

In line with government advice, the St Teresa of Kolkata Building construction site at ACU's Melbourne Campus remains open. Controls and procedures have been put in place, in accordance with government recommendations. This includes social distancing and strict hygiene practices, among other measures, to ensure the health and safety of workers and others on campus.

See the latest construction progress on [webcam 1](#) and [webcam 2](#).

## Four-week outlook: How you may be affected

Area	Impact	Timing
Main Construction Site	Bulk excavation and anchoring works continue within the main construction site. Please expect intermittent noise.	Ongoing
Mary Glowery Building	Services upgrade works in the MGB. Please expect intermittent noise. See the works notification emails for further details.	Ongoing
Mary Glowery Building (Atrium)	Upgrade to the MGB atrium to facilitate new services works.	Ongoing
Mary Glowery Building	A builder's lift will be installed at the north of the MGB to assist with materials handling to the higher levels. Please expect intermittent noise.	June/July

## Upcoming and ongoing activity

Area	Impact	Timing
Main Construction Site	Bulk excavation continues. Trucks will enter the site via Napier St, onto the newly constructed temporary loading platform. Pedestrians should be aware of increased construction vehicle movement. Traffic controllers and signage will be in place to assist with pedestrian and vehicle movements. Please expect intermittent noise.	Ongoing
Main Construction Site	Anchoring works continue. Please expect intermittent noise.	Ongoing
Little Victoria Street	Parts of Little Victoria Street will be closed for construction activities. Pedestrians using this area are likely to hear construction noise and experience changed traffic conditions. Please expect intermittent noise.	Ongoing
Overbuild	Overbuild works continue, including services rough-in. Please expect intermittent noise.	Ongoing
