# Think you know ACU?

You're just getting started.  
It's education, but not as you know it.

## MEANINGFUL EDUCATION, NOT MASS PRODUCTION

At ACU, it's education, but with a bigger purpose. We're a university committed to standing up for people in need and causes that matter. If you've got the desire to make an impact, we'll give you the skills to change the world. And if you want to start making an impact now – you can. Coach kids' soccer in East Timor, help refugee children with their homework, nurse patients in Vanuatu, or teach in remote Indigenous communities – just to start.

## WE SEE THE WHOLE PERSON

Everyone is welcome at ACU. We're inclusive and supportive of everyone, every day, and our students feel it – giving us five stars for overall experience, learner engagement and skills development.\* We'll get to know you, and we will make sure you get the most out of your uni experience.

*\* Good Universities Guide 2018*

## A PERFECT FIT

We've grown rapidly over the last few years, but you will find us more supportive than ever. Our campuses and classes are the perfect size, and you won't get lost in the crowd. Your lecturers will know your name, and you'll make great friends and strong networks.

## WE'VE GOT YOUR BACK

Whether it's figuring out how to enrol or finding the best coffee on campus, we'll help you out in person, online, by phone, or even SMS. And if you need support with your studies, or counselling services, we've got that covered too.

[acu.edu.au/askacu](http://acu.edu.au/askacu)

### GETTING JOB-READY, FROM DAY ONE

We know that the best way to get ahead is hands-on, practical experience. That's why our campuses have world-class facilities like nursing simulation labs, fully functioning ambulances, art galleries and moot courts. All our courses offer work placements, internships with leading companies, or volunteering opportunities. And the results speak for themselves – we're top three in Australia for undergraduate employment.\*

*\*Overall employment rate, Federal Government's Graduate Outcomes Survey, 2016*

### RELAX, OR DON'T, IN YOUR DOWNTIME

We've worked hard to create campus spaces that are relaxed, inviting, and fun. And with clubs and societies for everything from photography, to French, to skiing – we're bound to have a group that's right for you.

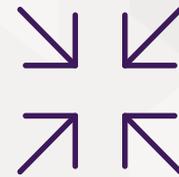

### THE WORLD IS OUR CAMPUS

We're young, but we are making our mark. We're ranked in the top 50 of Generation Y universities worldwide\* and in the top 10 Catholic universities\*\* – alongside Georgetown University and Boston College in the US. We've got more than 200 partner universities on six continents, community engagement opportunities around the globe, and a campus in Rome, Italy.

*\*Times Higher Education Young University Rankings 2017*

*\*\*Times Higher Education World University Rankings, IFCU members 17/18*

### THERE'S MORE THAN ONE WAY INTO ACU

There's no right or wrong way to get into university, so if you don't get the mark you need, don't panic. That's why we have pathways. They provide alternative options if you didn't get the score you need, haven't completed the prerequisites, or don't meet some other requirement. See page 92.

### FINANCIAL SUPPORT

We know that balancing the cost of living and study can be tricky. So we offer nearly 400 scholarship opportunities which recognise academic achievement, community participation, and help out students from a range of backgrounds. See page 97.

### A SPACE OF YOUR OWN

Living in student accommodation is one of the best ways to get the most out of your uni experience. With ACU accommodation you'll get academic support, make lifelong friends, and be part of a fun and close-knit community.

# Our neighbourhoods

We've got seven campuses around Australia, and a campus in Rome, Italy. Each one is unique, but they're all dynamic, inviting and great places to learn. Head to [acu.edu.au/tour](https://acu.edu.au/tour) to take a virtual tour of your campus.

## ADELAIDE

Our Adelaide Campus is one of our newest additions, and primarily offers postgraduate courses in theology.

## BALLARAT

Our Ballarat Campus is located in the centre of Ballarat, just over an hour from Melbourne. Situated amid historic gardens and beautiful old buildings, and a block from Lake Wendouree, it has a lot to offer. Explore the grounds, enjoy a home-cooked meal at the canteen, and soak up the community vibe.

- Central location
- Free parking
- Brand new physiotherapy building with labs and simulation rooms

## BRISBANE

Whether you want to get involved in campus life, create a professional network, or just find a quiet place to study — our Brisbane Campus has you covered. Set on 40 hectares of parklands, the campus has ample parking, state-of-the-art learning facilities, and places to hang out like cafes and a swimming pool.

- Free parking and shuttle bus
- State-of-the-art health labs
- ACU Health Clinic

## CANBERRA

Just five kilometres from the city centre, our Canberra Campus has a lot on offer. With a campus lounge, swimming pool and beautiful landscaped gardens, you'll have plenty to keep you busy between classes.

- State-of-the-art nursing and health sciences labs
- High-tech exercise science lab
- Brand new library and 300-seat lecture theatre

## MELBOURNE

Our Melbourne Campus is right next to the cafes, art galleries and live music venues of Brunswick Street. Kick back with a coffee on our rooftop garden or hang out with friends in one of our cafes.

- Close to six tram routes, bus routes and Parliament Station
- Award-winning library
- Art gallery and media production studios

## NORTH SYDNEY

Just across the Harbour Bridge from the city centre, our North Sydney Campus is a great place to study and relax.

- State-of-the-art nursing simulation labs
- Brand new speech pathology and occupational therapy labs
- Moot court, for simulating real-life court proceedings

## ROME

Our Rome Campus is located on Janiculum Hill and has a rich history. It sits on a sprawling property that boasts extensive gardens and terraces to enjoy beautiful views of the city.

- Close to the Vatican and popular tourist sites
- Newly renovated, onsite residential accommodation
- Community engagement opportunities

## STRATHFIELD

Our Strathfield Campus is set amid beautiful landscaped grounds and historic buildings, with excellent transport links. Whether you want to have a friendly match on our rugby and soccer ovals or take in a show at our art gallery, there's always something going on.

- Free parking and shuttle bus
- Popular art gallery
- High-tech biomechanics lab

# Life at ACU

Uni shouldn't be just about your studies. At ACU, you'll join a thriving campus community, make friends for life, and be as busy, or relaxed, as you like.

## GET AHEAD BY GIVING BACK

At ACU we're all about making an impact. So why not start today? We offer a huge range of community engagement and volunteering opportunities, both in Australia and overseas. [acu.edu.au/acuengagement](https://acu.edu.au/acuengagement)

---

## STUDENT ACCOMMODATION

Living in student accommodation is one of the best ways to get the most out of your university experience. With ACU accommodation you'll get academic support, make lifelong friends, and be part of a diverse and close-knit community. You will also have access to unique sporting, leadership, spiritual, and community engagement opportunities through the direct support services we provide. Our residences are safe and affordable. We have accommodation available in Ballarat, Canberra, Brisbane and Sydney – where you can enjoy the flexibility of an off-campus lifestyle.

[acu.edu.au/accommodation](https://acu.edu.au/accommodation)

---

## JOIN A CLUB

Whatever your interest – there's a club or society for you. You can play sport competitively or just for fun, improve your photography, learn a language, or join the performing arts set.

---

## YOUR ASSOCIATION

The ACU National Student Association (ACUNSA) elects student leaders and is run by students, for students. They make sure your voice is heard, and organise a range of events, opportunities, and activities. Joining is the perfect way to get involved in uni life.

## HERE TO HELP

Whether it's figuring out how to enrol or finding the best coffee on campus, we can help. And if you need assistance with your studies, financial advice, counselling services, or tailored support for students with disabilities – we've got that covered too.

[acu.edu.au/askacu](https://acu.edu.au/askacu)

---

## CAREER ADVICE

Get help with interview skills, resume writing and career path options. If you want to earn some extra money while studying, there are student jobs available on campus.

[acu.edu.au/careersupport](https://acu.edu.au/careersupport)

---

## ORIENTATION

Get a feel for uni life, see where you'll be studying, and find friends while finding your feet.

[acu.edu.au/orientation](https://acu.edu.au/orientation)

---

## INDIGENOUS STUDENTS

Our Indigenous Higher Education Units on each campus offer academic, personal and cultural support in a welcoming and culturally safe space.

[acu.edu.au/indigenoussupport](https://acu.edu.au/indigenoussupport)

---

## CAMPUS MINISTRY

Our Campus Ministry teams work to bring the distinctive Catholic identity and Mission of ACU to life.

[acu.edu.au/campus-ministry](https://acu.edu.au/campus-ministry)

---

A group of people are gathered outdoors, holding a globe. The scene is captured from a low angle, looking up at the globe and the people's hands. The background shows green foliage and a bright sky. A red-bordered text box is overlaid on the image, containing a list of countries categorized by continent. The text is white and bold. The globe shows various continents and countries, with labels like 'AFRICA', 'ASIA', and 'OCEANIA' visible. The people's hands are visible, some wearing bracelets and watches. The overall atmosphere is one of global unity and exploration.

