PLEASE NOTE FOR THE MAP ABOVE

Students who do not follow the sequence recommended in their Course Map may experience timetabling issues and cannot be guaranteed completion within the normal course duration period. Any student studying outside the above sequence and students who commenced prior to 2019 should consult with their Course Coordinator prior to enrolling.

STUDY MODES

The study mode describes the way that a unit is taught. All units are delivered in Attendance mode, unless otherwise indicated in the map.

Attendance (A)

Most learning activities or classes are delivered at a scheduled time, on campus, or approved ACU delivery site, to enable in-person interactions. Activities will appear in a student's timetable.

Multi-mode (M)

Learning activities are delivered through a planned mix of online and in-person classes, which may include full-day sessions and/or placements, to enable interaction. Activities that require attendance will appear in a student's timetable.

Online Scheduled (OS)

Fully online with learning activities held at scheduled times.

Online Unscheduled (OU)

Learning activities are accessible at anytime, anywhere. These units are normally delivered fully online and will not appear in a student's timetable.

PREREQUISITES

⁶ EXSC206 prepares students for professional practice opportunities, career planning and employability by addressing the scope of practice of an exercise professional. It will also address some of the requirements needed to fulfil your accreditation as a Strength and Conditioning Coach with the Australian Strength and Conditioning Association. This unit consists of online modules. Modules must be done in the student's own time before the end of Semester 2 &/or before the commencement of any professional placement.

⁷ PSYC227 Social Psychology has replaced PSYC313 Social Psychology. If you have not yet completed PSYC313 then you will need to complete PSYC227 instead.

- Prerequisites ('Pre:') are added in italics.
- Prerequisites are other units that you must have passed *before* enrolling in the unit.
- You will not be able to enrol in a unit in Student Connect if you do not meet the prerequisite requirements. (This will help stop you from enrolling in units incorrectly). You can find out about unit prerequisite requirements in your Course Enrolment Guide.
- Under some circumstances, you might be eligible for a prerequisite waiver.
- You can find out more about prerequisites and how to apply for a waiver on the [Student Portal](#).

COURSE ADVICE

Course Coordinators and/or Course Advisors are available to assist you with course advice. Students should in the first instance contact the Course Administrator on their campus. If required, your query will be referred to a Course Advisor or the National Course Coordinator. Any student studying outside the above sequence should consult with their Course Coordinator prior to enrolling. Please email your enquiry or request to make an appointment.
