

What are ACU's Year 12 online revision workshops?

ACU's Year 12 online revision workshops are free, online events available to students at eligible schools through ACU's Widening Participation Initiative. Each workshop will cover Unit 4 content and exam preparation information, and will be delivered by highly respected presenters with in-depth content knowledge. All presentations will give students the opportunity to ask questions regarding coursework, changes to subject outlines and tips.

What software will I need to participate in the workshops?

These workshops will be held using Zoom. Participants will need to download Zoom by [following the instructions online](#).

Participants will also be able to join the workshops via the web client if they are unable to install Zoom.

How will students participate in the workshop?

Students will be given many opportunities to engage with the presenter during the workshops. They will be encouraged to make comments on the content, to ask questions using a designated Q&A chat function, and to participate in polls. Due to the webinar format, participants will not be able to communicate by video or audio as these functions will be disabled.

Can teachers and parents/guardians participate?

Teachers and parents/guardians are encouraged to participate in the workshops. All teachers and parents/guardians attending will also need to [register online](#).

Will the workshops be recorded?

The workshops will be recorded, however, only students who attended will be provided with the link to view the recording. Participants will be able to see the recording symbol in the webinar client. The recorded webinar will only feature the presenter and there will be no recording of participants.

How long are the workshops?

The workshops will run for 90 to 105 minutes (depending on the subject), with extra time allocated at the end for participants to ask questions.

Can participants pass on their invitation to someone else?

Each participant will receive a custom link allowing them to access the webinar – this link only allows one person to view the webinar. If you would like to invite a friend please direct them to [register online](#).

Can I attend the workshop if I am under 18?

Yes, these workshops are specifically designed for students in Year 12. However, it's always a good idea to check with your parent/guardian prior to attending.

Where can I get more information?
