

## ACU Announcements

**14 February 2020**

Dear staff

You may be aware that yesterday the Australian Government extended the travel restrictions on all non-Australian residents travelling from China for another week until 22 February. ACU continues to follow the advice of health, immigration and education authorities, while managing the impact for students.

Please be reminded that students who are directly impacted by these restrictions have been granted an extension to arrive late up until 9 March 2020.

Further updated information regarding coronavirus is available from the [Department of Health](#) and [Department of Education](#) and on a [fact sheet](#) on the [ACU website](#).

We will provide more detailed updates as further advice and information is available.
