Acknowledgement of Country

We recognise Aboriginal and Torres Strait Islander peoples' deep spiritual connection to Country and thank them for their continued custodianship. We acknowledge the importance of Indigenous knowledges and pay respect to the Traditional Custodians of the unceded lands and waterways where we work, learn and live.

12 things that set ACU apart

Think you know ACU? You're just getting started. It's education, but not as you know it.

1. MEANINGFUL EDUCATION, NOT MASS PRODUCTION

At ACU, it's education, but with a bigger purpose. We're a university committed to standing up for people in need and causes that matter. If you've got the desire to make an impact, we'll give you the skills to change the world. You might get to coach kids' soccer in East Timor, help refugees in court, assist disadvantaged children with their homework, nurse patients in Vanuatu or teach in remote Indigenous communities – the opportunities are endless.

2. THE WORLD IS YOUR CAMPUS

We're young, but we are making our mark. We're ranked in the top 10 Catholic universities* – alongside Georgetown University and Boston College in the US. We've got almost 200 partners on six continents, community engagement and study opportunities around the globe, and a campus in Rome, Italy.

*Times Higher Education World University Rankings 2026, IFCU members

3. WE'VE GOT YOUR BACK

Whether it's figuring out how to enrol or finding the best coffee on campus, we'll help you out in person, by phone or online by live chat. And if you need support with your studies or counselling services, we've got that covered, too.

acu.edu.au/askacu

4. THERE'S MORE THAN ONE WAY INTO ACU

There's no right or wrong way to get into university. We have a range of pathways that provide alternative options if you didn't get the score you need, haven't completed the prerequisites, or don't meet some other requirement. We'll also recognise your prior learning, give you credit where relevant, and consider work and life experience towards your selection rank. Learn more on page 82.

ACU STUDENTS ON MOUNT VESUVIUS, ITALY

5. FAITH AND REASON

ACU is open to all. Like great Catholic institutions around the world, our university is inclusive and supportive of everyone, every day – regardless of your faith or tradition.

An ACU education builds on the Catholic understanding of faith and reason working together in pursuit of knowledge and promotion of human dignity and the common good. It seeks to transform lives and communities. We'll challenge you to look beyond the classroom, solve real-world problems, develop your own search for meaning, and cultivate strong professional ethics.

6. MORE THAN A CAREER

What you learn at ACU won't just benefit your career, but also your community. Our unique Core Curriculum and focus on practical experience during your degree ensure you'll graduate with insight, empathy, imagination and impact. You will also have developed a capacity for lifelong learning, the ability to make meaningful connections, the habit of thinking critically and creatively, and a readiness to contribute to social justice and sustainability both locally and globally.

7. SCHOLARSHIPS

We know that balancing the cost of living and study can be tricky. We offer around 1,000 scholarship opportunities across a broad range of categories to help support current and future students, from a range of backgrounds, to study at ACU. Learn more on page 86.

8. FIND YOUR BALANCE

We've worked hard to create campus spaces that are relaxed, inviting and fun. Make new friends and build confidence by getting involved in campus life. Our Student Life and Sport teams create weekly activities to keep you connected, supported and inspired. You can join or start a club or society, join a sporting team, sign up for weekly activities, or join your local student association. With barbecues, debating, sporting teams, balls, off-campus adventures and more – we're bound to have an activity that's right for you.

9. A PERFECT FIT

When you study at ACU, you become part of a community. Our campuses and classes are the perfect size, and you won't get lost in the crowd. Your lecturers will know your name, and you'll make great friends and build strong networks. Plus, you'll be accepted and empowered to thrive, no matter your identity, faith, background or experience.

10. GETTING JOB-READY, FROM DAY ONE

We know that the best way to get ahead is hands-on, practical experience. That's why our campuses have facilities like nursing simulation labs, training ambulances, art galleries and moot courts. All our courses offer work placements, internships with leading companies, or volunteering opportunities. Plus, because ACU is a national university, you'll have access to expanded networking and study opportunities at our other campuses.

11. WE CARE ABOUT YOU

Everyone is welcome at ACU. We're inclusive and supportive of everyone, every day, and our students feel it – ranking us among the top five Australian universities for the quality of the entire educational experience*. Your wellbeing is our focus. Which is why we have a huge range of support services to help you thrive. Learn more on page 12.

*Student Experience Survey 2024, undergraduate

12. A SPACE OF YOUR OWN

Living in student accommodation is one of the best ways to get the most out of your uni experience. With ACU accommodation you'll get academic support, make lifelong friends, and be part of a fun and close-knit community. There are also generous accommodation scholarships on offer. acu.edu.au/studentaccommodation

Our campuses

We've got seven campuses around Australia and a campus in Rome, Italy. We also offer courses at regional locations, including our Townsville Leadership Centre, and through our online learning platform: ACU Online (see page 80). Each of our campuses is unique, but they're all dynamic, inviting and great places to learn.

Head to acu.edu.au/tour to take a tour of your campus.

Ballarat

Our Ballarat Campus is located in the centre of the city, amid historical gardens and beautiful old buildings, and a block from Lake Wendouree. Explore the grounds, enjoy a meal at the canteen and soak up the community vibe.

- Central location and free parking
- Student accommodation options close to campus
- Nursing, science and occupational therapy simulation labs
- State-of-the-art physiotherapy training facilities, including an anatomy lab and simulation rooms

Blacktown

We've partnered with Blacktown City Council to open our newest campus, located opposite the Blacktown train station and next to Westpoint Shopping Centre in Western Sydney. Enjoy the vibrant community environment and study close to home while benefitting from the opportunities of a university with international reach.

- Opportunities with local partners
- Breakout and study areas, collaboration spaces, library, chapel, lounge area, Aboriginal and Torres Strait Islander peoples' culturally safe space, library and student hub
- Purpose-built teaching and learning facilities including nursing and midwifery labs, bed simulation wards, a science lab and a moot court
- The Blacktown Exercise Sports and Technology Hub (BEST), which boasts a biomechanics lab and other state-of-the-art sports science facilities
- Purpose-built student accommodation centrally located in Camperdown

Brisbane

Whether you want to get involved in campus life, create a professional network or just find a quiet place to study, our Brisbane Campus has you covered. Set on 40 hectares of parklands, the campus has ample parking, state-of-the-art learning facilities, and places to hang out like a cafe and a swimming pool.

- Free parking and shuttle bus from local transport hubs
- Dedicated specialist teaching and simulation facilities for a range of disciplines, including nursing, paramedicine, physiotherapy, education and exercise science
- On-campus medical centre

Canberra

Just five kilometres from the city centre, our Canberra Campus has plenty to offer. With a cafe, state-of-the-art multipurpose sports court, swimming pool and beautiful landscaped gardens, you'll have a lot to keep you busy between classes.

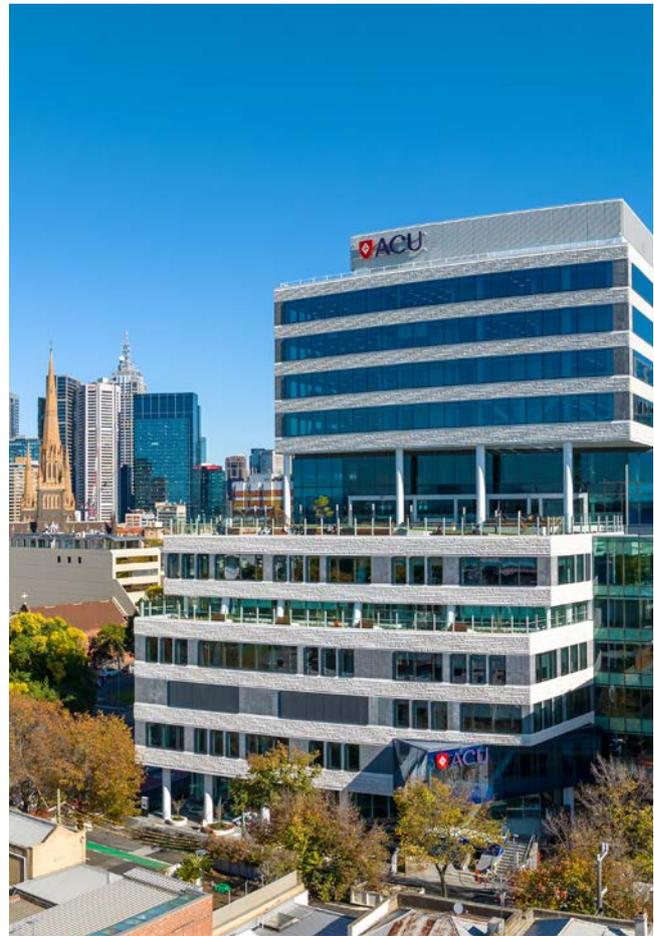

- Modern nursing, paramedicine, social work, speech pathology, occupational therapy and teaching labs
- Free parking and accessible by light rail and bus
- Library and 300-seat lecture theatre
- Purpose-built on-campus student accommodation

Melbourne

Nestled within the heart of Fitzroy, our Melbourne Campus is right next to the cafes, art galleries and live music venues of Brunswick Street, with stunning views of the CBD.

- New Saint Teresa of Kolkata building with a 300-seat lecture theatre, state-of-the-art simulation facilities, rooftop sports court and a landscaped conservatory garden
- Close to six tram routes, bus routes and Parliament Railway Station
- Award-winning library
- Art gallery and creative arts studios
- On-campus medical centre

North Sydney

Just across the Harbour Bridge from the city centre, our North Sydney Campus is a great place to study and relax. Surrounded by tall buildings, cafes and shops, the open grounds provide a pocket of peacefulness within a vibrant corner of Australia's largest city.

