

Transferring to your Teaching Degree

Applying to Transfer to your Teaching Degree

Eligibility:

- Domestic students can apply to transfer to their chosen Bachelor-level Teaching degree towards the end of their first year. Follow the steps below.*
- International Students must complete the full Diploma (1st year) before they are able to apply for their chosen Bachelor-level Teaching degree (due to VISA requirements). Please contact your International advisor regarding the process to transfer.

*Submit a transfer request through the 'My Enrolment' tab in **Student Connect** by the required date.

There may be additional admission requirements for your course. Please view The [Entry Requirements for Teaching Degrees](#) for more information.

Important dates for applications to transfer into a Bachelor-level teaching degree.

- Semester 2 transfer - applications open mid-April and close 31 May
- Semester 1 transfer - applications open mid-September and close 31 October

To all Students: Receiving Credit for your Completed Units

If your transfer is successful, you will need to submit an application form to have the relevant units credited towards your new course. Please note the EDLA111, EDMA111 and DPED100 are not credited into a Bachelor of Education course. However, they will be credited towards the completion of the Diploma (80 credit points).
