Acknowledgement of Country

We acknowledge and pay our respects to the First Peoples, the Traditional Custodians of the lands and waterways. We recognise their spiritual and ongoing cultural connection to Country.

We respectfully acknowledge Elders past and present and thank them for their wisdom and guidance as we walk in their footsteps.

University prayer

God of all truth and goodness,
bless us as we gather here
at Australian Catholic University.
May we be strengthened
in mind and heart to pursue
what you inspire,
with insight and deliberation,
that our world may advance.
In true wisdom and justice for all:
Through Christ our Lord. Amen.

Message from the Vice-Chancellor and President

Graduating from university is a momentous occasion to celebrate and share your achievements.

You embarked upon your academic journey at Australian Catholic University with aspiration and ambition. You had a desire to learn so that you could serve others and improve the communities in which you live.

Your path has been filled with many challenges to test your scholarship, will, and determination. It was equally filled with friendship and opportunity as you worked to develop your knowledge, skills, and connections.

Your experiences at ACU have nurtured your empathy, strength and resilience. They have equipped you to capably face challenges and to have an impact on the communities you serve.

Many of you joined the frontline during the international pandemic in the process of gaining your accreditation. You have already been tested in unimaginable ways as you stepped forward to apply your training. This was a noble pursuit. I thank you and I salute you.

Others have dedicated themselves to the kind of research that seeks to make sense of the world and provide solutions for seemingly intractable problems. These invaluable endeavours are entirely in keeping with our ambition to be socially conscious and ethically minded.

The ACU mission is steeped in a centuries-old tradition of Catholic scholarship that is inspired from the earliest university in Bologna. ACU's own journey in building on that tradition has shaped education for communities across generations from our earliest founding institutions, carried through you our graduates, and to our newest students.

As graduates of ACU you immediately join another important fraternity – that of our alumni. There are well over 125,000 members in the ACU alumni network. You will always be part of our greater community and I encourage you to remain connected to your peers and to your university.

Your graduation is an important milestone in your life's journey and your career.

You should be proud of what you have achieved. I know that your family, friends, peers, and your academic instructors are enormously proud of you and how you have emerged from your studies to qualify in your chosen field.

On behalf of the university, I offer you my most heartfelt congratulations.

Professor Zlatko Skrbis
Vice-Chancellor and President

ACU and our mission

THE UNIVERSITY

Australian Catholic University was formed on 1 January 1991 by the amalgamation of four Catholic tertiary institutions in eastern Australia. The university has eight campuses, one in Brisbane, three in Sydney and one each in Canberra, Ballarat and Melbourne. There is also an international campus located in Rome.

The institutions that merged to form the university had their origin in the mid-1800s when religious orders and institutes became involved in the preparation of teachers for Catholic schools and, later, nurses for Catholic hospitals.

Through a series of amalgamations, relocations, transfers of responsibilities, and diocesan initiatives, more than 20 historical entities have contributed to the formation of Australian Catholic University.

The governing body is the Senate, chaired by the Chancellor, with a membership drawn from academic and general staff, students, and community representatives.

The university offers courses to students in the Faculties of Education and Arts, Health Sciences, Law and Business, and Theology and Philosophy with a total enrolment of over 34,000 students.

THE MISSION STATEMENT

Within the Catholic intellectual tradition and acting in Truth and Love, Australian Catholic University is committed to the pursuit of knowledge, the dignity of the human person and the common good.

THE ACU MISSION

Australian Catholic University (ACU) engages the Catholic Intellectual Tradition to bring a distinct perspective to higher education. We explore cultural, social, ethical and religious issues through the lens of the Catholic Intellectual Tradition in our teaching, research and service.

By fostering and advancing knowledge in education, health, commerce, the humanities, the sciences and technologies, law, and the creative arts, ACU contributes to its local, national and international communities.

Our graduates will be skilled in their chosen fields, ethical in their behaviour, with a developed critical habit of mind, an appreciation of the sacred in life and a commitment to serving the common good.

Congratulations to our graduates!

Catalyst Clemente

In partnership with ACU and community-based organisations, the Catalyst Clemente program provides individuals experiencing multiple barriers to accessing higher education a free humanities-based education. Liberal arts subjects, such as philosophy and sociology, are offered to encourage students to think reflectively, engage in community, and create new life possibilities.

The collaboration of ACU and community agencies ensures that students are provided with all the academic rigours of a university-level education, while also being supported emotionally and spiritually through their journey.

University Patron

Saint Mary of the Cross (MacKillop)

St Mary of the Cross (MacKillop) believed that we should never see a need without doing something about it, so hopefully her enthusiastic love for life and all people may influence the lives of students and staff at Australian Catholic University (ACU).

