## Bachelor of Nutrition Science

### Minor – International Development

(Information last updated on 13 January 2022)

## PLEASE NOTE FOR THE MAP ABOVE

Pre-requisites ('Pre:') are added in italics. Pre-requisites are other units that you must have passed *before* enrolling in the unit.

Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period. Any student studying outside the above sequence should consult with their Course Coordinator prior to enrolling.

### STUDY MODES

All units are delivered in Attendance mode, unless otherwise indicated in the map.

**Attendance:** Unit delivered primarily via face-to-face or video conference attendance, at an ACU campus or another location.

**Multi-mode:** Unit delivered via a combination of online content and a compulsory attendance component (including examinations, practicums, residentials, etc.)

**Online:** Unit delivered fully online (including assessments).

## Course Advice

Course Coordinators and/or Course Advisors are available to assist you with course advice. Students should in the first instance contact the Course Administrator on their campus. If required, your query will be referred to a Course Advisor or the National Course Coordinator. Any student studying outside the above sequence should consult with their Course Coordinator prior to enrolling. Please email your enquiry or request to make an appointment.

## Prerequisites

You will not be able to enrol in a unit in Student Connect if you don't meet the prerequisite requirements. This helps stop you from enrolling in units incorrectly.

You can find out about unit prerequisite requirements in your Course Enrolment Guide.

Under some circumstances, you might be eligible for a prerequisite waiver. You can find out more about prerequisites and how to apply for a waiver on the [Student Portal](#).