- High-tech nursing simulation, speech pathology, physiotherapy and occupational therapy labs
- Moot court, for simulating real-life law court proceedings, and Ramsay Lounge for Western civilisation courses
- Short walk from metro and train stations
- On-campus gym
- Co-Lab business incubator and co-working space for innovators
- Purpose-built student accommodation centrally located in Camperdown

Strathfield

Our Strathfield Campus is set amid beautiful, landscaped grounds and historical buildings, with excellent transport links. Whether you want to have a friendly match on our rugby and soccer ovals or take in a show at our art gallery, there's always something going on.

- Onsite, undercover parking and free shuttle bus between the station and campus
- Art gallery, labs and workshops for students interested in design and technology, industrial design, food technology and textiles technology teaching
- High-tech biomechanics lab and FIFA-accredited sports pitch
- Co-Lab business incubator and co-working space for innovators
- Purpose-built student accommodation centrally located in Camperdown

Rome, Italy

Our Rome Campus is located near Trastevere, Rome's medieval quarter with narrow cobblestone streets and wide piazzas. The property has a large terrace where you can enjoy beautiful views of the city.

- Close to the Vatican and popular tourist sites
- Comfortable onsite residential accommodation
- Community engagement opportunities

Learn more about studying in Rome on page 21.

Life at ACU

**Find your place
in a place that cares.**

Your wellbeing is our biggest priority. And we know the support of a caring community will help you achieve your best.

At ACU, you'll join a vibrant campus community, make friends for life, and have the support you need to thrive during, and after, your studies.

Get involved

ORIENTATION

Before you start classes, make sure you head to your campus orientation. Get a feel for uni life, join your campus student association, take a campus tour, join some clubs, meet your peers, talk to your course coordinators, eat lots of free food, listen to bands, and generally get a feel for where you'll be enjoying the next few years.

orientation.acu.edu.au

STUDENT ASSOCIATION

Our student associations are run by students, for students, and provide services, activities and representation for you. Each campus has its own student association including First Peoples, postgraduate and international representatives. Involvement in student associations – whether as a member or as a member of the executives, councils and committees – provides great opportunities for leadership development, networking and friendships that will last a lifetime.

acu.edu.au/student-association

STUDENT LIFE

Our weekly on-campus and online activities help you stay connected, supported and inspired beyond the classroom. Have fun, try something new or join our Student Life team on adventures such as picnics, BBQs, trivia nights, footy outings, or camping trips.

acu.edu.au/student-life

CAMPUS MINISTRY

Our Campus Ministry teams work to bring the distinctive Catholic identity and mission of ACU to life. Offering a range of activities and services, our teams help build an inclusive student community, care for your pastoral needs and spiritual wellbeing, and encourage you to see the world in new and different ways.

campusministry.acu.edu.au

GIVE BACK WHILE GETTING AHEAD

At ACU, we want to equip you to thrive in an interconnected and changing world. While you're studying, you'll have opportunities to learn alongside local, national and global communities. Community engagement is a great way to grow personally and professionally, while helping to make the world a better place.

acu.edu.au/acuengagement

STUDENT ACCOMMODATION

Everything about our accommodation is designed to help you make the most of your university experience. Our Residential Life Program helps to create welcoming and enriching communities to ensure each resident feels included. Located near transport links, campuses and social centres, and providing 24/7 support, our residences allow students to find a healthy balance between their studies, fun and relaxation. We also offer a range of accommodation scholarships.

acu.edu.au/studentaccommodation

JOIN A CLUB

One of the best ways to make friends, learn skills and develop your leadership potential is by getting involved in clubs and societies. We have more than 60 clubs nationally for you to choose from: sport, culture, ethnicity, faith, social justice, faculty, professional, special interest and more. And if you can't find a club that suits your needs, you can start a new one.

acu.edu.au/clubs-activities-and-student-associations

SPORT AND FITNESS

Enjoy the many opportunities available on your campus to get active. Join a sport club or social sport program, represent ACU at UniSport and intervarsity events, take part in daily sport, health and wellbeing activities, watch live sport on campus, or play with your mates at our facilities. You can also join ACU Active, our facilitator of health, fitness and wellbeing programming, and access health clubs, group fitness classes and personal training services at on-campus gyms in North Sydney and Melbourne.

acusport.acu.edu.au

SPACE FOR ALL FAITHS

You don't need to be Catholic to study with us. Across our university, staff and students of all faiths – and of none – find a home at ACU. Our chapels and multifaith prayer rooms are for students and staff of all faiths, offering a quiet and welcoming space to pray or reflect.

acu.edu.au/all-faiths

Be supported

ACU THRIVE

Our first-year success model will smooth your transition into university life. It's thoughtfully designed to ensure you thrive not only in your studies, but also personally and socially. For more information, see page 19.

acu.edu.au/acu-thrive

ABORIGINAL AND TORRES STRAIT ISLANDER STUDENTS

Every campus has an Indigenous Higher Education Unit (IHEU) for Aboriginal and Torres Strait Islander students. Drop in to meet staff and other students, build connections, and access support whenever you need it. For more information, see page 16.

acu.edu.au/indigenoussupport

SAFETY

We want you to flourish on campus. That's why we're committed to making our university a place of safety and respect for all students and staff. Initiatives include our SafeZone app, which provides campus security at your fingertips.

acu.edu.au/student-safety

ELITE ATHLETE AND PERFORMER PROGRAM

We offer a range of academic and financial support to help elite athletes and performers balance their commitments with studies and uni life.

acu.edu.au/eapp

CAREER ADVICE

Enhancing your employability is our job. Access career advice, application and interview assistance, workshops and professional development. We'll also help you engage with employers, seek a student job on campus or develop your entrepreneurial skills.

acu.edu.au/careersupport

STUDENT ADVOCACY

We offer an information, advice and referral service to help you understand and navigate the university's policies, procedures and academic regulations. This service is free and confidential.

acu.edu.au/student-advocacy

ACADEMIC SKILLS DEVELOPMENT

Build your academic skills and reach your potential with help from our academic skills development team. Take part in workshops, explore online resources or have a one-on-one consultation. Plus, first-year students can take part in PASS: free weekly peer-led study groups for units that students can find challenging.

acu.edu.au/academic-skills-development

DISABILITY AND CARER SUPPORT

If you have a disability, are neurodivergent, have a temporary or ongoing medical or mental health condition, or carry significant carer responsibilities, we're here to support you. Our advisors can work with you to create a plan that helps you manage your studies. We are also proud to support the Hidden Disabilities Sunflower initiative and offer low-sensory retreat spaces for students.

acu.edu.au/disability

FIRST YEAR STUDENT MENTORING

Starting university for the first time can be both exciting and overwhelming. With ACU's student mentoring program, you can begin your journey a step ahead. Our program is social, informative and accessible to all students.

As a first-year student, you'll be matched with a student mentor and can connect with your peers before classes begin and throughout your first semester. Together, you'll explore common challenges, discover tips for succeeding at uni, and become part of the ACU community.

One-on-one support is also available to help navigate university systems, answer questions and connect you to further help if needed.

acu.edu.au/connect2uni

COUNSELLING

We offer free and confidential counselling to students experiencing personal, mental health or general wellbeing concerns that are affecting their life or studies. Our counsellors provide a safe and supportive environment so that you can discuss these concerns and develop the tools you need to build resilience and achieve your goals.

acu.edu.au/counselling-services

MEDICAL SERVICES

We have medical centres on our Brisbane and Melbourne campuses. They offer comprehensive, high-quality healthcare services to students, staff and the local community. Bulk billing is available.

acu.edu.au/medical-centres

RENTAL ADVISORY SERVICE

Get help with any accommodation-related matters, including moving out of home for the first time and rental tips.

acu.edu.au/rentaladvisory

STUDENT VETERAN SUPPORT PROGRAM

If you're a current or former member of the Australian Defence Force, or you're in the reserves or Defence connected, we offer a range of support services and academic resources to help ease the transition into uni life.

acu.edu.au/svsp

Aboriginal and Torres Strait Islander student success

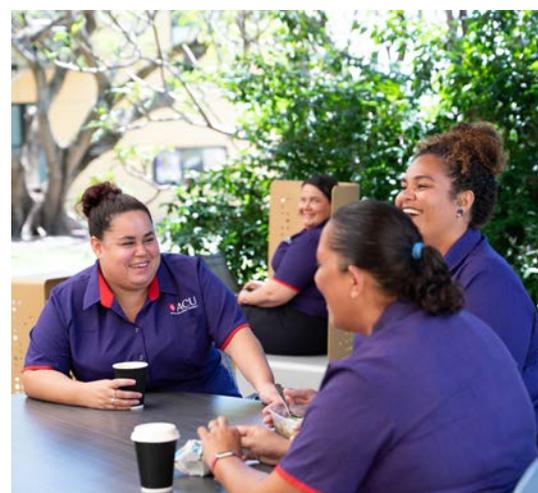

Growing futures

Success looks different for everyone. At the start of your university journey, it's natural to feel both excited and unsure, but you won't be doing it alone. We're here to support you as you chase your goals.

For Aboriginal and Torres Strait Islander students, our community provides a space to celebrate culture, strengthen skills and foster lifelong connections.

You'll have opportunities to join leadership programs, enjoy cultural events and access professional development designed to help you thrive.

We're committed to growing your future and excited to be part of your journey.

INDIGENOUS HIGHER EDUCATION UNITS

The Indigenous Higher Education Units (IHEUs) on each of our campuses offer academic, cultural and social support to all Aboriginal and Torres Strait Islander students.

The units provide a culturally safe space that strengthens Aboriginal and Torres Strait Islander connections.

If you are an Aboriginal or Torres Strait Islander and interested in studying with us, please contact your local IHEU. They will support you with multiple pathways to becoming an ACU student.

