## Generic Course Map

**Full time study load - 4 units per semester (8 units per year)**

**\*Part-time Study Load - 2 units per semester (4 units per year)**

To give you flexibility when organising a work, university and life balance, we have included a standard course map as well as a fast track course map for you to map your own course progression.

You can use either of these maps to choose when you will complete the remaining Specified units, your chosen Major and Elective Units according to the teaching period they are offered (as indicated above).

**Please note:** You should always map your course progression in conjunction with the [course rules](#) located in the ACU [Handbook](#).

It is **each student's responsibility** to complete the Specified and chosen Major units required for your degree. Please ensure you review the unit offerings to ensure you meet prerequisite requirements when you map your unit enrolment progression.

\*International Students must contact the International Office for permission to reduce your study load to part-time.
