Ballarat and Melbourne (Victoria)

Pathways into teaching

AUSTRALIAN CATHOLIC UNIVERSITY

“I believe education is of enormous value and I want to share it with those who may not have access. As a primary education student, my best experience was a four-week placement in the Solomon Islands with 20 other ACU pre-service teachers and staff. It was truly rewarding seeing how much the students valued their education and how much they appreciated the teaching and stories I was able to share. I hope teaching can take me around the world.”
