

ACU CENTRE
FOR LITURGY

Online training program:

Ministers of the Word

Become a Minister of the Word

Our popular online training program enables new and experienced Ministers of the Word to develop their skills and confidence to proclaim the Word of God.

This four-week program is led by an experienced liturgy instructor who guides participants through our engaging materials in a friendly and supportive learning environment.

DEVELOP ESSENTIAL SKILLS AND KNOWLEDGE

The practical and spiritual preparation needed for this liturgical ministry is explored through videos, recordings, quizzes, readings and reflection-based activities. Online Zoom classes and exercises which isolate individual aspects of proclamation and public speaking will enable participants to develop substantive practical skills. There are many opportunities for interaction and meaningful feedback and this program promotes a rich understanding of liturgy, ministry, the Lectionary and the Liturgical Year.

WORK WITH YOUR LOCAL COMMUNITY

Participants must be recommended by their parishes, schools and Church organisations prior to registering. Engagement with the local faith community is a feature of this program.