AWAY FROM BASE

The Away from Base (AFB) program is a practical option for Aboriginal and Torres Strait Islander students. The program enables you to live and work in your local community while studying online, combined with intensive residential blocks twice a semester. During residential blocks, your travel and accommodation will be fully covered, including meal allowances.

Courses available in Away from Base mode:

- Bachelor of Education (Primary) (see page 68)
- Midwifery (Indigenous Cohort) (see page 55)
- Diploma in Educational Studies (Tertiary Preparation) (see page 72)

acu.edu.au/afb

ABORIGINAL AND TORRES STRAIT ISLANDER ADMISSIONS PROCESS

When you apply through a Tertiary Admissions Centre (VTAC, UAC, or QTAC) and identify as Aboriginal or Torres Strait Islander, you'll automatically be considered for our admissions process. Your application will be individually evaluated and you'll be invited to attend an interview.

For details, see page 84 or visit acu.edu.au/atsi

SCHOLARSHIPS

We understand that managing living expenses and study costs can be challenging for our families. That's why we offer a variety of scholarships specifically for Aboriginal and Torres Strait Islander students.

acu.edu.au/scholarships

ABORIGINAL AND TORRES STRAIT ISLANDER RESEARCH

ACU is enhancing Indigenous knowledges by increasing representation from Aboriginal and Torres Strait Islander academics, focusing more on Indigenous research and supporting students in pursuing research careers. If you'd like to learn more, please contact a member of the IHEU team.

Widening the path to uni

Everyone should have the opportunity to study at university. At ACU, we have developed initiatives to assist students from a wide range of different backgrounds and experiences to gain access to university and thrive during their studies.

Visit acu.edu.au/our-values to learn more.

ABORIGINAL AND TORRES STRAIT ISLANDER STUDENT SUCCESS

We support Aboriginal and Torres Strait Islander peoples' university journey through entry programs, culturally safe spaces, academic support, scholarships and Away from Base programs.

ACCESS AND DISABILITY SERVICE

ACU is committed to fostering an inclusive learning environment. If you have a disability, are neurodivergent, have a temporary or ongoing medical or mental health condition, or carry significant carer responsibilities, our team can support you throughout your studies.

We'll work with you to create an Education Inclusion Plan (EIP), which outlines reasonable adjustments, such as flexibility with deadlines, extra time in exams, or the use of assistive technology. We also support the Hidden Disabilities Sunflower initiative and provide low-sensory spaces for when you need time out. Support is confidential, and you can access our services at any time during your studies.

ACU ALLY NETWORK

The ACU Ally Network is a visible network of staff who support our pastoral commitment to providing a safe, inclusive and respectful university environment for people who are lesbian, gay, bisexual, transgender, gender diverse, intersex, queer and asexual (LGBTIQ+).

The network promotes understanding and awareness of LGBTIQ+ issues that affect staff and students.

STUDENT VETERAN SERVICES

Empowering Defence connected students to lead successful and rewarding lives after military service is a mission-aligned priority for ACU. We support the continuing education of current serving and former-serving Australian Defence Force members by offering programs and services to help them achieve their educational and vocational ambitions (see page 84).

We also work with industry partners and government to undertake research focused on improving outcomes for all Defence connected students. Through these activities, ACU has become recognised as the Australian university that is committed to serving those who have served.

WIDENING PARTICIPATION PROGRAMS

ACU is committed to increasing participation in higher education for students from under-represented groups. We are taking a whole-of-institution approach to reduce systemic barriers and deliver targeted initiatives for students from regional and remote areas, low socioeconomic backgrounds, and Aboriginal and Torres Strait Islander communities.

THE CLEMENTE AUSTRALIA PROGRAM

The Clemente Program provides access to university for people over the age of 18 who have experienced barriers or disruptions in their lives. Within small, collaborative learning groups, Clemente students work towards a Certificate in Liberal Arts. The course aims to provide space and support for students to rediscover their passion for learning, hone critical thinking, communication and study skills, and strengthen their confidence to re-imagine future possibilities such as further university studies, a desired job or other opportunities.

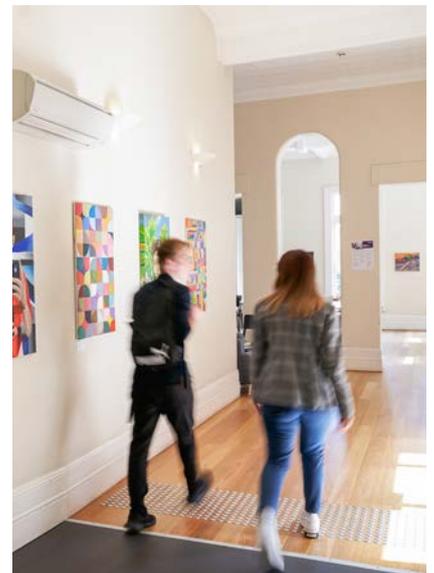

ACU THRIVE

We are committed to your success and wellbeing from day one.

That's why we've specifically designed your first year at ACU to ensure a smooth transition into university life, helping you build confidence and thrive academically, personally and socially. You'll be supported with both independent and collaborative learning, the opportunity to prepare for classes in advance, and receive real support from your teaching staff.

Our thoughtfully designed approach to university focuses on helping you grow without overwhelming you. You'll experience a blend of on-campus and online learning, opportunities to assess your progress and seek support when needed, and interactive on-campus classes to connect with other students and make the most of your time on campus.

acu.edu.au/acu-thrive

Go global

Want to study ancient history in Rome? Explore health sciences in Timor Leste, or complete a semester exchange in Tokyo? Global learning programs can count towards your degree, and with more than 190 partner institutions, you can choose from a huge range of international opportunities.

Gain international learning experience by joining a study tour, completing an internship, doing a semester or short exchange abroad, participating in community engagement or taking our unique international Core Curriculum program.

Global learning programs can be as short as two weeks or as long as a year, and there are generous travel grants and scholarships available, including the prestigious Commonwealth Government funded New Colombo Plan.

With ACU, you don't even need to leave Australia to gain global experience. We can help you take up an international internship, or work on a project with students from all over the world – all from the comfort of home.

EVERY ACU DEGREE
GIVES YOU GLOBAL
LEARNING OPTIONS

Study in Rome

Did you know we have an ACU campus located in Rome, Italy? It's an incredible and unique opportunity to live and learn in one of the most fascinating cities in the world.

CAMPUS DI ROMA

No matter what course you're studying with us, you'll have the opportunity to stay at our campus in Rome – from a couple of weeks to a semester. And life at our Rome Campus is about so much more than just study. You'll immerse yourself in Roman life, bond with other students from around Australia and the world, explore historic sites, improve your Italian and, of course, learn new things. You'll also have the chance to go beyond the tourist sights and engage with locals in a meaningful way, and may even have the opportunity to apply for an internship in Rome.

ACCOMMODATION

Our Rome Campus has comfortable and welcoming residential accommodation located on site and available for students. You can watch the sun set over the city while making plans with your new friends to explore the Vatican or one of the city's many popular tourist sites.

See the world through the eyes of others

The Core Curriculum experience

At ACU, we know that you are more than your degree. That's why we encourage you to learn broadly about our world, to listen to others, and to think about how you can lead with compassion and confidence, challenging stereotypes and making an impact. That's at the heart of our Core Curriculum. It's a key part of the ACU experience – giving you the tools to change the world for the better.

The Core at ACU is made up of three units:

- two coursework units of your choice, with one unit from:
 - Being Human
 - Ethics and the Good Life
 - Making Sense: Practical Reasoning for Life and Career
 - Life and Meaning: Imagining Ourselves through Art and Cinema
 - Revolutionary Values: Christianity in History
 - People Matter: Catholic Social Thought
- and one unit from:
 - The Origins of Sciences and Contemporary Challenges

- Ecology and Justice
- Conflict, Violence and Peace-Making
- Justice in the World: Catholic Social Ethics in Global Perspective
- Sacred Land: Indigenous Spiritualities and Catholic Thought
- one community engagement unit focused on an area of service relevant to your course of study.

The Core's coursework units will expose you to a range of perspectives and discipline areas that speak to the rich and diverse legacy of the Catholic intellectual tradition. Each unit strives to stretch your understanding of the past, so that you can better comprehend and appreciate the present, and in this way help to imagine and plan for a better future.

You'll be in classes sharing ideas with students from other disciplines, ensuring different viewpoints and lively debate. Core units can be taken either during the main semesters or over the summer or winter teaching periods. There's even the chance to complete a unit overseas, such as at ACU's Rome Campus.

Visit our website to learn more
about the Core Curriculum at ACU.

OUR INDUSTRY CONNECTIONS

We know the best way to get ahead is through practical experience. Our community engagement and professional practice placements form a large part of our allied health degrees. You will learn to collaborate with other health professionals to find the best outcomes for your patients/clients.

Our students have taken professional placements with organisations such as:

- Austin Health
- Barwon Health
- Eastern Health
- Healthe Care Pty Ltd
- Melbourne Health – The Royal Melbourne Hospital
- Monash Health
- Northern Sydney Local Health District – Hornsby Ku-ring-gai Hospital, Royal North Shore Hospital
- private and not-for-profit organisations
- Queensland Department of Education
- Queensland Health (hospitals and health districts across the state)
- rural and regional industry partners in health education and private practice
- schools
- St Vincent's Hospital Sydney – Public
- Sydney Adventist Hospital
- Sydney Local Health District – Concord Hospital
- Western Health
- Western Sydney Local Health District – Westmead Hospital.