OF OUR BACHELOR  
DEGREE STUDENTS  
TRAVEL OVERSEAS  
DURING THEIR  
STUDIES

---

Want to study health sciences in Italy? Global studies in Mexico? Theology in Israel? Learning abroad programs can count towards your degree, and with more than 200 partner institutions, you can choose from a huge range of international opportunities.

More than 25 per cent of our undergraduate students travel overseas during their studies. You can join a study tour, complete an internship, do a semester or short exchange, participate in community engagement, or take our unique international Core Curriculum program.

Learning abroad programs can be as short as two weeks or as long as a semester, and there are generous travel grants available.

[acu.edu.au/study\\_overseas](https://acu.edu.au/study_overseas)

# See the world through the eyes of others.

At ACU, we know that you are more than your degree. That's why we encourage you to look at our world with empathy, compassion and confidence. To learn to listen, and to lead. To challenge stereotypes, and develop the courage you need to make an impact.

And that's at the heart of our Core Curriculum. It's a key part of every ACU student's university experience – giving you time to reflect on and identify ways you can change the world for the better by applying the principles of Catholic Social Thought:

- The dignity of the human person – every person is valued, has innate dignity and is worthy of respect.
- Solidarity – we are one human family whatever our national, racial, ethnic, economic, and other differences.
- The common good – everyone is entitled to access what they need to live a fulfilled and meaningful life. Everything we do should serve the greater good of humanity.
- Rights and responsibilities – every person has a fundamental right to those things required for human flourishing. Corresponding to these rights are responsibilities, to one another, to our families, and to society.
- Stewardship of the earth – it is our collective responsibility to care for the world we inhabit.

The Core at ACU is made up of three units, one of which is a community engagement unit. The program is taught by academic staff from all faculties of our university.

You'll be in classes sharing ideas with students from other disciplines, ensuring different informed viewpoints, and lively debate.

Core units can be taken face-to-face, online, or intensively. There's even the chance to complete a unit overseas – in cities such as Rome, Leeds, Beijing, Paris or New York.

Eligible students may also elect to undertake a unit in philosophy in their first or third year, as an alternative to the Core units.

[acu.edu.au/thecore](https://acu.edu.au/thecore)

# Arts and humanities

One degree offers many courses of action.

Life is all about exploring your interests and discovering new ones. As an arts and humanities student, you'll be challenged every day to see the world from a new perspective.

# Bachelor of Arts

 Brisbane, Melbourne, Strathfield  3 yrs FT (or equivalent PT), 2.5 yrs FT in accelerated mode

An ACU arts degree is extremely flexible, so you can design the course around your interests and career goals. You will explore vital contemporary issues and learn to gather and evaluate evidence, think critically, communicate effectively, and apply ethical principles in decision-making. With us, you'll get real-world experience through our Big Ideas: Social Enterprise and Innovation project or community engagement placements, international study tours, and study abroad opportunities.

**Prerequisites:** **Qld:** English (4, SA). **Vic:** units 3 and 4 – a study score of at least 25 in English (EAL) or 20 in any other English. **NSW:** none.

**See our website for assumed knowledge.**

**ACU pathways into this course:** Certificate in Liberal Studies

**ACU pathways to further study:** Master of Teaching

## Bachelor of Arts study options

Students in the Bachelor of Arts choose two majors, or one major and two minors and electives. Every subject that is a major can also be studied as a minor. **Major:** 80 credit points (cp) **Minor:** 40 cp

SEQUENCE	BRISBANE	MELBOURNE	STRATHFIELD

	Semester 2	Community engagement and paramedic practice innovations		Pre-hospital major incident management	Consolidated and extended paramedic practice

## Bachelor of Paramedicine (Professional Entry)

 Online  2 yrs PT  Apply directly to ACU

If you are a diploma-qualified paramedic working in the industry, and would like to boost your qualifications with a bachelor degree, this program is for you. You will build on the skills which prepare you to provide unscheduled, out-of-hospital care to patients of all ages, with health issues that span the spectrum of illness and injury.

**Prerequisites:** To apply for this program you must have completed a professional qualification in paramedicine, be employed as a paramedic, and be registered as a paramedic with the Australian Health Practitioner Regulation Agency (AHPRA).

SAMPLE COURSE MAP – BACHELOR OF PARAMEDICINE (PROFESSIONAL ENTRY)			
YEAR 1	Semester 1	Evidence for practice	Ethics in contemporary practice
	Semester 2	Advanced pharmacology	Major incident and disaster management
YEAR 2	Semester 1	Pre-hospital management of the chronically ill patient	Elective
	Semester 2	Inter-professional practice	Advanced decision-making

# Philosophy

Want better answers?  
Ask bigger questions.

Philosophy is both an ancient tradition of thought, and a cutting edge contemporary discipline that provides you with the skills to think deeply and beyond the 'taken for granted'. It's transformative for every life and every profession. So start a conversation, challenge your thinking, and ask the big questions.

# Bachelor of Theology/Bachelor of Philosophy

 Ballarat, Brisbane, Canberra, Melbourne, North Sydney\*, Strathfield  4 yrs FT (or equivalent PT)

Combining the study of theology and philosophy isn't just intellectually rewarding, it's also culturally enriching, socially valuable, and will give you skills prized by employers. You will explore the foundations of the modern world and the nature of thought, existence and belief systems. This will enhance your ability to engage with and respond to the challenges faced by today's societies, governments and organisations. If you're interested in an overseas experience, you can study at our Rome Campus, at one of our partner universities around the world, or join a study tour to Israel.

**Prerequisites:** Qld: English (4, SA). Vic: units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English. ACT/NSW: none.

	Semester 2	The Bible and social justice** or Theology: integration and synthesis**	Metaphysics and epistemology seminar (PM)		Elective	

\*Students will also undertake units at the Strathfield Campus.

\*\*This unit is offered annually. All other units are offered on a two-year cycle.

Note: Unit offerings vary across all campuses. Philosophy Major (PM) units are flexible. Students can select from a broad range of philosophy units to complete their major (the listed units are examples of available units).

## Majoring/minoring in philosophy

Studying philosophy will broaden and enrich your studies and prepare you with the skills to succeed across a variety of careers. It's a practical choice. You will sharpen your clarity of thought, be exposed to a broad range of ideas and further develop qualities prized by employers, such as communication and critical thinking. You can complete a philosophy major or minor in the Bachelor of Arts, Bachelor of Psychological Science/Bachelor of Arts and Bachelor of Theology. Or you can complete a philosophy minor in the Bachelor of Commerce and Bachelor of Psychological Science. Other courses also allow you to take one or more philosophy units.

# Physiotherapy

**It takes strength  
to make them stronger.**

As a physiotherapist, you will help people recover from a wide range of health conditions and movement disorders. You'll improve quality of life for children, teenagers and adults.

# Bachelor of **Physiotherapy**

 Ballarat, Brisbane, North Sydney  4 yrs FT

As a physiotherapist, you will work with people who have problems with their cardiorespiratory, musculoskeletal or neurological systems. By optimising movement and function, you'll help people overcome movement disorders, either present at birth or associated with ageing or life-changing events. An embedded honours program is available from third year for high-achieving students.

**Prerequisites:** **NSW:** English (standard), or English (advanced), or ESL (band 4 for all), plus at least one of biology, chemistry or physics (band 2 for all). **Qld:** English (4, SA), and one of biology, chemistry or physics (4, SA). **Vic:** units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English, and a minimum study score of 25 in one of biology, chemistry or physics.

**Professional experience:** More than 1,000 hours.

**Accreditation:** The Brisbane and North Sydney programs are accredited by the Australian Physiotherapy Council. The Ballarat program is accredited for three years with conditions. Graduates are eligible for registration with the Health Practitioner Regulation Agency (AHPRA). Students are eligible for membership of the Australian Physiotherapy Association.

SAMPLE COURSE MAP – BACHELOR OF PHYSIOTHERAPY					
YEAR 1	Semester 1	Physiotherapy anatomy 1	Human biology 1	Psychology for allied health	Foundations of physiotherapy practice 1
	Semester 2	Physiotherapy anatomy 2	Human biology 2	Self and community: exploring the anatomy of modern society	Foundations of physiotherapy practice 2
YEAR 2	Semester 1	Pathophysiology for physiotherapy	Neuroscience for physiotherapy	Research and evidenced-based practice for physiotherapy	Musculoskeletal physiotherapy practice 1
	Semester 2	Clinical exercise physiology for physiotherapists	Cardiorespiratory physiotherapy practice 1	Movement science for physiotherapy	Musculoskeletal physiotherapy practice 2
YEAR 3	Semester 1	Neurological physiotherapy practice 1	Cardiorespiratory physiotherapy practice 2	Musculoskeletal physiotherapy practice 3	Justice and change in a global world
	Semester 2	Neurological physiotherapy practice 2	Health care ethics	Paediatric physiotherapy practice	Integrated physiotherapy practice in selected populations
YEAR 4	Physiotherapy practice in complex health care issues				
	Semester 1	Physiotherapy clinical practice 1	Physiotherapy clinical practice 2	Physiotherapy clinical practice 3	
	Semester 2	Physiotherapy clinical practice 4	Physiotherapy clinical practice 5	Physiotherapy clinical practice 6	
Professional physiotherapy practice					

# Psychology

Making sense of the world  
makes a world of sense.

