AUSTRALIAN CATHOLIC UNIVERSITY

2027 Unit Selection Information

Melbourne and Strathfield

Business Elective Unit

As specified in the course rules, you are required to complete a Business Elective Unit (normally 2nd semester of second year). You may select as your Business Elective Unit one unit from the Schedule of Unit Offerings of other business courses at ACU, subject to unit availability and provided that prerequisite requirements are met. Depending on your selected Major, you might be looking for a unit available in Semester 1 or Semester 2 2027.

A good starting point is this list of 2027 Business (and IT) Units which you can filter so it only shows undergraduate units available on your campus or nationally online. Clicking on the unit code of a Business unit takes you to the relevant entry in the 2027 ACU Handbook. Here, you can review the unit description and find out more about its aim, content, and assessments. The list linked above shows where and when a unit is offered. Please note that unit availability and study modes are subject to change.

Psychology Elective Unit

As specified in the course rules, you are required to complete a Psychology Elective Unit (normally 2nd semester of third year). Please refer to the list below to find a suitable Psychology elective unit for Semester 2 2027 on your campus.

Please refer to the 2027 ACU Handbook to review the unit description of units that interest you, so you can find out more about their content and aim. Please follow the link to the Handbook, select 'Unit' above the search bar and then enter the unit code of a unit that you would like to learn more about. Please note that unit availability and study modes are subject to change.

Unit Code	Unit Title	Location/s	Study Period	Mode	Pre-requisites