ALLIED HEALTH

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
<p>Bachelor of Occupational Therapy</p> <p>Embedded honours available.</p> <p>Duration: 4 yrs FT (or equivalent PT)</p>		Occupational therapists make significant contributions to the lives of individuals and communities. They help to enable people's participation in occupations of self-care, productivity and leisure. Interprofessional learning is distributed throughout the course to prepare students for interprofessional practice in the workforce – an important graduate capability.	<p>A minimum of 1,000 hours of professional experience.</p> <p>Accredited with the Occupational Therapy Council of Australia.</p>	Occupational therapist working individually or as part of a multidisciplinary healthcare team in a hospital; community health centre; rehabilitation centre; mental health service; school; early intervention program for children; private practice; disability service; aged-care facility; government policy unit.
<p>Bachelor of Physiotherapy</p> <p>Embedded honours available.</p> <p>Duration: 4 yrs FT (or equivalent PT)</p>		Physiotherapists are involved in diagnosing and managing disorders of human movement, helping people recover from injury, reducing pain or stiffness, increasing mobility and preventing further injury.	<p>More than 1,000 hours of professional experience.</p> <p>Accredited with the Australian Physiotherapy Council.</p>	Physiotherapist working in a hospital; health centre; sports medicine clinic; rehabilitation centre; aged-care facility; maternity hospital; private practice; education; health promotion; management; research.
<p>Bachelor of Social Work</p> <p>Embedded honours available.</p> <p>Duration: 4 yrs FT (or equivalent PT)</p>		Social work is a practice-based profession that works to promote social change and help vulnerable people and communities address challenges such as inequality, discrimination and violence. Our course has a focus on social justice, human rights and making a real impact in the community. Our graduates are compassionate, competent and value-driven.	<p>1,000 hours of professional experience.</p> <p>Accredited with the Australian Association of Social Workers.</p>	Hospital social worker; child and family caseworker; mental health worker; disability social worker; community project officer; social policy analyst; community services officer; social worker; aged services coordinator; migration support officer; student and family counsellor; a wide range of other roles in the social and human services field.
<div style="border: 2px solid red; padding: 10px; width: fit-content; margin: 0 auto;"> <p>Master of Social Work (Qualifying)</p> <p>Already have a bachelor's degree in a related field? Check out this two-year qualifying program. acu.edu.au/courses</p> </div>				
<p>Bachelor of Speech Pathology</p> <p>Embedded honours available.</p> <p>Duration: 4 yrs FT (or equivalent PT)</p>		Speech pathologists recognise the importance of communication and mealtimes as activities that enable people to participate fully in their daily lives. They work with individuals, groups, families and communities to support the development, rehabilitation and maintenance of effective communication and feeding/ swallowing skills across the lifespan. Through innovative learning activities and extensive professional practice experiences, this degree ensures you'll graduate with a person-centred, culturally sensitive approach, and equipped with techniques based on the best available evidence.	<p>A range of professional practice placements to ensure you meet Speech Pathology Australia's accreditation standards.</p> <p>Established programs accredited with Speech Pathology Australia (SPA); Canberra program accredited with conditions.</p>	Speech pathologist working individually or as part of a multidisciplinary team in an early intervention program for children; school; aged-care facility; hospital; rehabilitation centre; mental health service; community health centre; specialist services; private practice.

OUR INDUSTRY CONNECTIONS

At ACU, our arts degrees give you the skills and experience to thrive in today's job market. Through your community engagement placement, you'll see social impact in action and graduate ready to make a difference. Studying human rights or social and environmental sustainability gives you the knowledge and tools to address some of the most pressing global challenges. You'll learn how to advocate for justice, equality and sustainable practices – skills that are highly valued across multiple sectors. Focusing on ethical leadership and sustainability prepares you to make a meaningful difference in your career and the world. If you're studying youth work, you'll benefit from a hands-on, practical degree that includes extensive field placements and strong industry partnerships, making real connections

and helping young people establish a voice and sense of place in their communities.

Looking for a global perspective? Our global studies degrees offer rich international experiences, including internships with global organisations, study at our Rome Campus, or exchanges with partner universities around the world.

Some of our students have volunteered or taken placements at:

- AYANA Journeys
- Brentwood Secondary College
- Centre for Multicultural Youth
- Challenges Abroad Australia
- CIS Australia
- Clemente Australia
- Department of Parliamentary Services – Parliament of Victoria
- Jesuit Social Services

- local government departments
- Merri-bek City Council
- Museums Victoria
- Operation Newstart
- partner universities overseas.

ARTS, HUMANITIES AND SOCIAL SCIENCES

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
Undergraduate Certificate in Liberal Arts Duration: 0.5 yr FT (or equivalent PT)		The Undergraduate Certificate in Liberal Arts offers students a six-month full-time introduction to tertiary studies. Students completing this certificate choose four units from a wide range of arts disciplines, subject to campus availability. The certificate can be used as an entry point to further study. Successful completion will provide an entry pathway into: <ul style="list-style-type: none"> • Diploma in Liberal Arts It may also provide a pathway into a Bachelor of Arts and a range of arts double degrees.		
Diploma in Languages Duration: 2 – 3 yrs PT		Give yourself a professional edge by learning Italian or Spanish. You will develop skills and an understanding of the history and culture of the countries where these languages are spoken. The Diploma in Languages is delivered in online synchronous mode and has a flexible timetable, so all ACU undergraduate students can complete it in conjunction with their degree. You can also study the diploma as a standalone qualification and graduate with a Diploma in Languages.		
Diploma in Liberal Arts Duration: 1 yr FT (or equivalent PT)		A flexible one-year introduction course to tertiary studies in arts, affording you the option to pick units from a wide range of arts disciplines, subject to campus availability. This diploma has lower entry requirements than our bachelor's degrees, so you can use it as a pathway into more advanced university courses. You'll gain credit for relevant completed units, learn essential academic skills, and gain an accredited, standalone qualification to add to your CV. Successful completion will provide an entry pathway into: <ul style="list-style-type: none"> • Bachelor of Arts It may also provide a pathway into a range of arts double degrees.

Law and criminology

Prepare for a dynamic career in law, human rights or criminal justice. At ACU, you'll build the knowledge and confidence to thrive in the legal profession or contribute meaningfully to justice reform. Our law degrees offer pro bono placements that connect you with real clients and legal professionals, while our criminology programs include a work-integrated placement within the criminal justice system. Whether you're drawn to advocacy, policy or frontline practice, you'll graduate ready to make a difference.

Ethically empowered

STUDY WITH A UNI COMMITTED TO THE COMMON GOOD

Practise your skills

AT OUR ON-CAMPUS MOOT COURT

Launch your career

WITH CRIMINAL JUSTICE OR LEGAL PLACEMENTS

OUR INDUSTRY CONNECTIONS

Study law, human rights and criminology at ACU and put your legal skills into practice to make a difference even before you graduate. Our law students have contributed many thousands of hours of pro bono work with firms and community legal services to represent those who are marginalised or disadvantaged. And our criminology students undertake an 80-hour placement with the criminal justice sector.

Our law and criminology students have completed their pro bono and criminology placements with organisations such as:

- AED Legal
- Business with a Heart
- Catholic Archdiocese of Melbourne
- Everyday Justice
- JobWatch
- Justice Action
- Justice Reform Initiative
- Peninsula Community Legal Centre
- Refugee Legal
- The Justice and Peace Office – Catholic Archdiocese of Sydney
- Western Sydney Community Legal Centre.

And you'll become a confident, ethical lawyer with the skills and knowledge to make a real contribution to the legal profession.</p>	<p>80 hours of community legal engagement.</p> <p>Accredited for admission to legal practice in NSW, Qld and Vic, and recognised in other Australian states and territories.</p>	<p>Private practice as a solicitor or barrister; legal policy advisor; in-house counsel for corporations, regulatory authorities, trade unions and non-government organisations (NGOs); teaching; social work; pastoral work; research; journalism or public relations; legal research and practice.</p>

“I chose a double degree in psychological science and laws because it’s a unique study opportunity offered by ACU. ACU has an interactive system of learning that encourages students to have constant communication with lecturers and tutors, which optimises every possibility for success. This course has offered me a distinctive insight and perspective to help me understand and evolve in an ever-changing modern world.”

Xavier
Psychological science and laws

LAW AND CRIMINOLOGY

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
<p>Bachelor of Psychological Science/ Bachelor of Laws</p> <p>Honours available.</p> <p>Duration: 5 yrs FT (or equivalent PT)</p>		<p>Law and psychology intersect at every turn and are united by their focus on human behaviour. Combining law with a psychology degree will give you a unique skillset and open a world of professional opportunities.</p> <p>Upon completion of this degree, you will be eligible to apply for further studies in psychology. Please note that a further minimum of three years of education and training in psychology is required to register as a psychologist in Australia.</p>	<p>80 hours of community legal engagement.</p> <p>Accredited by the Australian Psychology Accreditation Council (APAC) as a Level 1 program, and approved by the Psychology Board of Australia (PsyBA) as a suitable undergraduate program in the training pathway for psychology registration.</p> <p>Accredited for admission to legal practice in NSW, Qld and Vic, and recognised in other Australian states and territories.</p>	<p>Private practice as a solicitor or barrister; legal policy advisor; in-house counsel for corporations, regulatory authorities, trade unions and non-government organisations (NGOs); forensic psychologist; litigator; terrorism analyst; industrial law and management advisor; welfare support officer; deployment consultant; childcare worker; career counsellor; research assistant; case worker; juvenile justice officer; drug and alcohol counsellor; and advertising agent.</p>
<p>Bachelor of Theology/ Bachelor of Laws</p> <p>Honours available.</p> <p>Duration: 5 yrs FT (or equivalent PT)</p>		<p>Theology is fuel for an inquisitive mind, and lawyers are inquisitive by nature. By combining law with a theology degree, you will be equipped to stand up for people in need and causes that matter.</p>	<p>80 hours of community legal engagement.</p> <p>Accredited for admission to legal practice in NSW, Qld and Vic, and recognised in other Australian states and territories.</p>	<p>Private practice as a solicitor or barrister; legal policy advisor; in-house counsel for corporations, regulatory authorities, trade unions and non-government organisations (NGOs); teaching; church agencies and ministries; chaplaincy; social work; pastoral work; research; journalism or public relations; legal research and practice.</p>
<p>Bachelor of Criminology and Criminal Justice</p> <p>Duration: 3 yrs FT (or equivalent PT)</p>		<p>If you're intrigued by the criminal justice system and want to make a valuable contribution to the justice sector, this degree is for you. You'll understand the complex causes and impact of crime, and explore fascinating areas like technology, cybercrime and forensics.</p>	<p>80-hour placement associated with the criminal justice sector after intensive training in workplace approaches and practices, followed by a debriefing with a clinical education specialist.</p>	<p>Criminologist; policy advisor; reintegration worker; police (state, territory or federal); researcher; immigration and border protection official; community corrections officer; cyber security officer; intelligence agent.</p>