As a psychologist, you will empower others to improve their lives. And gain the skills to make a real difference to individuals and the community.

# Bachelor of Psychological Science

Melbourne, Strathfield 3 yrs FT (or equivalent PT)

Explore how the mind works, and why people behave the way they do. Our program looks at human behaviour and includes a focus on Indigenous and multicultural issues, to reflect Australian society today.

**Prerequisites:** **NSW:** English (standard) (band 2) or English (advanced) (band 2) or EAL (band 3). **Vic:** units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English.

**Accreditation:** This program is currently accredited by the Australian Psychology Accreditation Council (APAC) and approved by the Psychology Board of Australia (PsyBA). Upon completion of an APAC accredited undergraduate degree, students who go on to complete either the honours or Graduate Diploma in Psychology will be eligible for provisional registration as a psychologist with the PsyBA. Please note that after completion of an APAC accredited undergraduate degree, a further minimum of three years education and training in psychology are required to register as a psychologist in Australia.

SAMPLE COURSE MAP – BACHELOR OF PSYCHOLOGICAL SCIENCE

YEAR 1	Semester 1	Self and community: exploring the anatomy of modern society	Foundations of psychology	Introduction to counselling	Minor 1
	Semester 2	Applications of psychology	Research design and statistics 1	General elective*	Minor 2
YEAR 2	Semester 1	Lifespan development	Research design and statistics 2	Learning and behaviour	Minor 3
	Semester 2	Individual differences	Abnormal psychology	General elective* or Psychology elective*	Minor 4
YEAR 3	Semester 1	Social psychology	Research design and statistics 3	Psychological services experience	Brain and behaviour
	Semester 2	Cognitive psychology	Justice and change in a global world	Psychological assessment	General elective* or Psychology elective*

\*Students must take at least one general elective and at least one psychology elective.

# Bachelor of Psychological Science/Bachelor of Arts NEW

Melbourne, Strathfield  4 years FT (or equivalent PT)

Psychological science explores how the mind works, and why people behave the way they do. Our arts students learn to gather and evaluate evidence, think critically, and apply ethical principles in decision-making. Combine these degrees and you will be well equipped to help people address issues and challenges in their lives.

**Prerequisites:** **NSW:** English (standard) (band 2) or English (advanced) (band 2) or EAL (band 3). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or 25 in any other English.

See our website for assumed knowledge.

**Accreditation:** This is a new program, and is in the process of gaining accreditation from the Australian Psychology Accreditation Council (APAC) and the Psychology Board of Australia (PsyBA). Upon completion of an APAC accredited undergraduate degree, students who go on to complete either the honours or Graduate Diploma in Psychology will be eligible for provisional registration as a psychologist with the PsyBA. Please note that after completion of an APAC accredited undergraduate degree, a further minimum of three years education and training in psychology are required to register as a psychologist in Australia.

# Bachelor of Psychological Science/ Bachelor of Commerce

 Melbourne, North Sydney/Strathfield\*  4 years FT (or equivalent PT)

Psychological science explores how the mind works, and why people behave the way they do. Our commerce degree can be tailored to your interests, from human resource management to marketing. Together, they provide a world of opportunities.

**Prerequisites:** **NSW:** English (standard) (band 2) or English (advanced) (band 2) or EAL (band 3). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or 25 in any other English.

**Accreditation:** This is a new program, and is in the process of gaining accreditation from the Australian Psychology Accreditation Council (APAC) and the Psychology Board of Australia (PsyBA). Upon completion of an APAC accredited undergraduate degree, students who go on to complete either the honours or Graduate Diploma in Psychology will be eligible for provisional registration as a psychologist with the PsyBA. Please note that after completion of an APAC accredited undergraduate degree, a further minimum of three years education and training in psychology is required to register as a psychologist in Australia.

SAMPLE COURSE MAP** – BACHELOR OF PSYCHOLOGICAL SCIENCE/BACHELOR OF COMMERCE					
YEAR 1	Semester 1	Introduction to counselling	Foundations of psychology	Managing: people, systems and culture	Money matters
	Semester 2	Applications of psychology	Research design and statistics 1	Marketing: creating and capturing customer value	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Lifespan development	Research design and statistics 2	Human resource management: staffing and employee engagement	Human resource development and performance management
	Semester 2	Learning and behaviour	Abnormal psychology	Business elective	Employment relations and legal frameworks
YEAR 3	Semester 1	Individual differences	Research design and statistics 3	Organisational behaviour	Business elective
	Semester 2	Psychology elective	Psychological services experience	Working with diversity and conflict	Strategic human resource management: analytics, metrics, human capital
YEAR 4	Semester 1	Brain and behaviour	Social psychology	Managing organisational change and development	Sustainable human resource management and stakeholders
	Semester 2	Cognitive psychology	Psychological assessment	Global human resource management and sustainability	Justice and change in a global world

\*Campus availability – students will undertake psychology units at the Strathfield Campus and business units across both Strathfield and North Sydney campuses depending on availability and chosen major.

\*\* Program map will vary depending on the chosen major.

Note: Not all majors and minors will be available on all campuses.

Note: The Bachelor of Commerce is currently under review and the units shown may be subject to change.

# Bachelor of Psychological Science/ Bachelor of Exercise and Sports Science

NEW

Melbourne, Strathfield 4 years FT (or equivalent PT)

Exercise scientists improve the health, performance and participation of individuals, teams and athletes through exercise programming and delivery, athlete training, and health advice. Psychological science explores how the mind works, and why people behave the way they do. Combined, you will be highly skilled in helping clients reach peak performance.

**Prerequisites:** **NSW:** English (standard) (band 2) or English (advanced) (band 2) or EAL (band 3). **Vic:** units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; and a study score of at least 25 in one of biology, chemistry, any mathematics, physical education, physics or psychology.

**See our website for recommended studies.**

**Accreditation:** This is a new program, and is in the process of gaining accreditation from the Australian Psychology Accreditation Council (APAC), the Psychology Board of Australia (PsyBA), and Exercise and Sports Science Australia (ESSA). Upon completion of an APAC accredited undergraduate degree, students who go on to complete either the honours or Graduate Diploma in Psychology will be eligible for provisional registration as a psychologist with the PsyBA. Please note that after completion of an APAC accredited undergraduate degree, a further minimum of three years education and training in psychology are required to register as a psychologist in Australia.

## SAMPLE COURSE MAP – BACHELOR OF PSYCHOLOGICAL SCIENCE/BACHELOR OF EXERCISE AND SPORTS SCIENCE

Year	Semester	Course	Course	Course	Course
YEAR 1	Semester 1	Introduction to counselling	Foundations of psychology	Growth, motor development and ageing	Human biology 1
	Semester 2	Applications of psychology	Research design and statistics 1	Anatomical foundations of exercise science	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Lifespan development	Research design and statistics 2	Functional anatomy	Nutrition and exercise
	Semester 2	Individual differences	Abnormal psychology	Physiological bases of exercise	Mechanical bases of exercise

	Semester 2	Individual differences	Abnormal psychology	Psychology elective	Minor 4
YEAR 3	Semester 1	Social psychology	Research design and statistics 3	Psychological services experience (community engagement)	Brain and behaviour
	Semester 2	Cognitive psychology	Justice and change in a global world	Psychological assessment	Critical thinking and research skills for psychology
YEAR 4	Semester 1	Honours thesis A		Research methods	Professional issues and ethics
	Semester 2	Honours thesis B		Assessment and intervention	Psychology elective

# Science

## Discover your world through a world of discovery.

When you're a scientist, you are a pioneer of change and discovery. You might explore new ways of curing or treating disease, research new medical techniques, or contribute towards a more sustainable world.

## Bachelor of Biomedical Science

 Brisbane, Melbourne, North Sydney  3 yrs FT (or equivalent PT)

If you're interested in science and its practical application, health care, and how the human body works – biomedical science could be for you. You will learn methods for diagnosing, analysing and treating disease. You'll also gain practical laboratory experience in areas such as anatomy and physiology, biochemistry, genetics, immunology, microbiology, and molecular and cellular biology.

**Prerequisites:** **NSW:** English (standard) (band 3) or (advanced) (band 3) or EAL (band 4), and any two units of maths (band 3). **Qld:** English (4, SA) and mathematics A, B or C (4, SA). **Vic:** units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English, and a minimum study score of 25 in mathematics (any).

