Course Maps

Master of Clinical Exercise Physiology (Coursework) Brisbane, Melbourne and Strathfield

This Course is in Being Transitioned

**Students who study Full-time or Part-Time and commenced PRIOR to 2024
Pathway A – Coursework Stream**

All students who commenced prior to February 2024 must consult with the Master of Clinical Exercise Physiology Course Adviser. A Customised map will be prepared based on the units that have been successfully completed.

Course Advice

Students should in the first instance contact the Course Administrator. If required, your query will be referred to a Course Adviser. Any student studying outside the above sequence should consult with their Course Adviser prior to enrolling.

School Behavioural and Health Science - Administration	Email: ExerciseScience.Admin@acu.edu.au
National Course Adviser	Dr Angelica Thompson-Butel Email: Angelica.Thompsonbutel@acu.edu.au

Prerequisites

You will not be able to enrol in a unit in Student Connect if you don't meet the prerequisite requirements. This helps stop you from enrolling in units incorrectly.

You can find out about unit prerequisite requirements in your Course Enrolment Guide.

Under some circumstances, you might be eligible for a prerequisite waiver. You can find out more about prerequisites and how to apply for a waiver on the [Student Portal](#).

PLEASE NOTE FOR THE MAP ABOVE

Prerequisites ('Pre:') and Incompatibles ('Inc:') are added in italics. Prerequisites are other units that you must have passed *before* enrolling in the unit. Incompatibles are units that extremely similar. If you have already successfully passed an Incompatible unit, you are not able to enrol in this unit.

You will not be able to enrol in a unit in Student Connect if you don't meet the prerequisite requirements. This helps stop you from enrolling in units incorrectly.

You can find out about unit prerequisite requirements in your Course Enrolment Guide.

Under some circumstances, you might be eligible for a prerequisite waiver. You can find out more about prerequisites and how to apply for a waiver on the [Student Portal](#).

Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period. Any student studying outside the above sequence should consult with their Course Adviser prior to enrolling.

UNIT STUDY MODES

The study mode describes the way that a unit is taught.

All units are delivered in Multi-mode, unless otherwise indicated in the map.

A - Attendance

Most learning activities or classes are delivered at a scheduled time, on campus, or approved ACU delivery site, to enable in-person interactions. Activities will appear in a student's timetable.

M - Multi-mode

Learning activities are delivered through a planned mix of online and in-person classes, which may include full-day sessions and/or placements, to enable interaction. Activities that require attendance will appear in a student's timetable.

OS - Online Scheduled

Fully online with learning activities held at scheduled times.

OU - Online unscheduled

Learning activities are accessible at anytime, anywhere. These units are normally delivered fully online and will not appear in a student's timetable.

Course Advice

Course Advisers are available to assist you with course advice. Students should in the first instance contact the Course Administrator on their campus. If required, your query will be referred to a Course Adviser. Any student studying outside the above sequence should consult with their Course Adviser prior to enrolling. Please email your enquiry or request to make an appointment.
