Scholarships

We believe that where you come from doesn't have to define where you're going.

That's why we offer nearly 400 scholarship opportunities including:

- \$4,000 Creating Opportunities Fund Scholarships - to support access to higher education
- \$2,000 ACU Equity Scholarships - for students facing financial hardship
- \$6,750 Edmund Rice Education Scholarship - for education students committed to community service and social justice
- \$3,000 Francis Xavier Conaci Scholarship - for Aboriginal and Torres Strait Islander undergraduates studying in Rome

Some scholarships award passion and achievement, others are able to help you when times are hard. Even better, you can apply for as many as you like.

To provide even more scholarship opportunities for our students we've developed the Creating Opportunities Fund. Established to help break down barriers to higher education, we consider what could be holding you back, and offer support for more circumstances than ever before.

Visit our website to find the scholarships that are right for you.