St Mary MacKillop has special significance for staff and students at ACU. Born on 15 January 1842 in Brunswick Street, Fitzroy, directly opposite the university's Melbourne Campus (St Patrick's), she dedicated her life to works and values which resonate deeply with the university's mission. Co-founder of the Sisters of Saint Joseph of the Sacred Heart, St Mary MacKillop is the only Australian to be canonized, making her Australia's first saint. She lived her later years on the site of the North Sydney (MacKillop) Campus. Her feast day is celebrated on August 8.

Her order opened schools and orphanages around the country, along with facilities for the homeless and refuges for former prisoners and prostitutes looking to make a fresh start. Her respect for the dignity of all people, her service of the disadvantaged, and her efforts to build the capacity of those communities she served are qualities which ACU seeks to instil in its staff, students and graduates, making her a worthy patron of the university.

The University Crest

The use of a visual device to represent an individual or an organisation is long established and probably arose in preliterate societies as a means of identification, with European heraldry being an obvious example. The University has used the shape of a shield in reference to that tradition and to the words of the Psalmist: "You yourself will remain unscathed with His faithfulness for shield and buckler" (Psalm 91, The Jerusalem Bible).

Strong colours and simple shapes have been used. The red shield contains a square - symbolic of rectitude and strength. The cross, the focus of the design and symbol par excellence of the Church, is placed on the blue diamond. The trefoils on the ends of the three segments of the cross reflect the Trinity, a fundamental doctrine.

The shield has evolved overtime to ensure heraldic authenticity whilst enhancing its prestigious qualities. A motto was adopted in 2013, reflecting the theme of "Truth In Love". More recently refinements have also been made to the shape of the cross and shield, the filigree and the inclusion of a scroll to house our university motto.

The Mace

The ceremonial mace derives from what was originally a weapon, namely a stone-headed club. In the Bayeux Tapestry, Odo, half-brother of William the Conqueror, is shown using a mace in battle, and it is claimed that although he was a bishop, he would have thus avoided the injunction against the shedding of blood by a priest. By the seventeenth century the mace came to be used ceremonially and symbolically rather than as a weapon, and eventually it became regarded as the symbol and warrant of Royal authority.

In universities a mace is similarly used on ceremonial occasions as a symbol of institutional authority and it is carried, in procession, in front of the Chancellor as a symbolic weapon of protection. In 2015 the Australian Catholic University commissioned Australia's oldest silversmith, W J Sanders to craft a new ceremonial mace which encapsulates the traditions and values of ACU in celebration of the University's 25th anniversary.

The mace is crafted in sterling silver with design elements that include ornate floral designs in high detail relief. The designs represent the foundation three states and territory of the Australian Catholic University. There are two coloured panel's front and back featuring an enamelled University crest and the University cross. The University motto is featured on the lid of the mace.

Academic dress

Contemporary academic dress (a gown, a hood and a cap or bonnet) has its origins in the costumes of the Middle Ages, especially those of the clergy, as during that time senior academics were usually members of holy orders.

The hood is related to the cowl, worn to cover the head. The present designs are stylised versions. The gown derives from the loose heavy tunic, with changes occurring over the centuries in its length and in the design of the sleeves in order to differentiate the grades of degrees. The bonnet and the trencher (or mortar board) are traced to fifteenth century fashions, although originate from the square cap of early Middle Ages.

Australian universities have drawn largely on the styles of academic costume at Oxford and Cambridge. The ceremonial gowns of the senior officers of Australian Catholic University were designed to acknowledge that tradition without being restricted to it.

Some universities in Australia, notably the University of Technology, Sydney, and the Queensland University of Technology, have used a pattern of wattle on their ceremonial gowns instead of the traditional oak leaves. It was decided to do likewise for our robes to emphasise our national character. This was done by using a boomerang shape at the top of the sleeves, filled with gold and silver wattle blossom and leaves. In addition, the sleeves of the Chancellor's gown are decorated with the floral emblems of the Australian states, again in gold and silver.

INDIGENOUS STOLE

In acknowledging and recognising Aboriginal and Torres Strait Islander peoples as the first peoples of Australia, Australian Catholic University has invited Aboriginal and Torres Strait Islander graduands to wear a stole to celebrate their distinct cultural heritage and history on this significant occasion.

The stole is readily identified by the representative colours of the Aboriginal flag (red, black and yellow) and Torres Strait Islander flag (white, green, blue and black), both of which are proclaimed as official Flags of Australia.
