This Course is Being Taught Out

Students enrolled in Bachelor of Biomedical Science/Bachelor of Applied Public Health should seek a course advice meeting with the relevant Course Adviser.

Course Advice

Course Advisers are available to assist you with course advice. Students should in the first instance contact the Course Administrator. If required, your query will be referred to a Course Adviser. All continuing students should consult with their Course Adviser prior to enrolling. Please email your enquiry or request to make an appointment.

Prerequisites

You will not be able to enrol in a unit in Student Connect if you don't meet the prerequisite requirements. This helps stop you from enrolling in units incorrectly.

You can find out about unit prerequisite requirements in your Course Enrolment Guide.

Under some circumstances, you might be eligible for a prerequisite waiver. You can find out more about prerequisites and how to apply for a waiver on the [Student Portal](#).
