACU undergraduate degree. If this interests you, please contact AskACU for advice.

With the approval of your course coordinator, you may study a major or minor in the language of your choice (other than English) through cross-institutional study at another university.

Language units are also available as electives in the Bachelor of Arts side of the double degree.

In a Bachelor-level degree, credit is not given for pre-tertiary studies.

WHAT'S THE DIFFERENCE BETWEEN HUMA330 AND HUMA331?

HUMA330 is a placement unit where students undertake a placement in an organisation in the community in semester 2. If you have a disability or additional needs that need to be considered in the choice of placement, please contact your course coordinator prior to enrolling.

HUMA331 is a classroom-based unit where students work in groups (or alone if needed) using key skills in research and analysis, to devise, plan and pitch an idea for a social business or social enterprise.
