Additional Information and Links

Unit information should be used as a guide only, as unit availability is subject to change. Study plans will be confirmed upon application.

It should be expected that all units will require synchronous learning as part of their online delivery. ACU campuses operate on Australian Eastern Time (14 hours ahead of New York and 8 hours ahead of Paris), so keep in mind that our online classes may operate outside your normal study hours. Utilise time zone converters such as timeanddate.com to convert Australian Eastern Time to your region.

*** ITEC units are currently under review and are subject to a final approval process in November 2020 by ACU Academic Board*
