## Liturgy's Imagined Futures: Beyond Vatican II's *Constitution on the Sacred Liturgy*

Taking as a starting point the upcoming 60th anniversary of the promulgation of the Constitution on the Sacred Liturgy on 4 December 1963, this lecture asks about the possible futures of Catholic liturgy beyond the vision of *Sacrosanctum Concilium*. In particular, it will probe ways in which liturgical life into the 21st century will be – and will have to be – different from what both the Council and the post-conciliar liturgical reforms were able to imagine.