LAW AND CRIMINOLOGY

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
<p>Bachelor of Criminology and Criminal Justice/ Bachelor of Laws</p> <p>Duration: 5 yrs FT (or equivalent PT)</p>		<p>Supercharge your criminology and criminal justice degree with law and get set for a meaningful legal career in the criminal justice sector.</p> <p>This double degree is the ideal combination if you want to be a criminal lawyer or work in regulatory or policy work in criminal justice areas covering interpersonal violence, policing, forensic psychology, corrections and cybercrime.</p>	<p>80-hour placement associated with the criminal justice sector and 80 hours of community legal engagement.</p> <p>Accredited for admission to legal practice in NSW, Qld and Vic, and recognised in other Australian states and territories.</p>	<p>Public policy; law; intelligence and investigation; courts and tribunals; corrections and rehabilitation services; security; criminal law.</p>
<p>Bachelor of Human Rights/ Bachelor of Criminology and Criminal Justice</p> <p>Duration: 5 yrs FT (or equivalent PT)</p>		<p>Human rights is a significant and swiftly growing field of domestic and global research and practice within law, criminal justice, history, philosophy and politics. Our new cross-disciplinary human rights degree will prepare you to become a human rights advocate, while a Bachelor of Criminology and Criminal Justice will allow you to examine the complex causes and impact of crime, and the legal and social policies that keep us safe. As part of this degree, you'll study forensic psychology, forensic science, cybercrime, border protection and biosecurity, and understanding violence and trauma.</p>	<p>80-hour placement associated with the criminal justice sector after intensive training in workplace approaches, practices and more, followed by a debriefing with a clinical education specialist.</p>	<p>National and international non-governmental organisations (NGOs); domestic and international advocacy; humanitarian services; disaster relief; policy development; volunteer co-ordination; human services provision; public health; economic development; policy advice; reintegration consulting; police (state, territory or federal); immigration and border protection; community corrections; communications; foreign news reporting/ correspondence; investigative journalism; research.</p>
<p>Diploma in Criminology</p> <p>Duration: 1yr FT (or equivalent PT)</p>		<p>This diploma has lower entry requirements than our bachelor's degrees, so you can use it as a pathway into more advanced university courses. You'll gain credit for the first year of a bachelor's degree for relevant completed units, learn essential academic skills, and gain an accredited, standalone qualification to add to your CV.</p> <p>Successful completion will provide an entry pathway into the Bachelor of Criminology and Criminal Justice, the Bachelor of Laws, and a range of criminology and criminal justice double degrees. Credit will be given for the same units completed in the diploma program.</p>

NURSING, MIDWIFERY AND PARAMEDICINE

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
<p>Bachelor of Midwifery</p> <p>Honours available.</p> <p>Duration: 3 yrs FT (or equivalent PT)</p>		Acquire the skills and knowledge to manage pregnancy, childbirth and postnatal maternal and newborn care in a variety of maternity settings. Our Continuity of Care Experience provides you with a real-world midwifery experience.	Approximately 1,000 hours. This degree is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).	Midwife in antenatal, birth, postnatal and neonatal care including special care nurseries; consultancy; independent practice; education; research.
<p>Bachelor of Midwifery (Indigenous Cohort)</p> <p>Honours available.</p> <p>Duration: 3 yrs FT (or equivalent PT)</p>		Apply direct to ACU for this midwifery course designed for Aboriginal and Torres Strait Islander students to study, live and work in their remote and regional communities. The course has four one-week residentials on the Brisbane Campus throughout the year.	Approximately 1,000 hours. This degree is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).	Midwife in antenatal, birth, postnatal and neonatal care including special care nurseries; midwife in Indigenous maternity service; consultancy; independent practice; education; research.
<p>Bachelor of Midwifery (Graduate Entry)</p> <p>Honours available.</p> <p>Duration: 2 yrs FT (or equivalent PT)</p>		If you are a registered nurse or a bachelor-qualified paramedic, and you want to become a midwife, this degree is for you. Learn how to manage normal pregnancy and childbirth, and provide effective postnatal, maternal and newborn care in any maternity setting.	Approximately 1,000 hours. This degree is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).	Midwife in antenatal, birth, postnatal and neonatal care including special care nurseries; consultancy; independent practice; education; research.
<p>Bachelor of Nursing</p> <p>Honours available.</p> <p>Duration: 3 yrs FT (or equivalent PT)</p>		Turn your care and compassion into a rewarding and varied nursing career providing crucial care to people when they need it most. At Australia's largest nursing school, you'll benefit from our strong relationships with more than 200 hospital and healthcare partners.	At least 800 hours. This degree is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).	Medical or surgical nursing; aged care; community-based care; mental health nursing; paediatric nursing. With further study, you can become a clinical nurse specialist in a range of specialties including critical care; mental health; paediatrics; emergency; and operating suite.
<p>Bachelor of Nursing (Enrolled Nurses)</p> <p>Duration: 2 yrs FT (or equivalent PT)</p>		If you have completed an approved and accredited Diploma of Nursing and hold a current Ahpra registration as an enrolled nurse, you can boost your qualification with this two-year degree. Study at Australia's largest nursing school, and you'll get the benefits of our strong relationships with more than 200 hospital and healthcare partners.	At least 720 hours. This degree is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).	Medical or surgical nursing; aged care; community-based care; mental health nursing; paediatric nursing. With further study, you can become a clinical nurse specialist in a range of specialties including critical care; mental health; paediatrics; emergency; and operating suite.
<p>Bachelor of Nursing/ Bachelor of Business</p> <p>Duration: 4 yrs FT (or equivalent PT)</p>		Registered nurses are increasingly moving from bedside care into middle management roles early in their career, where they are expected to take leadership roles in multidisciplinary teams. This double degree will prepare you to meet the evolving business management expectations of contemporary health services.	At least 800 hours. This degree is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).	Medical or surgical nursing; aged care; community-based care; mental health nursing; paediatric nursing; health promotion officer; health care manager; hospital administrator; researcher; business analysis; advertising; human resource management; personal investment; purchasing, buying or trading; employment relations; marketing management; policy administration; financial management; market research; retailing and wholesaling; international trade and investment.

NURSING, MIDWIFERY AND PARAMEDICINE

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
<p>Bachelor of Nursing/ Bachelor of Paramedicine</p> <p>Duration: 4 yrs FT (or equivalent PT)</p>		<p>Gain the skills and knowledge to become both a registered nurse and a registered paramedic with this double degree. You'll gain valuable practical experience in a range of healthcare environments, enabling you to respond to high-pressure situations with compassion and sound clinical reasoning.</p>	<p>At least 800 hours of nursing placements, as well as five paramedic placement units in a range of clinical environments.</p> <p>This degree is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC). It is also accredited with conditions with the Paramedicine Accreditation Committee (PAC), and is approved by the Paramedicine Board of Australia (ParaBA).</p>	<p>Nurse; paramedic in state or international jurisdictional ambulance services; clinical supervisor; clinical educator. With further study in nursing, you can work in specialty areas such as: critical care; paediatrics; emergency; operating suite. After completing a graduate internship with a jurisdictional ambulance, you may consider completing further postgraduate study to gain specialist knowledge and skills in advanced practice, intensive critical care, community paramedicine, clinical education and research.</p>
<p>Bachelor of Paramedicine</p> <p>Honours available.</p> <p>Duration: 3 yrs FT (or equivalent PT subject to availability)</p>		<p>One of the swiftest evolving health professions, paramedicine is a dynamic and fast-paced occupation. You will experience authentic learning and diverse clinical experiences to ensure you develop key attributes for the role. And you'll graduate with real-world clinical experience in emergency and non-emergency out-of-hospital settings.</p>	<p>There are five paramedic placement units in a range of clinical environments.</p> <p>This degree is accredited with conditions with the Paramedicine Accreditation Committee (PAC), and is approved by the Paramedicine Board of Australia (ParaBA).</p>	<p>Paramedic in state or international jurisdictional ambulance services. You may work in non-jurisdictional roles such as palliative care, community health services, mining or industrial settings. After completing a graduate internship with a jurisdictional ambulance, you may consider completing further postgraduate study to gain specialist knowledge and skills in advanced practice, intensive critical care, community paramedicine, clinical education and research.</p>

WITH MEANINGFUL COMMUNITY ENGAGEMENT

OUR INDUSTRY CONNECTIONS

During your psychology degree, you'll volunteer in a real-world setting as part of your community engagement experience. This will enable you to reflect on your own knowledge and skills, collaborate with others, and work with people from diverse backgrounds including those who have experienced disadvantage.

Students have completed community engagement experiences with:

- educational organisations
- health organisations
- Integrative Psychology
- Orygen – Headspace
- social organisations
- St Vincent's CRUFAD
- Strong Minds
- welfare organisations.

