Allocate Plus class codes

When selecting your classes in Allocate Plus each type of class will have a code. In the table below you can see the most common class codes.

Example: Unit code: HLSC120 = Indigenous Health & Culture

Class Code: L = lecture T = Tutorial

There will be repeat classes and series of classes. For repeat classes you will only need to select one. In a series of classes you will need to select one of each.

- Numbered Classes (e.g. T/01, T/02, T/03) are repeat classes. Students select one of these classes to attend.
- Lettered Classes (e.g. LA, LB, LC) are a series of classes. In this example students must select part A, B & C.

Example: BIOL121 - Human Biological Science 1

Classes: Lecture - LA, LB, LC – you will need to attend one of each

Workshops –there will be many of these, W01, W02, W03…. – will need to attend one of these

Activity Abbreviation	Activity Type	Description
AC	Adobe Connect	Class is run simultaneously on several campuses via Adobe Connect software. Students utilise a PC lab to access the class.
AS	Academic Skills	Academic Skills class
