\*MDGE100 and MDGE101 commence prior to Semester 1 and are delivered in a two-week intensive mode.

^ Students who have already completed *HLSC120 Indigenous Health and Culture* (former unit name *Society, Culture and Health*) or an equivalent unit as part of a previous Bachelor degree, may apply for Recognition of Prior Learning.

#### PLEASE NOTE FOR THIS MAP

Pre-requisites ('Pre:') are added in italics. Pre-requisites are other units that you must have passed *before* enrolling in the unit. Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period. Any student studying outside the above sequence should consult with their Course Coordinator prior to enrolling.

#### STUDY MODES

All units are delivered in Attendance mode, unless otherwise indicated in the map.

**Attendance:** Unit delivered primarily via face-to-face or video conference/zoom attendance, at an ACU campus or another location.

**Multi-mode:** Unit delivered via a combination of online content and a compulsory attendance component (including examinations, practicums, residentials, etc.)

**Online:** Unit delivered fully online (including assessments).

## Bachelor of Midwifery (Graduate Entry)

*(Information last updated on 23 September 2020)*

### Prerequisites

From 2021, you will not be able to enrol in a unit in Student Connect if you do not meet the prerequisite requirements. This will help stop you from enrolling in units incorrectly.

You can find out about unit prerequisite requirements in your Course Enrolment Guide.

Under some circumstances, you might be eligible for a prerequisite waiver. You can find out more about prerequisites and how to apply for a waiver on the [Student Portal](#)
