

Course Maps (Teach-out) Master of Clinical Nursing

Please note that the Master of Clinical Nursing is now in teach-out; a new version of this course delivered across four ACU Terms instead of Semesters is now offered to commencing students.

All continuing students will remain enrolled in their original course but will also complete their remaining units across ACU Terms.

The project stream and research stream part-time maps shown below for Semester 1/Term 1 commencement show the units that need to be completed to course complete.

Students who commenced in Semester 2/Term 3 complete the same units, but at times the order is different. Full-time students usually complete two units per ACU Term.

To find out in which ACU Term/s a unit is offered in 2024, please refer to the '2024 ACU Online Unit Availability' document in the 'Unit Offerings 2024' tab of your Course Enrolment Guide. Most units are offered in two or more terms.

Should you have any questions regarding your course progression or your correct enrolment into units for 2024, please contact your Course Coordinator.