**Professional experience:** 185 hours, including 80 hours of community engagement and 105 hours of industry immersion.

SAMPLE COURSE MAP – BACHELOR OF BIOMEDICAL SCIENCE					
YEAR 1	Semester 1	Foundations of chemistry	Cells and tissues: the fabric of life	Theory and practice of science	Numerical reasoning
	Semester 2	Self and community: exploring the anatomy of modern society	Elective	Human body in health and disease 1	Research and experimental design
YEAR 2	Semester 1	Issues in bioethics or Health care ethics	Human body in health and disease 2	Introductory biostatistics	Biochemistry
	Semester 2	Pharmacology 1	Epidemiology	Communicating ideas in science	Elective
YEAR 3	Semester 1	Justice and change in a global world	Industry immersion 1	Elective	Elective
	Semester 2	Community engagement	Industry immersion 2	Elective	Elective

Note: Electives can be chosen from the offerings of any faculty in the University, and should be discussed with the course coordinator.

## Bachelor of Biomedical Science/ Bachelor of Applied Public Health

 Melbourne  4 yrs FT (or equivalent PT)

In our biomedical science degree, you will study life processes to understand how the human body works, and learn ways to diagnose, analyse and treat disease. In our public health degree you'll look at applying that knowledge to improve systems and services. Combine the two, and you will be helping to prevent disease, prolong life, and promote health and wellbeing in individuals and populations around the world.

**Prerequisites:** **Vic:** units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English, and a minimum study score of 25 in mathematics (any).

**Professional experience:** 290 hours, including 80 hours of community engagement and 210 hours of industry immersion.

SAMPLE COURSE MAP – BACHELOR OF BIOMEDICAL SCIENCE/BACHELOR OF APPLIED PUBLIC HEALTH					
YEAR 1	Semester 1	Cells and tissues – the fabric of life	Theory and practice of science	Foundations of public health	Indigenous health and culture
	Semester 2	Self and community: exploring the anatomy of modern society	Foundations of chemistry	Experimental and research design	Foundations of health promotion
YEAR 2	Semester 1	Numerical reasoning	Biochemistry	Elective	Globalisation, environment and health
	Semester 2	Human body in health and disease 1	Epidemiology	Public health economics and policy	Biomedical science elective
YEAR 3	Semester 1	Introductory biostatistics	Human body in health and disease 2	Public health law and ethics	Community engagement
	Semester 2	Communicating ideas in science	Community and public health nutrition	Public health emergency response	Community engagement
YEAR 4	Semester 1	Justice and change in a global world	Industry immersion 1 or Applied public health 1	Public health entrepreneurship	Intellectual property law
	Semester 2	Programs and practices in health promotion	Industry immersion or Applied public health 1 or 2	Communication in public health	Biomedical science elective

# Bachelor of Biomedical Science/ Bachelor of Business Administration

📍 Brisbane, Melbourne, North Sydney 🕒 4 yrs FT (or equivalent PT)

As a biomedical scientist, you will understand life processes and how the human body works, and ways to diagnose, analyse and treat disease. Combine it with a comprehensive knowledge of business and skills in managing people, and you've got all the career options you need.

**Prerequisites:** **NSW:** English (standard) (band 3) or (advanced) (band 3) or EAL (band 4), and any two units of maths (band 3). **Qld:** English (4, SA) and maths A, B or C (4, SA). **Vic:** units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English, and a minimum study score of 25 in mathematics (any).

**Professional experience:** 185 hours, including 80 hours of community engagement and 105 hours of industry immersion.

SAMPLE COURSE MAP – BACHELOR OF BIOMEDICAL SCIENCE/BACHELOR OF BUSINESS ADMINISTRATION					
YEAR 1	Semester 1	Numerical reasoning	Theory and practice of science	Managing: people, systems and culture	Money matters
	Semester 2	Self and community: exploring the anatomy of modern society	Foundations of chemistry	Experimental and research design	Marketing: creating and capturing customer value
YEAR 2	Semester 1	Cells and tissues – the fabric of life	Biochemistry	Organisational behaviour	Human resource management: staff and employee engagement
	Semester 2	Human body in health and disease 1	Introduction to business law: legal frameworks for businesses	Principles of business economics	Business elective
YEAR 3	Semester 1	Introductory biostatistics or Business data analysis	Human body in health and disease 2	Biomedical science elective	Marketing communications: engaging stakeholders
	Semester 2	Pharmacology 1	Communicating ideas in science	Epidemiology	Health care ethics or Issues in bioethics or Ethical business communication
YEAR 4	Semester 1	Justice and change in a global world	Industry immersion 1	Managing organisational change	Managing entrepreneurship and innovation
	Semester 2	Community engagement	Industry immersion 2	Strategic management	Biomedical science elective

Note: The Bachelor of Business Administration is currently under review and the units shown may be subject to change.

# Social work

Develop your ability  
to create possibility.

As a social worker, you will be working to improve the wellbeing of people within their relationships and communities. You'll advocate for human rights, social change and justice, and empower individuals and communities.

# Bachelor of Social Work

 Brisbane, Canberra, Strathfield  4 yrs FT (or equivalent PT)

If you're interested in human rights, social justice, and changing lives for the better, then you should think about social work. As a social worker you will improve individual and community wellbeing by addressing challenges such as inequality, discrimination, violence and other types of oppression. An embedded honours program is available from third year, for high-achieving students.

**Prerequisites:** **NSW:** any two units of English (band 4). **ACT:** any two units of English (142+). **Qld:** English (4, SA).

**Professional experience:** 1,000 hours

**Accreditation:** This program is accredited by the Australian Association of Social Workers.

SAMPLE COURSE MAP – BACHELOR OF SOCIAL WORK					
YEAR 1	Semester 1	Foundations of psychology	Introduction to sociology	Indigenous health and culture	History, purpose and context of social work
	Semester 2	Applications of psychology	Contemporary society and change	Human rights and social justice	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Lifespan development	Ethics and theories in social work	Social work skills in practice with individuals	Social work with culturally and linguistically diverse communities
	Semester 2	Social work with children, youth and families	Law and social work	Health care ethics	Field education in social work 1 (280 hrs)
YEAR 3	Semester 1	Field education in social work 2 (360 hrs)	Aboriginal and Torres Strait Islander peoples and social work practice	Justice and change in a global world	
	Semester 2	Group work in social work practice	Research in social work	Mental health and social work	Social work and community practice
YEAR 4	Semester 1	Social policy and social work	Elective	Fields of social work practice	Collaborative and interdisciplinary social work practice in organisations
	Semester 2	Field education in social work 3 (360 hrs)	Elective	Elective	

# Bachelor of Human Services

NEW

 Brisbane, Canberra, Strathfield  3 yrs FT (or equivalent PT)

With the rapid evolution and growth of the community welfare sector, there's a strong demand for people who can provide direct services to people in the diverse areas of child and family welfare, disability, corrections, and aged care. This is why we launched the Bachelor of Human Services. You will learn to apply skills from areas such as policy and law, sociology, psychology, and ethics to meet the needs of people and help solve personal and social problems.

SAMPLE COURSE MAP – BACHELOR OF HUMAN SERVICES					
YEAR 1	Semester 1	Introduction to sociology	Foundations of psychology	Indigenous health and culture	History, purpose and context of social work
	Semester 2	Contemporary society and change	Applications of psychology	Human rights and social justice	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Working with CALD communities	Ethics in human services	Lifespan development	Practice skills for human services workers
	Semester 2	Organisations and group processes	Elective	Work with children youth and families 1	Fieldwork placement 1
YEAR 3	Semester 1	Professional communication in human services practice	Aboriginal and Torres Strait Islander peoples and human services	Work with children youth and families 2	Justice and change in a global world
	Semester 2	Mental health unit	Elective	Fieldwork placement 2	Capstone (workplace project)

