In recognition of Aboriginal and Torres Strait Islander people's deep spiritual connection to Country, and in continuing the university's commitment to reconciliation, it is customary to acknowledge Country as we pass through it.

Our residential management and administration teams are responsible for the management, strategic direction and daily operations of each residence. Our administration teams are available during office hours Monday to Friday to provide service and support to all residents.

RESIDENTIAL ADVISOR TEAM

Our Residential Advisor team (RAs) consists of full-time students who live in residence. They are responsible for developing and delivering the Residential Life Program. This program consists of regular in-house events that are aimed at ensuring each resident has a positive and enjoyable experience living in residence. The RAs are also on hand to assist with any urgent enquiries. If you require an RA to respond to a situation, please contact them via the duty phone (see Important Contacts on page 24).

RAs are chosen for their leadership skills, community participation, and demonstrated commitment to improving student life in ACU's Living and Learning Communities. We welcome any of our residents to apply for the role. Applicants must commit to staying on the property for at least two semesters.

You will be contacted for the check-in date. Once you arrive, a staff member will provide you with a welcome pack containing your key, wifi information (Camillus & St Columba's only), maps of the local area, transport information, and a room condition report. For late check-in, please speak to the accommodation office to arrange.

Under 18s

There are special requirements and considerations for students living in residences who are under the age of 18.

Before being offered an occupancy agreement, each applicant, who will be under 18 at the start of the academic year, will be required to have an interview with one of the residential team members, either face-to-face or via an online video service. This is to ensure that the adult environment of student accommodation will be right for them. Once approved, a parent or legal guardian will be required to co-sign the Occupancy Agreement.

While a student is under the age of 18 on residence, a parent or guardian will be contacted in the instance of ill health, breach of agreement, disciplinary actions, or any other concerns regarding the student. It is expected that students under the age of 18 adhere to a zero-alcohol policy.

These procedures have been put in place to ensure the safety of students under 18 years of age while living in student accommodation. All ACU student accommodation staff have completed Working with Children Checks.

Residential life events

ACU's Living and Learning Communities aim to provide opportunities for personal development and connection with peers. We encourage greater academic achievement, promote health and wellbeing, and help to develop teamwork skills and provide a positive overall student experience.

COMPULSORY INDUCTION PROGRAMS AND MEETINGS

You will be required during your tenancy to attend and complete compulsory induction briefings and meetings prior to your arrival at residence, and during your tenancy.

Residential induction

All residents will receive an email outlining how to complete their residential induction. There are two components that students will need to complete/attend:

1. Respect.Now.Always

This online component will be compulsory for all residents to attend prior to arriving at residence. It will focus on ACU's Student Accommodation's zero tolerance for sexual harassment and assault.

An annual survey will be conducted within residence. The data collected from this survey will assist the university to track its management of gender-based violence, including any sexual misconduct in residence. This data helps to improve incident management and response.

2. Face-to-face inductions

Face-to-face inductions will be delivered during O Week and on an ad hoc basis as required. We will focus on understanding the community spirit of our student residences, what to expect during your first few weeks of Semester, highlight key rules and provide additional information about the residential facilities.

Residents who fail to attend and/or complete their residential induction will receive a disciplinary breach.

Community or disciplinary related meetings

From time to time, you will need to attend any community or disciplinary meetings. These will be arranged by LLC Management as required.

ACU's residential team will communicate with you mainly via email and ACU Life during your stay, but may also contact you by phone, text, social media or in writing delivered to your door in person. It is your responsibility to ensure Residential Management has updated contact details. Should your contact details change during your time in residence, you can update these via the housing portal.

Failure to respond to Residential Management within a reasonable time frame may result in disciplinary action.

Behaviour and respect

SEXUAL MISCONDUCT

Sexual harassment and assault are never OK. All our students, staff and visitors should feel safe and respect at ACU. We have zero tolerance for sexual harassment and assault, and we expect our staff and students to behave in a manner that is respectful, inclusive and fair on every ACU campus, at all times.

Sexual assault is unwanted behaviour that can take many forms – touching, kissing, exposure, sexual images being taken without consent, and any form of sexual penetration. Sexual assault or harassment is never the fault or responsibility of the victim/survivor. If you feel that you have been sexually assaulted or harassed, there is support available to you.

You can find information on:

- consent
- reporting an incident
- finding support

via the ACU [Respect.Now.Always](#) website. Please also refer to ACU's [Student Sexual Misconduct Prevent and Response Policy](#) for more information.