Registration pathways to becoming a psychologist

Our Bachelor of Psychological Science, Bachelor of Psychological Science (Honours) and our double psychology degrees are APAC-accredited Level 1 programs providing foundational competencies.

To obtain provisional registration as a psychologist, you must have completed a fourth year of study in

psychology and enrolled in a postgraduate psychology coursework program. At ACU, we offer a standalone fourth-year honours degree as well as a combined Level 1 and 2 Bachelor of Psychology (Honours).

Upon completing a Level 2 program, you have the option of applying for a fifth and sixth year of study, or a fifth year of study followed by a one-year internship of supervised practice.

OUR INDUSTRY CONNECTIONS

Our hands-on courses put you in front of the class. You'll get to teach in a range of educational settings at different stages of your degree to ensure your practical experience evolves alongside your theoretical knowledge in education. We have collaborative partnerships with many educational organisations, schools, early childhood centres,

community groups and agencies. These relationships give you the opportunity to develop your knowledge, skills and experience through embedded learning experiences and placements.

Graduates from these courses are eligible to gain teacher registration to teach in Catholic, government and independent schools and education settings.

Note:

To apply for all Initial Teacher Education courses, students in Victoria will need to complete the ACU Teacher Selector Statement or CASPer test. This forms part of your application for admission into a teaching course in Victoria. For more information, visit acu.edu.au/teaching-requirements

To successfully complete your course, all students will be required to demonstrate you have met mandatory approved benchmarks in both literacy and numeracy by undertaking the LANTITE (Literacy and Numeracy Test for Initial Teacher Education).

TEACHING AND EDUCATION

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
<p>Bachelor of Psychological Science/ Master of Teaching (Primary)</p> <p>Duration: 4.5 yrs FT (or equivalent PT)</p>		<p>Meet the challenges of a contemporary classroom with a deep understanding of human behaviour. Study this double degree and you'll have a career in primary teaching with a unique edge. You'll gain a foundation in psychological principles examining aspects of thinking and behaviour (including memory, cognition, learning, motivation and emotion), and an understanding of why people behave the way they do. Graduates who wish to practise as a psychologist or counsellor will need to undertake further study in psychology, as required by the Psychology Board of Australia.</p>	<p>Minimum 80 days of embedded professional experience.</p> <p>This course has accreditation from the Australian Psychology Accreditation Council (APAC) and is pending final accreditation with the Victorian Institute of Teaching (VIT).</p>	<p>Primary school education; education research; play education specialist; learning designer; curriculum development; education consulting; government education policy making.</p>
<p>Bachelor of Arts/Master of Teaching (Secondary)</p> <p>Duration: 4 yrs FT (or equivalent PT)</p>		<p>Accelerate your studies and gain a postgraduate teaching qualification. An initial teacher education course, this double degree is fast-tracked so you'll be able to graduate with an undergraduate degree and a postgraduate teaching qualification in just four years.</p>	<p>Minimum 80 days of embedded professional experience.</p>	<p>Secondary school teacher; educator in community education centres and private colleges; policy development.</p>
<p>Bachelor of Arts (Western Civilisation)/ Master of Teaching (Secondary)</p> <p>Duration: 4.5 yrs FT (or equivalent PT)</p>		<p>Study a rich liberal arts degree together with an initial teacher education qualification with some of the brightest students and scholars in Australia. This double degree allows you to pursue a multidisciplinary Bachelor of Arts centred on key texts of the Western intellectual tradition, followed by a Master of Teaching (Secondary) enabling you to become a fully qualified teacher of secondary English and another teaching area.</p> <p>Generous scholarships available to support your studies funded by the Ramsay Centre, including limited extra financial support for applicants from regional and rural areas.</p>	<p>Minimum 80 days of embedded professional experience.</p>	<p>Secondary school teacher; educator in community education centres and private colleges; policy development.</p>
<p>Diploma in Educational Studies (Tertiary Preparation)</p> <p>Duration: 1 yr FT</p>		<p>If you want to complete a pre-service teaching degree but don't meet the subject prerequisite requirements or selection rank, this is for you. After successfully completing this pathway course and meeting the non-academic requirements, you can enter your chosen education degree and gain credit for some of the completed units.</p>		

TEACHING AND EDUCATION

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
<p>Diploma in Educational Studies (Tertiary Preparation) (Away from Base)</p> <p>Duration: 1 yr FT</p>		<p>The Diploma in Educational Studies (Tertiary Preparation) is available by direct entry application to Aboriginal and Torres Strait Islander students in Away from Base mode. It enables Aboriginal and Torres Strait Islander students to live and work in their local community, while studying and attending four one-week residential on campus throughout the year.</p> <p>Only early childhood and primary units are available in this study mode.</p>		
<p>Master of Teaching</p> <ul style="list-style-type: none"> • Early childhood and primary • Primary • Secondary <p>Duration: 2 yrs FT (or equivalent PT)</p>		<p>Build on your existing qualifications to become a teacher. If you've already completed an undergraduate degree that aligns with an area of school curriculum, our Master of Teaching courses will give you the skills to become a qualified teacher.</p> <p>You can also combine your Master of Teaching with the Graduate Certificate in Religious Education to gain the certification and knowledge to teach religious education in Catholic schools in addition to your other teaching areas.</p>		

Secondary teaching areas

We offer a broad range of teaching areas in our secondary education courses. These vary across campuses and degrees, meaning not all majors and minors are available in each degree or at each campus, so make sure you check the website or contact AskACU for more information.

We also offer a range of exciting employment-based internship programs for our Master of Teaching (Secondary) course, including Teach For Australia, Turn to Teaching, Teach Tomorrow and our All Points To Teaching programs.

Theology and philosophy

Theology and philosophy are for enquiring minds – those eager to explore life’s big questions through faith and reason. In theology you’ll examine Christian faith and scripture, and reflect critically on how belief shapes culture and society. In philosophy, you’ll engage with a rich tradition of thought while tackling contemporary issues, challenging assumptions and working collaboratively to seek truth.

THEOLOGY AND PHILOSOPHY

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
<p>Bachelor of Theology</p> <p>Honours available.</p> <p>Duration: 3 yrs FT (or equivalent PT)</p>		<p>Engage critically with the Catholic intellectual tradition and explore the fundamental questions of what it means to be human; questions of knowledge, identity and value. You will develop an understanding of the complex realities of religion across history, while gaining insight into contemporary challenges – graduating with a wide range of adaptable skills, ready for careers in the public sphere, religious organisations and academia. Engage with the full breadth of the discipline of theology, with majors such as biblical studies and Christian thought, and the flexibility to choose units from other disciplines, including a major drawn from the Bachelor of Arts.</p> <p>You can also study at our Rome Campus or at one of our partner universities around the world, join an international study tour or participate in an archaeological excavation.</p>	<p>Minimum 70 hours of community engagement.</p>	<p>Chaplain; minister of religion; youth minister; social worker; pastoral associate or lay minister; community worker or advocate; theology lecturer, researcher or academic; journalist or writer; primary school teacher or secondary school teacher with further study.</p>
<p>Bachelor of Theology/ Bachelor of Philosophy</p> <p>Honours available.</p> <p>Duration: 4 yrs FT (or equivalent PT)</p>		<p>Combining the study of theology and philosophy isn't just intellectually rewarding, it is also culturally and professionally enriching. Engage with humanity's big questions and develop a highly transferable set of skills that will complement any career path you choose. Across your degree, you will explore the nature of truth, reality, ethics, power and beauty, while developing your understanding of Christian faith and practice and its core texts. Through your study of the intellectual foundations of the modern world, you will be equipped to respond powerfully to professional and social challenges to come.</p> <p>If you're interested in an overseas experience, you can study at our Rome Campus or at one of our partner universities around the world, join an international study tour or participate in an archaeological excavation.</p>	<p>Minimum 70 hours of community engagement.</p>	<p>This course provides an ideal undergraduate basis for a wide range of careers needing postgraduate qualification, such as theology/philosophy lecturer; researcher or academic; journalist or writer; chaplain; minister of religion; youth minister; pastoral associate or lay minister; community worker/advocate; ethics consultant to businesses; bioethics or healthcare ethics consultant; public policy advisor; diplomatic or consular officer; teacher or curriculum designer; counsellor, social worker or psychologist.</p>

THEOLOGY AND PHILOSOPHY

Course	Prerequisites, campuses, and sample course map	Description	Professional experience/ accreditation	Career examples
Certificate in Philosophy Duration: 1 yr PT		The Certificate in Philosophy is for those who want to pursue an interest in philosophy or update their existing knowledge. Students can undertake units available in the Bachelor of Theology/Bachelor of Philosophy. The Certificate in Philosophy is an alternative pathway into the Bachelor of Theology/Bachelor of Philosophy for domestic, fee-paying students. Credit can be granted for the units already undertaken.		
Certificate in Theology Duration: 1 yr FT		The Certificate in Theology is for those who want to pursue an interest in theology or update their existing knowledge. It also provides an alternative pathway into the Bachelor of Theology or the Bachelor of Theology/Bachelor of Philosophy for domestic, fee-paying students. Credit can be granted for the units already undertaken.		

Majoring/minoring in philosophy

Studying philosophy is a practical choice. Whether you choose to specialise in the area or take a few units as part of your professional degree, philosophy will broaden and enrich your studies, preparing you with skills to succeed across a variety of careers. You will sharpen your clarity of thought, be exposed to a broad range of ideas, and further develop qualities prized by employers, such as communication and critical thinking.

- The Bachelor of Theology/Bachelor of Philosophy allows you to immerse yourself in contemporary philosophy, its history and its deep connections with theology.

- The Bachelor of Philosophy/Bachelor of Laws allows you to complete your studies toward accredited legal practice while also completing a full philosophy major, including the philosophy of law.
- The Bachelor of Human Rights includes a sequence of philosophy units and other philosophy elective options.