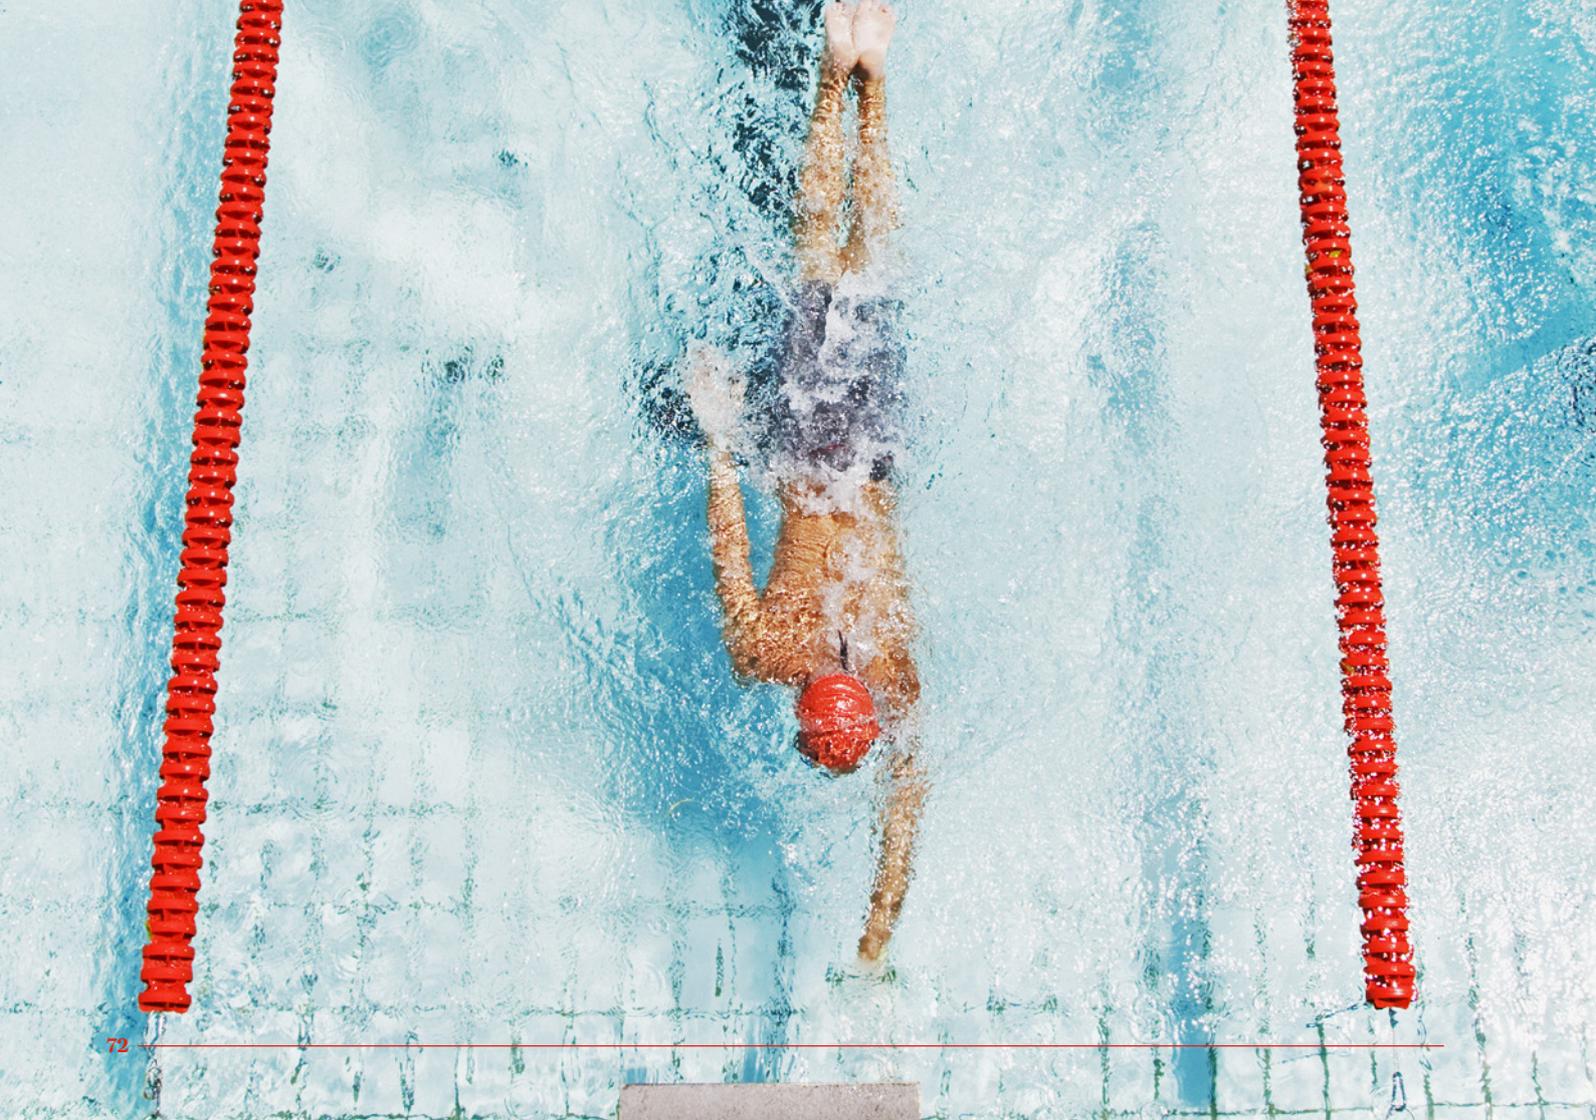

# Sport and exercise science

Exercise your power  
to share the power of exercise.

Help people achieve peak performance, optimal health and wellbeing. If you're passionate about sports, exercise, and health — this is for you.

## Bachelor of Exercise and Sports Science

 Brisbane, Melbourne, Strathfield  3 yrs FT (or equivalent PT)

Through our nationally recognised degree you will learn how to improve the health, performance and participation of individuals, teams and athletes through exercise programming and delivery, athlete training, and health advice. We're connected to a huge range of sporting organisations – from the Australian Institute of Sport to the AFL, NRL, A-League clubs, Tennis Australia and America's NBA. With us you will get the best opportunities for industry placements and future employment in Australia and around the world.

**Prerequisites:** **Qld:** English (4, SA). **Vic:** units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English, and a minimum study score of 25 in one of mathematics (any), biology, chemistry, psychology, physical education or physics. **NSW:** none.

**See our website for recommended studies.**

**Professional experience:** 140 hours

**Accreditation:** This course is accredited by Exercise and Sports Science Australia (ESSA) at the exercise science level.

SAMPLE COURSE MAP – BACHELOR OF EXERCISE AND SPORTS SCIENCE

YEAR 1	Semester 1	Growth, motor development and ageing	Psychology of sport	Nutrition and exercise	Human biology 1
	Semester 2	Anatomical foundations of exercise science	Physiological bases of exercise	Mechanical bases of exercise	Our world: community and vulnerability
YEAR 2	Semester 1	Research and ethics in exercise science	Functional anatomy	Biomechanics	Exercise physiology: adaptation to exercise and the environment
	Semester 2	Health and exercise psychology	Exercise testing, prescription and delivery	Resistance training: science and application	Motor control and learning
YEAR 3		Professional experience preparation			
	Semester 1	Professional experience	Exercise, health and disease	Elective	Elective
	Semester 2	Justice and change in a global world	Elective	Elective	Elective

# Bachelor of High Performance Sport

NEW

 Brisbane, Melbourne, Strathfield  At least 2.5 years

At the heart of high performance sport is the conditioning of the athlete, with the aim of optimising individual and team performance, and keeping them at the top of their game. You will gain skills in sports performance and analysis, exercise programming, and strength and conditioning of athletes. You'll learn to design and deliver programs that enhance athletic performance and reduce the likelihood of injury and illness.

**Prerequisites:** **NSW:** English (any) – minimum band 3. **Qld:** English (4,SA). **Vic:** a study score of at least 30 in English (ESL) or 25 in any other English, plus a study score of at least 25 in one of mathematics (any), biology, chemistry, psychology, physical education or physics.

See our website for recommended studies.

**Professional experience:** 200 hours, starting in second year.

**Accreditation:** This is a new program, and is in the process of gaining accreditation from Exercise and Sports Science Australia (ESSA) and the Australian Strength and Conditioning Association.

SAMPLE COURSE MAP – BACHELOR OF HIGH PERFORMANCE SPORT					
YEAR 1	Semester 1	Growth, motor development and ageing	Psychology of sport	From health to high performance sport	Human biology 1
	Semester 2	Anatomical foundations of exercise science	Physiological bases of exercise	Mechanical bases of exercise	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Research and ethics in exercise science	Functional anatomy	Nutrition and exercise	Exercise physiology: adaptation to exercise and the environment
		Internship preparation for coaching and prescription			
	Semester 2	Motor control and learning	Exercise testing, prescription and delivery	Resistance training: science and application	Health and exercise psychology
YEAR 3	Semester 1	Internship in coaching and prescription	Strength and conditioning: fundamentals of athlete preparation	Biomechanics	Performance analysis in sport
	Winter	Strength and conditioning: prescription for athlete performance			
	Semester 2	Justice and change in a global world	Elective	Elective	

# Bachelor of Physical Activity and Health Science

 Brisbane, Melbourne, Strathfield  3 yrs FT (or equivalent PT)

Gain an in-depth understanding of the role that physical activity, exercise and healthy lifestyles play in wellbeing throughout our lives. A wide range of elective subjects means you can choose to pursue a career in sport and coaching, exercise science, health and health promotion, outdoor leadership, and teaching.

**Prerequisites:** **Qld:** English (4, SA). **Vic:** a study score of at least 30 in English (EAL) or 25 in any other English. **NSW:** none.

See our website for recommended studies.