To report sexual assault or sexual harassment, residents can speak to an onsite Safety Support Officer or one of the Living & Learning Communities staff (Monday to Friday, 8am-5pm) or a Residential Advisor; or contact the ACU National Security Centre on 1300 729 452.

If you require an emergency response, call Emergency Service on Triple Zero (000).

CLEANING

Residents are responsible for cleaning their room and house regularly. You are responsible for cleaning your individual room, as well as working with the other residents in your house to ensure that common areas are kept clean and tidy.

Through these inspections we can address cleanliness issues or health and safety risks, note any damage to the property, and log outstanding maintenance items.

If you do not pass the first inspection, you will be given ample opportunity to remedy the issues noted during inspection. Getting around

THE LOCAL AREA

Ballarat is a regional city with all the modern amenities of larger cities while retaining the country feel of a large town. Parking is usually easy to find and navigating the city is easily done with residents recognising that the city revolves around Sturt St as the main thoroughfare.

PUBLIC TRANSPORT

ACU campus is close to most of our accommodation but there are public transport options. There are buses running throughout the city and you can find your best options [here](#).

TRAVELLING TO ACU CAMPUSES

Travel to the Ballarat campus is easy and as most students drive, if you don't have transport, it's more than likely you can catch a ride with fellow residents and parking is plentiful. Just talk with your housemates. Most houses are walking or bike riding distance from campus and there are buses and taxis available as well.

Departing from residence

Residents are responsible for noting the end date of their contract and preparing for check-out. Please advise the team of your check-out time and date, particularly if it is prior to the end of your contract end date. You are required to vacate your house prior to 10am on the contract end date.

EARLY DEPARTURE

Please keep in mind that our occupancy agreements are legally binding contracts. You are bound by the terms stated on the reference schedule once your occupancy agreement is signed and executed. If you leave or are evicted from the property for whatever reason, prior to your occupancy agreement end date, you are still obliged to continue to pay rent for the remainder of your occupancy agreement.

If you can find another student willing to take over your lease for the remainder of your contract, you may be released from your obligations under the reference schedule. The prospective resident will need to apply online, and the break-lease will only be confirmed once the student has signed their new lease and their security deposit is paid. A break-lease fee to the value of one week's rent as per your occupancy agreement, applies. The break-lease fee is deducted from security deposit, and any overpaid fee is refundable. For further information, please ask a member of the accommodation team for the break lease information sheet.

FINAL CLEAN

All residents are required to pay a standard \$90 maintenance fee via the portal prior to checking in to your house. This fee is required to cover items that need regular cleaning, such as steam cleaning carpets and mattresses. This fee is not intended to cover a final clean of your room when checking out of the property. Before you check-out, please ensure that your house is thoroughly cleaned, and all personal items and rubbish are removed to avoid additional cleaning charges.

If you would like to arrange for a professional departure cleaning, please speak to accommodation team for pricing.

KEY RETURN

Once you have cleaned and removed all personal items from your apartment, you can drop your key into the key return box in the foyer. If you fail to return your key, you will receive a \$20 lost key charge.

Departing from residence

DEPARTURE INSPECTIONS

Houses are inspected **after** departure. You will be held liable for any damages not raised in your room condition report on check-in. If the room is not thoroughly cleaned, professional cleaners will be contracted to clean the house at a cost to you. The final clean of the house is a responsibility shared between all residents in the house. If issues are found in the final inspection and not remedied by house mates, professional cleaners will be contracted to clean the house. The cost of cleaning common areas will be divided among the residents in the house.

SECURITY DEPOSIT

Security deposit refunds are initiated after a departure inspection. If professional cleaning is deemed necessary or any damages necessitate repair or replacement, residents will be held responsible for these costs. Such charges, along with any outstanding account fees, will be deducted from your security deposit.

The balance of the security deposit will be returned to the original account from which it was initially deducted within 30 days of your departure. In the case that the original account has been closed, kindly reach out to our front desk team before checking out. They will assist you in arranging a new security deposit refund form and a statutory declaration to confirm the closure of the initial account.

ACU may deduct an amount from the security deposit for:

- the cost of repairs or maintenance in your room or facility due to damage caused by you
- if you do not return your room key when you check out
- any Occupancy Fee or other amounts owing under your Occupancy Agreement that are outstanding at the time of check out.