There are also other ways to major or minor in philosophy. You can complete a philosophy major or minor in the Bachelor of Arts, Bachelor of Psychological Science/Bachelor of Arts and Bachelor of Theology. You can complete a philosophy minor in the Bachelor of Psychological Science. Other courses also allow you to take one or more philosophy units.

Timetables, units and course maps

What will my timetable look like? How many units will I study? What are classes like at uni? Studying an undergraduate degree – eg a bachelor's degree – is very different to studying at high school. You won't be in class from 9am – 3pm five days a week, and the structure of courses and classes is also different.

Here is a quick rundown of a few key topics to help you understand what's involved when you study at university.

TIMETABLES

Timetables depend on the course you choose and if you decide to study full-time, part-time or in an accelerated mode. As a full-time student, you may be able to squeeze all your subjects into three days a week – but you also need to set aside time to read, research, review and complete assignments and exams.

Full-time uni schedules are typically designed so you have the flexibility to work part-time – so you can earn money, volunteer or pursue other passions while you study.

CLASSES

Classes are in different formats and may be held face-to-face, online or through a mix of the two. You'll usually have lectures (typically a large group of students with an academic presenting), tutorials (smaller group discussions with an academic) and workshops/practicums/placements (interactive experiences where you refine your skills). Practicums/placements often occur in real-world settings – for example, a business student may

complete an internship at a company, a nursing student will do a placement at a hospital, and an education student will do a placement at a school.

UNITS AND ASSESSMENT

Units are the subjects within your course. Each unit has a specified number of credit points that count towards your degree. Degrees will have core units that must be completed as part of the course, and electives that can be chosen from a selection of units for your course.

Each unit will also have its own assignments and exams, and each of these assessments will have a different percentage weighting towards your final result. For example, in one unit you may have a written assignment worth 40% of your final result, a multiple-choice exam worth 20% of your final result, and a group presentation worth 40% of your final result.

Assessments will vary for each unit you are studying and can include things like written reports, written essays, group presentations, individual oral presentations, in-class practical examinations/demonstrations, multiple-choice exams and quizzes.

SAMPLE FIRST SEMESTER TIMETABLE

	MON	TUE	WED	THU	FRI
9am	Subject 1 (lecture)		Subject 3 (lecture)	Subject 4 (tutorial)	
10am					
11am				Subject 4 (lecture)	
12pm	Subject 1 (tutorial)				
1pm					
2pm			Subject 2 (tutorial)	Subject 3 (tutorial)	
3pm	Subject 2 (lecture)				

SAMPLE COURSE MAP

The structure of your degree, or course map, will vary depending on what you choose to study. Here is a general example of how your course may look. For a more precise idea, find your course of interest on our website and check out the course map: acu.edu.au/courses

YEAR 1	Semester 1	Major	Minor	Minor	Elective
	Semester 2	Major	Minor	Minor	Core Curriculum
YEAR 2	Semester 1	Major	Minor	Minor	Elective
	Semester 2	Major	Major	Minor	Elective
YEAR 3	Semester 1	Major	Major	Core Curriculum	Capstone and Community Engagement or Elective
	Semester 2	Major	Minor	Capstone and Community Engagement	Capstone and Community Engagement or Elective

STUDENT SUCCESS COACHING

If you are studying an ACU Online course or a single online unit, you can access personalised support through our Student Success Coaches. Our dedicated coaches work with you one-on-one to help build effective study habits, connect with your motivations and define what success looks like for you. This service is designed to help you take confident steps toward achieving your goals.

Applying to ACU

We know that applying for a uni course can seem a bit confusing at times. So, we've broken it down into three easy steps.

1

Choose the course you'd like to study, and check the entry requirements

Visit acu.edu.au/courses

2

View our entry and pathway programs

Visit acu.edu.au/pathways

3

Apply for your chosen undergraduate course through UAC, QTAC or VTAC – depending on your location

- UAC (NSW and ACT) at uac.edu.au
- QTAC (Qld) at qtac.edu.au
- VTAC (Vic) at vtac.edu.au
- For select courses you can apply direct to ACU

acu.edu.au/apply

Pathways to ACU

If you're worried that you won't get into your preferred university course, don't panic. That's why we have admission pathways.

They provide alternative options if you didn't get the selection rank you need, haven't completed Year 12, or don't meet some other requirement.

Pathways to an ACU degree

COMPLETE A PATHWAY DIPLOMA OR CERTIFICATE

If you haven't met the minimum ATAR for a course, lack the required prerequisites, or are making a significant transition into tertiary education, ACU's pathway courses can help.

By completing one of our pathway courses in a field similar to the degree you'd like to study at ACU, you may be able to apply for a Commonwealth supported place (CSP), and gain credit towards your ACU degree.

For example, our pathway diplomas offer a stepping stone into selected bachelor's programs. They provide strong support through small class sizes, personalised assistance and access to a wide range of student services. Upon successful completion, students can progress into various undergraduate degrees with credit for the first year of their chosen field, enabling direct entry into second year.
acu.edu.au/pathway-certificates-and-diplomas

FOUNDATION STUDIES

The Foundation Studies Program is your pathway to an undergraduate degree at ACU if you don't have a recognised Year 12 qualification. The program builds your academic skills, confidence, and readiness for university study.

Whether you study online or on campus, you'll receive personalised support and all necessary resources – including textbooks, lab equipment, and access to ACU systems and facilities.

The curriculum covers English and academic skills, mathematics, science, humanities, law and business. You'll gain familiarity with university expectations and build meaningful connections within the ACU student community.

The program is offered as accelerated (one semester) or full (two semesters), depending on your prior education. Study options include on-campus (Blacktown or Melbourne), fully online, or a mix of both. Completion guarantees entry into most ACU undergraduate degrees, provided you meet the entry requirements.

acu.edu.au/fs

Pathways through ACU

TRANSFER BETWEEN CAMPUSES

ACU has campuses around Australia, so you may be able to enrol at a campus and then transfer to your preferred location later on.

acu.edu.au/transfers

TRANSFER BETWEEN COURSES

You can apply to study a course with similar subjects and transfer to your ideal course later on. And as you may receive credits for completed units, it may not take you any longer to complete your degree.

acu.edu.au/transfers

FIND YOUR PATHWAY

Use our Pathway Finder to discover which courses have relevant pathway programs in your study areas of interest.

acu.edu.au/pathway-finder

Learn more
acu.edu.au/pathways

NON-ATAR PATHWAYS

Your vocational education and training (VET) studies could offer a pathway into ACU. We recognise a range of VET qualifications, including certificate III, certificate IV, diplomas and advanced diplomas, which may provide entry to an undergraduate degree. Plus, we have partnership agreements with some TAFE and other VET providers which may give you a guaranteed pathway and/or credit towards your degree. Visit our website to find out more.

Note: In NSW, ACT and Qld, current school leavers applying through the TAC may also be eligible for adjustment factors, which can further boost your selection rank.

acu.edu.au/vet

PATHWAYS THROUGH THE WORKFORCE

Not everyone goes straight to uni after finishing high school. If you're 21 years or older, your work and life experience can potentially be converted into a selection rank for entry into your chosen degree. Your rank will be based on criteria such as your skill level at work, and how long you have been in the role.

acu.edu.au/work-and-life-pathway

PATHWAYS THROUGH OTHER INSTITUTIONS

If you're studying at another university, and you'd like to make the switch to ACU, you can apply to study with us. You may also be eligible for credit towards your degree with us.

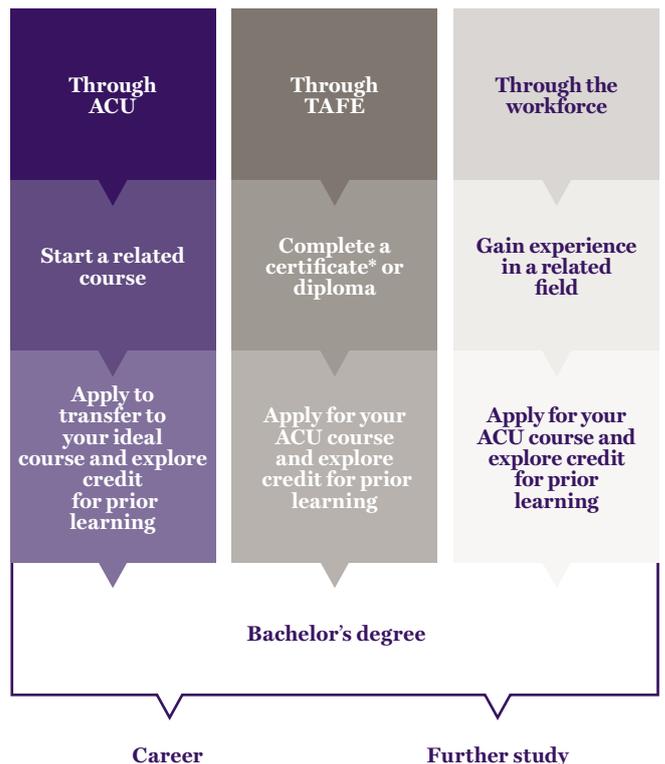

acu.edu.au/priorlearning

SKILLS FOR TERTIARY ADMISSIONS TEST

If you don't have a selection rank, or a recent academic history, you can still get into university. The Skills for Tertiary Admissions Test (STAT) is a two-hour, multiple-choice aptitude test that allows applicants who are 21 years or older to demonstrate their potential for tertiary study.

acu.edu.au/stat

FIND YOUR PATH TO ACU

**Certificates recognised for entry vary across states. Certificates are not eligible for credit for prior learning.*

Are you eligible for credit?

Learn about credit for prior learning at ACU.

acu.edu.au/priorlearning

Entry programs

We value more than your selection rank or qualifications. That's why we offer a range of entry programs that will consider your personal circumstances and achievements when you apply to ACU.