**Professional experience:** 140 hours

**ACU pathways into this course:** Certificate in Exercise Science, Advanced Certificate in Exercise Science

SAMPLE COURSE MAP – BACHELOR OF PHYSICAL ACTIVITY AND HEALTH SCIENCE

# Bachelor of Sport and Outdoor Education

NEW

📍 Brisbane, Melbourne, Strathfield ⌚ 3 years

Become a leader in outdoor education and recreation. You will learn about human health, wellness and performance, with a focus on the role of sport, exercise and outdoor education. You'll examine these areas from a psychological, physiological and exercise prescription perspective, and explore them in the contexts of community health, wellbeing, recreational physical activity, sports performance and outdoor education leadership.

**Prerequisites:** **NSW:** English (any) – minimum band 3. **Qld:** English (4, SA). **Vic:** a study score of at least 30 in English (EAL) or 25 in any other English.

See our website for recommended studies.

**Professional experience:** 140 hours

**Accreditation:** Teacher registration\*. Depending on the elective units chosen, graduates can seek teacher registration by completing a Master of Teaching. Each state has specific discipline requirements. In Victoria, it is the Victorian Institute of Teaching (VIT), in NSW, the Education Standards Authority (NESA) and in Queensland, the Queensland College of Teachers (QCT). This degree will meet the specific registration requirements in each state. Graduates are eligible for membership with the Australian Council for Health, Physical Education and Recreation (ACHPER).

SAMPLE COURSE MAP** – BACHELOR OF SPORT AND OUTDOOR EDUCATION					
YEAR 1	Semester 1	Growth, motor development and ageing	Foundations of the outdoor experience	Nutrition and exercise	Human biology 1
	Semester 2	Anatomical foundations of exercise science	Journeying in the natural world	Leadership development in team games	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Psychology of sport	The aquatic environment and the outdoor experience	Research and ethics in exercise science	Elective
		Industry experience preparation			
	Semester 2	Physiological bases of exercise	Leadership and the outdoor experience	Motor control and learning	Elective
YEAR 3	Semester 1	Leadership development in physical activity	River journeys and connection to place	Industry experience	Elective
	Semester 2	Justice and change in a global world	Evaluation of the outdoor experience	Elective	Elective

\*Equivalent registration of Certificate III and Certificate IV in Fitness. Depending on the elective units chosen, students can fulfil the required competencies to facilitate student application for equivalent registration of Certificate III and IV in Fitness by completion of second year or after.

\*\*Map may vary depending on campus.

# Bachelor of Exercise Science/ Bachelor of Business Administration

 Brisbane, Melbourne, North Sydney/Strathfield\*  4 yrs FT (or equivalent PT)

Learn how to grow a business while improving the health, performance and participation of individuals, teams and athletes through training, coaching and advice.

YEAR 4	Semester 1	The ecology of childhoods	Professional practice induction	Health, wellbeing and physical education in the early years		Advanced professional practicum
	Semester 2	Early childhood leadership, management and advocacy	Supporting young children's social competence			Extended advanced professional practicum

# Bachelor of Education (Early Childhood and Primary)

📍 Ballarat, Brisbane, Canberra, Melbourne, North Sydney, Strathfield 🕒 4 yrs FT (or equivalent PT)

As an early childhood and primary teacher you will inspire and help children develop critical lifelong skills. Qualified to teach from birth to Year 6, you'll engage them through key curriculum areas like art, music, maths, science and literacy. You will also gain the practical skills to manage social, cultural and developmental diversity. By selecting religious education or theology units, you will be eligible to teach in Catholic and other faith-based schools.

**Prerequisites:** **ACT:** Assumed knowledge: major in English (T), major in mathematics (T). **NSW:** a minimum of three band 5 HSC results, including one in English. Assumed knowledge: two units of mathematics (band 4). **Qld:** English (4,SA), maths A, B or C (4, SA), science (any) (4, SA). **Vic:** required ATAR, English: units 3 and 4 – a study score of at least 30 in English (EAL) or 25 in any other English, mathematics: units 1 and 2 – two units (any study combination) of general mathematics or mathematical methods or specialist mathematics or units 3 and 4 (any mathematics).

**Additional selection criteria:** To apply for this course you will need to complete a suitability for teaching assessment as part of your application. The assessments ensure students have the right mix of non-academic qualities to become an effective teacher – qualities such as professionalism, ethics, communication, and empathy.

**ACU pathways into this course:** Bachelor of Early Childhood Education (Birth to Five Years), Diploma in Educational Studies (Tertiary Preparation), Diploma of Early Childhood Education and Care

**Professional experience:** 95 days. Year 2: 25 days, 20 days, 5 days. Year 3: 15 days, 70 hours community engagement. Year 4: 30-day block.

**Accreditation:** Graduates are eligible for registration as a primary and early childhood teacher in government, independent, Catholic, and other faith-based schools. The course is approved by the Australian Children's Education and Care Quality Authority (ACECQA) as an early childhood teacher qualification.

SAMPLE COURSE MAP – BACHELOR OF EDUCATION (EARLY CHILDHOOD AND PRIMARY)

YEAR 1	Semester 1	Science, inquiry and sustainability	Children's literature for literacy	Contexts for learning and development (B-12)	Indigenous cultures and people (B-12) or Aboriginal and Torres Strait Islander perspectives for educators	
	Semester 2	Exploring mathematics 1	Linguistics for literacy	Creative arts in the early years	Self and community: exploring the anatomy of modern society or What Christians believe	
YEAR 2	Semester 1	Mathematics: learning and teaching 1	Literacy education 1	Teaching and learning: preparing for contexts of the field	Curriculum decision-making in the early years: connections and continuities	
	Semester 2	Exploring mathematics 2	Literacy education 2	Creative arts education: introduction to creative arts	Teaching and managing learning environments	Professional experience upper primary
YEAR 3	Semester 1	Creating inclusive, safe and supportive learning environments	Early childhood curriculum and pedagogy	Positive environments for learning and development	Elective or Introduction to the Bible	Professional experience birth to two years
	Semester 2	Partnerships: inclusive and diverse learning	Personal development, health and physical education 1	Science and technology for early childhood and primary teachers 2	Justice and change in a global world or Christian symbol, ritual and sacrament	Community engagement
YEAR 4	Semester 1	Transition into the profession (B-12)	The ecology of childhood	Science and technology education	Elective or Religious education 1	Professional experience primary 4: extended reflective practice transition into the profession
	Semester 2	Early childhood leadership, management and advocacy	Connecting society and environment: curriculum for learning	Mathematics: learning and teaching 2	Elective or Religious education 2	

# Bachelor of Education (Primary)

📍 Ballarat, Brisbane, Canberra, Melbourne, North Sydney, Strathfield 🕒 4 yrs FT (or equivalent PT)

As a primary teacher you will have a creative, challenging and rewarding career helping and inspiring children to develop important lifelong skills. You will become adept at managing social, cultural and developmental diversity. You can choose to specialise in areas like numeracy and literacy, or select religious education units to teach in Catholic and other faith-based schools.

**Prerequisites:** **ACT:** Assumed knowledge: major in English (T), major in mathematics (T). **NSW:** Assumed knowledge: a minimum of three band 5 HSC results, including one in English, and two units of mathematics (band 4). **Qld:** English (4, SA), maths A, B or C (4, SA), and science (any) (4, SA). **Vic:** required ATAR, English: units 3 and 4 – a study score of at least 30 in English (EAL) or 25 in any other English, mathematics: units 1 and 2 – two units (any study combination) of general mathematics or mathematical methods or specialist mathematics or units 3 and 4: mathematics (any).

**Additional selection criteria:** To apply for this course you will need to complete a suitability for teaching assessment as part of your application. The assessments ensure students have the right mix of non-academic qualities to become an effective teacher – qualities such as professionalism, ethics, communication, and empathy.

**Away from Base (Strathfield):** If you are of Aboriginal or Torres Strait Islander descent you may be eligible to participate in the Away from Base program following an interview with the course coordinator and staff of the campus Indigenous Higher Education Unit. You should have:

- a minimum of three years' work experience; or
- have completed Year 12 or equivalent; or
- demonstrated relevant tertiary study skills or successful completion of a Tertiary Communication Skills program.

**ACU pathways into this course:** Bachelor of Arts, Diploma in Educational Studies (Tertiary Preparation), Certificate in Education Support (Pathway)

**Professional experience:** 80 days. Year 1: 5 days community engagement. Year 2: 10 days, 15 days. Year 3: 20 days. Year 4: minimum 35 days.

**Accreditation:** Graduates are eligible for registration as a primary teacher in government, independent, Catholic, and other faith-based schools.

