

ACU Health Clinics – Brisbane

Speech Pathology General Paediatric Clinic

Speech Pathology (SP) services at our ACU Health Clinic (Banyo) run clinics for children from 3 to 16 years.

ACU Health Clinics are university teaching facilities. Our clinic has been specifically designed to provide state-of-the-art facilities for our clients receiving health services delivered in a student teaching context. Our clinical programs are delivered by speech pathology students under the supervision of professional practice educators who are all fully-qualified and experienced Speech Pathologists.

WHAT WE OFFER

Services include individual assessment, customised intervention, and education for families and carers. The Speech Pathology Paediatric clinic provides services for children experiencing difficulties with speech sounds, language, social skills, communication, and literacy (reading and/or writing).
