

Enrolling in units

How Do I Find Which Units Are Available to Enrol in?

The units on offer are updated each year and the unit list will show you what you can choose in current academic year. Always use the updated unit list. **You will find the current unit list in the Course Enrolment Guide.** This is one of the most important sources of information that you will need to complete your enrolment and changes each year.

Should All Students Commencing the Bachelor of Arts Enrol in the Foundation Unit?

Yes, all students who started in 2027 or before should enrol in HUMA114 Scandals and Deception, Navigating Controversy.

Students who commenced in 2024-26 should enrol in HUMA114, and one Create and Connect unit.

How Do I Know the Level of the Units I'm Enrolling in?

The course map will guide you on the level of the unit you need to choose.

If the map states, 'Major 100 level', you must choose a unit code that starts with a '1', for example, HIST120. These are sometimes referred to as "introductory" units. You can enrol in up to two 100-level units in your major or minor sequence.

If the map states '200-level', choose a unit that starts with a '2', for example, HIST251.

Don't enrol in a 200-level unit until you have completed at least one first-year unit from the same sequence, or any required prerequisite.

Students normally enrol in 300-level units towards the end of their degree and when they have completed any prerequisites that might be required. Students who commence from 2027 should complete three 300-level units to complete a major.

Overall, your degree must have four 300-level units: 3 x 300 level units in your major, and the 300-level Community Engagement unit.

Prerequisite units

What Are Prerequisite Units?

A prerequisite is a unit you must complete before you can enrol in a higher-level unit.

The enrolment system will prevent you from enrolling in units for which you do not have the prerequisite. If you have transferred from another degree and believe you have met the prerequisites for higher-level units, you may need to apply for credit for your previous studies. Duration of degree

HOW LONG WILL IT TAKE TO COMPLETE MY DEGREE?

There are several ways to study the Bachelor of Arts/Master of Teaching degree.

Full-time Accelerated:

This mode allows students to finish the Bachelor of Arts degree in 2.5 years and the Master of Teaching in 1.5 years, making it a four-year program in total. This program uses summer and winter units to speed up your degree and is displayed in the Course Handbook maps.

Full-Time (Standard)

This mode allows students to finish the Bachelor of Arts degree in 3 years and the Master of Teaching in 2 years, making it a five-year program in total. Students do not need to complete summer or winter units in this mode, but can do so if they wish to.

Part-Time

This mode allows students to finish the Bachelor of Arts and Masters of Teaching degrees over up to 8 years. Students may choose to study only in standard semester time or can spread three or four units per year over semester 1 or semester 2, summer and/or winter (as available).

Choose the right course map

In the 'Course maps' tab of the Course Enrolment Guide you will find various versions of the course map. Select and follow the appropriate map for your circumstances, noting the year and semester you started the course.

CAN I DECIDE NOT TO CONTINUE ON TO THE MASTER OF TEACHING?

Yes, it's possible to exit your program at the end of the Bachelor of Arts portion and graduate with this degree only, provided you have met all the requirements. Graduating with only a Bachelor of Arts will not qualify you to teach in secondary schools – even though you have completed some undergraduate education units – but can be a pathway into many other careers.

WILL I GRADUATE TWICE OR ONLY AFTER COMPLETING MY MASTER OF TEACHING?

It's up to you whether you attend two graduation ceremonies – one when you complete of your Bachelor of Arts, after 2.5 to 3 years, and another when you complete your Master of Teaching, at the end of your 4 to 5 years. But you will technically graduate twice, if you meet the requirements of both degrees, and so are eligible to attend both ceremonies if you wish!