SAMPLE COURSE MAP – BACHELOR OF EDUCATION (PRIMARY)						
YEAR 1	Semester 1	Foundations of learning	Introduction to mathematical thinking	Children's literature: worlds of fiction	Discipline minor 1	
	Semester 2	Socio-cultural influences on education/community engagement	Digital communication technologies	Global citizens: civics and citizenship in a changing world	Self and community: exploring the anatomy of modern society	
YEAR 2	Semester 1	Education studies and professional experience 1: becoming a teacher	Technologies education	Literacy education 1: curriculum, pedagogy and assessment	Mathematics education 1: curriculum, pedagogy and assessment	Science in our world
	Semester 2	Education studies and professional experience 2: building positive relationships	The arts education 1: curriculum, pedagogy and assessment	Science education 1: curriculum, pedagogy and assessment	Health and physical education 1: curriculum, pedagogy and assessment	Discipline minor 2
YEAR 3	Semester 1	Diversity and inclusive education	The arts education 2: curriculum, pedagogy and assessment	Science education 2: curriculum, pedagogy and assessment	Health and physical education 2: curriculum, pedagogy and assessment	Discipline minor 3
	Semester 2	Education studies and professional experience 3: creating quality learning environments	Humanities and social sciences curriculum, pedagogy and assessment	Literacy education 2: curriculum, pedagogy and assessment	Mathematics education 2: curriculum, pedagogy and assessment	Discipline minor 4

# Pathways into a teaching degree

If you don't meet the requirements for entry into your chosen teacher education course, don't panic. There's more than one way to get into teaching at ACU.

The Bachelor of Education (Birth to Five Years) is a pathway for the Bachelor of Education (Early Childhood and Primary).

The Bachelor of Arts is a pathway for the Bachelor of Education (Primary) and the Bachelor of Teaching/Bachelor of Arts.

## Diploma of Educational Studies (Tertiary Preparation)

 Ballarat, Brisbane, Canberra, Melbourne, North Sydney, Strathfield  1 yr FT  Apply directly to ACU

If you want to complete a pre-service teaching degree in early childhood, primary, or secondary education, but don't meet the entry requirements, this is for you. After successfully completing this pathway course, you can enter your chosen degree and gain credit for completed units.

**Prerequisites:** Year 12 or equivalent.

## Diploma of Early Childhood Education and Care

 Brisbane, Melbourne  2 yrs PT  Apply via ACU College

If you are looking for career advancement in early childhood, or want to complete the Bachelor of Early Childhood Education (Birth to Five Years) but don't meet the entry requirements, this is for you. After successfully completing this pathway course, you can enter your chosen degree and gain credit for completed units.

**Prerequisites:** Year 12 or equivalent. Visit [acu.edu.au/acucollege](http://acu.edu.au/acucollege) for more information.

## Certificate in Education Support (Pathway)

 Brisbane, Melbourne  1 yr PT  Apply via ACU College

If you want to complete a pre-service teaching degree in primary education, but don't meet the entry requirements, this is for you. After successfully completing this pathway course, you can enter your chosen degree and gain credit for completed units.

**Prerequisites:** Year 12 or equivalent. Visit [acu.edu.au/acucollege](http://acu.edu.au/acucollege) for more information.

# Further study to become a teacher

If you've completed an undergraduate degree that aligns with an area of school curriculum, and you want to become a teacher, we've got the postgraduate programs to help you get there. The following courses will allow you to qualify as a teacher, and you can combine them with the Graduate Certificate in Religious Education if you'd like to teach in Catholic and other faith-based schools.

## Master of Teaching (Early Childhood and Primary)\*

 Online  2 yrs FT (or equivalent PT)

**Prerequisites:** To apply for this program you must:

- have successfully completed a bachelor degree or equivalent qualification with subject content studies equivalent to one year of full-time study in one or more learning areas of the primary school curriculum; including subject content studies equivalent to one quarter of a year in a selected subject specialisation of English or mathematics
- demonstrate suitability for teaching.

## Master of Teaching (Primary)

 Melbourne, Strathfield  2 yrs FT (or equivalent PT), 1.5 yrs FT accelerated mode\*\*

**Prerequisites:** To apply for this program you must:

- have successfully completed a bachelor degree or equivalent qualification, with subject content studies equivalent to one year full-time study in one or more learning areas of the primary school curriculum
- demonstrate suitability for teaching.

## Master of Teaching (Secondary)

 Brisbane, Canberra, Melbourne, Strathfield  2 yrs FT (or equivalent PT), 1.5 yrs FT accelerated mode\*\*

**Prerequisites:** To apply for this program you must:

- have successfully completed a bachelor degree or equivalent qualification, with a major study in one teaching area, and a separate minor study in a second teaching area
- be able to select from teaching areas that are available within the course and meet the requirements of applicant's local state/territory registration
- demonstrate suitability for teaching.

\*Pending accreditation approval

\*\* Subject to unit availability

# Theology

Explore religion in society  
and society in religion.

Do you want to explore questions of knowledge, identity, and value, and uncover the meaning of faith seeking understanding? Welcome to theology — food for your inquisitive and enquiring mind.

# Bachelor of Theology

📍 Ballarat, Brisbane, Canberra, Melbourne, Strathfield 🕒 3 yrs FT (or equivalent PT)

Framed by the Catholic intellectual tradition, this course will introduce you to the richness and breadth of theological scholarship. By choosing theology, you will get to explore knowledge, identity and value, and uncover the meaning and significance of faith – graduating with skills prized by employers. You will study systematic theology, ministry, liturgy, ancient languages, biblical studies, and philosophy – with the flexibility to choose units from other disciplines. If you're interested in an overseas experience, you can study at our Rome Campus, at one of our partner universities around the world, or join a study tour to Israel.

**Prerequisites:** Qld: English (4, SA). Vic: units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English. ACT/NSW: none.

**ACU pathways into this course:** Certificate in Theology

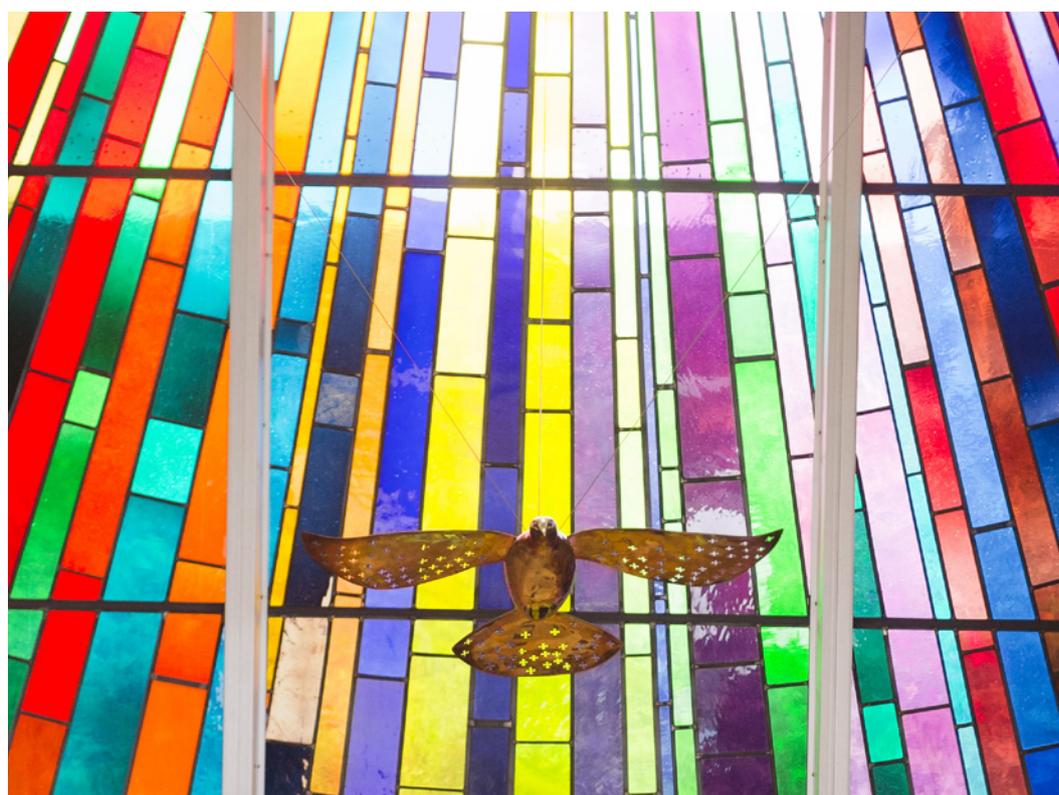

## SAMPLE COURSE MAP – BACHELOR OF THEOLOGY

# Applying to ACU

We know that applying for a uni course can seem a bit confusing at times. So, we've broken it down into five easy steps.

[acu.edu.au/apply](https://acu.edu.au/apply)

1.

## Choose the course you'd like to study, and check the entry requirements

- Browse the courses in this guide.
- Visit [acu.edu.au/courses](https://acu.edu.au/courses)
- Attend Open Day or one of our many info sessions – see the back cover for dates.
- Book a campus tour at [acu.edu.au/campus-tours](https://acu.edu.au/campus-tours)

2.

## Review our entry schemes and scholarship opportunities

- See page 94 and 97 for more information.

3.

## Apply for your chosen course through UAC, QTAC or VTAC – depending on your location

- VTAC (Vic) at [vtac.edu.au](https://vtac.edu.au)
- UAC (NSW and ACT) at [uac.edu.au](https://uac.edu.au)
- QTAC (Qld) at [qtac.edu.au](https://qtac.edu.au)

4.