ELITE ATHLETE AND PERFORMER PROGRAM

As an elite athlete or performer, you're always reaching for the top. And we'll help you get there. The Elite Athlete and Performer Program (EAPP) is designed to help you balance elite sporting and performance commitments with your studies and university life. Program benefits include access to priority allocation status for preferential class

selection, flexible study options, academic support, financial scholarships, representative subsidies and gym access on eligible campuses. EAPP eligible students also qualify for course entry assistance to study at ACU. Learn more about the EAPP and apply on our website.

acu.edu.au/eapp

VETERAN ENTRY PROGRAM

If you are a current or former member of the Australian Defence Force (ADF), or a family member of ADF personnel, you may be eligible for ACU's Veteran Entry Program (VEP). We'll assess your service in the military and convert it to a selection rank, so you can gain entry to an ACU program. You may also be eligible for credit towards your university degree through our recognition of prior learning program. Once you're an ACU

student, our Student Veteran Support Program (SVSP), as well as a range of other services offered by the Student Veteran Services team, will give you the tools and support you need to transition to student life and succeed. Spouses, partners and children of past and present ADF personnel can apply for the VEP family pathway in recognition of the sacrifices you have made to support your loved one's service.

acu.edu.au/veterans

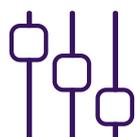

ABORIGINAL AND TORRES STRAIT ISLANDER ADMISSION PROCESS

As an Aboriginal or Torres Strait Islander, you may be eligible to apply for entry to ACU through our specialised admission process, which considers more than just your ATAR. This process involves meeting with a member of an Indigenous Higher Education Unit and a faculty representative to evaluate your potential based on your previous studies,

life experiences, and achievements. Most course applications are submitted through the relevant state Tertiary Admissions Centre (UAC, QTAC, or VTAC). For more information, please contact the Indigenous Higher Education Units.

acu.edu.au/atsi

MAXIMISING YOUR CHANCES

Adjustment factors can help you gain access to university by boosting your selection rank. If you are eligible, your selection rank will automatically be adjusted. Visit the website for more information on the adjustment factor programs available at ACU.

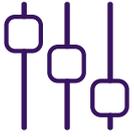

acu.edu.au/adjustmentfactors

EDUCATIONAL ACCESS SCHEMES

If you have been unable to reach your full potential or had restricted access to the courses of your choice due to life experiences, such as financial

hardship, personal illness, home environment and responsibilities, education disruption and English language difficulties, you may be eligible for an educational access scheme. Applications for the Educational Access Scheme (Qld, NSW and ACT) and Special Entry Access Scheme (Vic) must be made directly to your Tertiary Admissions Centre. You can receive up to six points for the Educational Access Scheme. You can receive up to seven points for the Special Entry Access Scheme.

acu.edu.au/adjustmentfactors

SCHOOLS RECOMMENDATION SCHEME (NSW/ACT)

The Schools Recommendation Scheme (SRS) makes yearly offers to domestic school leavers currently completing Year 12 or an International Baccalaureate qualification in Australia. The scheme is available for courses at our North Sydney,

Strathfield, Blacktown and Canberra campuses. To apply, you must submit your undergraduate admission application and a separate SRS application to UAC.
acu.edu.au/srs

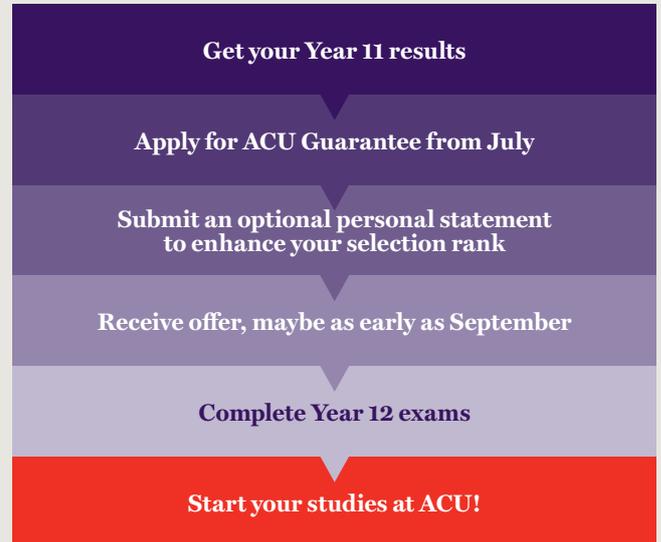

ACU GUARANTEE

Early offer program

Guarantee your place at ACU, even before your Year 12 exams. The ACU Guarantee program offers eligible Year 12 students a place at ACU based on Year 11 results.

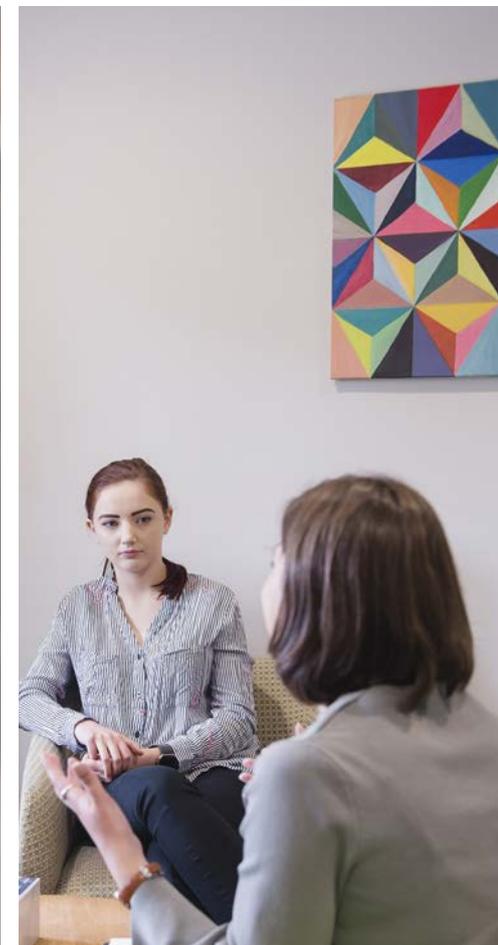

You can view sample statements and FAQs, and complete your free online application, on our website.

acu.edu.au/acu-guarantee

“I originally chose to study here because I liked the small campus. I applied through the ACU Guarantee program, and it was nice that my community service was taken into consideration and given just as much importance as my academic record.”

Kiamah
Psychological science

Fees and scholarships

Scholarships

We believe that where you come from doesn't have to define where you're going. And while there are financial commitments that come with university study, this shouldn't stop you from pursuing your goals. That's why we offer around 1,000 scholarships each year to support you along the way.

“I chose to study at ACU as I received an academic scholarship to study biomedical science and the university’s reputation for producing quality, employable graduates appealed to me.”

Zaina
ACU scholarship recipient

TYPES OF SCHOLARSHIPS

Our scholarships range in value from \$1,000 to \$160,000, and are available to eligible students studying in every discipline across all of our campuses.

Our scholarships fall into two categories:

- Merit scholarships – awarded to students who have excelled in some area.
- Equity scholarships – provide support to students who are facing financial hardship or other disadvantages.

We also offer scholarships which can help with costs associated with student accommodation.

CREATING OPPORTUNITY FUND (COF) SCHOLARSHIPS

To create even more opportunities for our students, we’ve developed our COF scholarships. These scholarships aim to break down barriers to higher education by helping students experiencing financial hardship or other disadvantages reach their potential. Valued at \$4,000 each, they are designed to support you to achieve your goals, no matter what circumstances you may be facing.

APPLYING

It always pays to apply. You never know when you may be successful and scholarships can be a huge help. You’re welcome to apply for as many scholarships as you’re eligible for. Check out our online scholarship browser to explore opportunities and find the ones that are right for you. Applications are submitted online.

acu.edu.au/scholarships

Fees

Most Australian students will be studying in a Commonwealth supported place (CSP), where the Australian Government makes a contribution to the cost of your study, and you pay the ‘student contribution’.

Depending on the course, a CSP undergraduate student at ACU in 2026 pays between \$4,736 and \$17,392 per year of study. These fees may change for 2027.

Most Australian students pay their student contribution through the HECS-HELP scheme. This means the government lends you the money, and you start repaying the loan once your income gets above a certain amount. Alternatively, you can pay your student contribution upfront by the due date.

There are also a range of other loan schemes and government financial assistance available. For more information, visit studyassist.gov.au

GOVERNMENT AND OTHER FUNDING OPPORTUNITIES

If you’re a domestic student enrolled in a nursing, midwifery, teaching or social work degree, you may be eligible for the Commonwealth Prac Payment (CPP) while you complete your mandatory placements. This support payment is designed to help you manage the costs associated with undertaking unpaid practical placements.

You can also explore a range of other generous government funding initiatives and external scholarships. Visit acu.edu.au/financing-your-studies

OTHER COSTS

As a student, you will also need to consider a range of expenses such as the student services and amenities fees, living costs, textbooks, computer equipment and uniforms (if applicable to your course).

Selection rank guide and course directory

These figures indicate the lowest selection rank (including adjustment factors) to which an offer was made in 2026, at the time of publication. They are indicative so should only be used as a guide. It's essential you view the most current details for your course, including where the course is offered, at acu.edu.au/courses

Discover ACU

Try out life as an ACU student and discover our degrees for yourself.

acu.edu.au/discover-acu

Open Day

Every year we throw open our doors and invite you to join us on campus. If you've got questions, we'll be waiting with the answers at Open Day.

openday.acu.edu.au

Information events

Throughout the year we hold a range of webinars and events to help you find out more about careers and courses. You'll have the opportunity to talk to lecturers and staff as well as past and present students.
