Pre-requisites ('Pre:') are added in italics. Pre-requisites are other units that you must have passed *before* enrolling in the unit. Incompatible units ('Inc') are also added in italics. Incompatible units are units whose content is so close to the content of another unit that credit can be allowed for only one of them.

From 2021, you will not be able to enrol in a unit in Student Connect if you do not meet the prerequisite requirements. This will help stop you from enrolling in units incorrectly. You can find out about unit prerequisite requirements in your Course Enrolment Guide. Under some circumstances, you might be eligible for a prerequisite waiver. You can find out more about prerequisites and how to apply for a waiver on the [Student Portal](#)