## If you receive an offer

- Congratulations and welcome to ACU! You will need to accept your offer and complete your enrolment online.

5.

## If you didn't receive an offer

- Don't stress, we provide many different entry options and pathways. Check out page 92 for more information.

# Pathways to ACU

If you're worried that you won't get into your preferred university course, don't panic. That's why we have pathways.

They provide alternative options if you didn't get the score you need, haven't completed Year 12, or don't meet some other requirement.

## PATHWAYS THROUGH ACU

<b>Complete a tertiary preparation course</b>	Think associate degrees, diplomas, and certificates. These are a great pathway for students who don't meet the admission requirements, and we offer a huge range. By completing one of these courses in a field similar to the degree you'd like to study at ACU, you may be able to apply for a Commonwealth Supported Place, and gain credit towards your ACU degree. In some cases, you can go straight into the second year of the relevant undergraduate degree. Attend an info session during the year or contact <a href="http://acu.edu.au/askacu">acu.edu.au/askacu</a> to find the best path for you. <a href="http://acu.edu.au/pathwayprograms">acu.edu.au/pathwayprograms</a>
<b>Complete a vocational education course with ACU College</b>	ACU College (formerly ACUcom) is ACU's Vocational Education and Training (VET) provider and offers a range of certificate and diploma courses that can help you get into your chosen degree. Areas of study include education, nursing, individual support, management and leadership, exercise science and early childhood education. Applications are made directly to ACU College. <a href="http://acu.edu.au/acucollege">acu.edu.au/acucollege</a>
<b>Transfer between campuses</b>	ACU has seven campuses around Australia, and entry scores can vary between locations. This means if you're set on a particular degree but don't get the marks to study at your preferred campus, you may be able to enrol at a campus where it has a lower entry score, and then transfer to your preferred location later on. Conditions apply, so visit the website for more details. <a href="http://acu.edu.au/transfers">acu.edu.au/transfers</a>
<b>Transfer between courses</b>	You can apply to study a course with similar subjects but a lower entry score or less prerequisites, and use this as a pathway into your ideal course. And as you'll receive credits for most if not all completed units, it may not take you any longer to complete your degree. <a href="http://acu.edu.au/transfers">acu.edu.au/transfers</a>

### PATHWAYS THROUGH TAFE

We have a wide range of partnership agreements with TAFE and other private VET providers, which guarantee entry into an ACU degree and/or credit for your previous studies.

[acu.edu.au/tafe](http://acu.edu.au/tafe)

### PATHWAYS THROUGH THE WORKFORCE

Not everyone goes straight to uni after finishing high school. If you're 21 years or older, your work and life experience can potentially be converted into a selection rank for entry into your chosen degree. Your rank will be based on criteria such as your skill level at work, and how long you have been in the role.

[acu.edu.au/priorlearning](http://acu.edu.au/priorlearning)

### PATHWAYS THROUGH OTHER INSTITUTIONS

If you're studying at another university, and you'd like to make the switch to ACU, you can apply for a credit transfer.

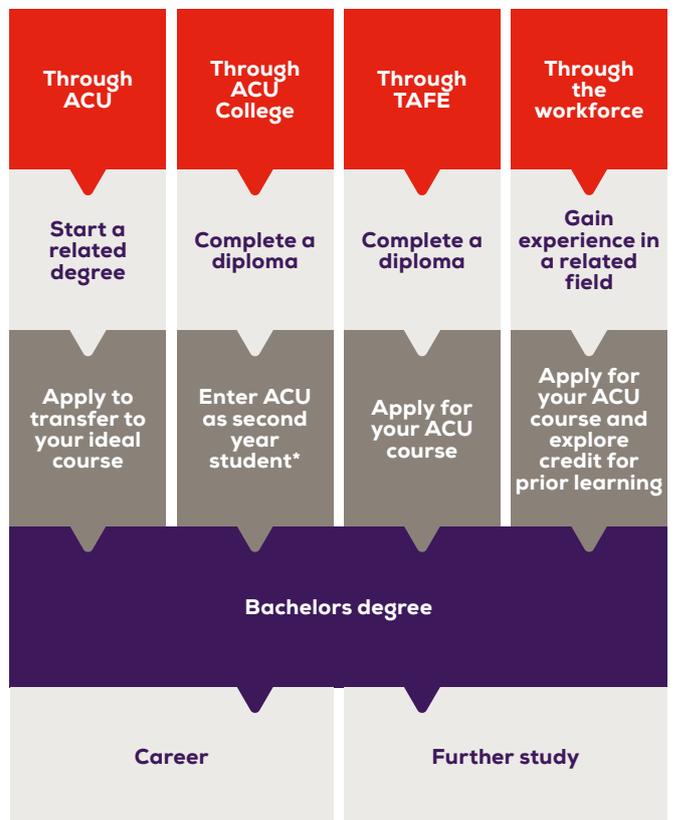

[acu.edu.au/priorlearning](http://acu.edu.au/priorlearning)

### SPECIAL TERTIARY ADMISSIONS TEST

If you don't have a selection rank, or a recent academic history, you can still get into university. The Special Tertiary Admissions Test (STAT) is a two-hour, multiple-choice aptitude test that allows applicants who are 21 years or older to demonstrate their potential for tertiary study.

[acu.edu.au/stat](http://acu.edu.au/stat)

### FIND YOUR PATH TO ACU

\*conditions apply

# Entry schemes

Entry schemes improve your chances of getting into your preferred course, by considering criteria other than your selection rank.

## ELITE ATHLETE AND PERFORMER PROGRAM

As an elite athlete or performer, you're always reaching for the top. And we'll help you get there. The Elite Athlete and Performer Program (EAPP) is designed to help you maintain sporting and performance excellence, while studying. You may receive up to five adjustment factors (previously known as bonus points) when you apply to ACU, and you will benefit from flexible timetables, academic support, and financial scholarships. Apply via the ACU website.

[acu.edu.au/eapp](http://acu.edu.au/eapp)

## PASSION FOR BUSINESS

If you are currently in Year 12, studying a business-related subject, and want to study business or commerce at ACU, you may be eligible for an early offer, and guaranteed entry.

[acu.edu.au/p4b](http://acu.edu.au/p4b)

## PASSION FOR LAW

If you are currently in Year 12 and passionate about studying law at ACU, you may be eligible for an early offer, and guaranteed entry.

[acu.edu.au/p4law](http://acu.edu.au/p4law)

Ryan  
ACU Community Achiever Program student

### COMMUNITY ACHIEVER PROGRAM

(formerly Early Achievers' Program/EAP)

If you regularly volunteer in your community – through your school, workplace, community organisation, or cultural or religious group – you could be eligible for early entry to ACU.

When you apply for our Community Achiever Program, you will be assessed on your positive community impact. If successful, and you meet the prerequisite and minimum entry score requirements for your chosen course, you'll receive an offer as early as August, and benefit from opportunities to enhance your leadership and volunteering skills while studying with us.

Both current Year 12 students and non-school leavers can apply.

Examples of community volunteering include:

- School leadership positions
- St Vincent de Paul Society
- Australian Red Cross
- St John Ambulance
- Surf Life Saving Club

- Lifeline activities
- Youth Ministries Australia
- Local government activities
- Volunteer fire brigade services
- Peer mentoring/support programs
- Regular participation in fundraising activities
- Community liaison groups
- Aged-care facilities
- Music or liturgy groups
- Assisting people with disabilities, refugees or youth at risk
- Scouts or Girl Guides
- Youth group leadership

**Applications open: Tuesday 1 May 2018**

**Applications close: Tuesday 31 July 2018**

For more information and how to apply, visit [acu.edu.au/community-achiever](http://acu.edu.au/community-achiever)

### ABORIGINAL AND TORRES STRAIT ISLANDER ADMISSION PROGRAM

If you are Aboriginal and/or Torres Strait Islander and apply for entry to an ACU program, you may be eligible to apply through our Aboriginal and Torres Strait Islander Admission Program. Through the program you will meet with a member of the Indigenous Higher Education Unit and a faculty representative. Your potential to undertake study will be based upon any of your formal qualifications, life experiences and achievements. Applications for most courses are made directly through the relevant state Tertiary Admissions Centre (UAC, QTAC or VTAC) or for more information you can contact the Indigenous Higher Education Units.

[acu.edu.au/atsi](http://acu.edu.au/atsi)

### SCHOOLS RECOMMENDATION SCHEME – CANBERRA/NORTH SYDNEY/STRATHFIELD

If your school recommends you based on your aptitude or ability in certain areas of study, you may be eligible for early entry to ACU. The Schools Recommendation Scheme (SRS) uses criteria other than or in addition to your ATAR, and applications are made through UAC.

[uac.edu.au](http://uac.edu.au)

### ADJUSTMENT FACTORS

Adjustment factors (previously known as bonus points) can help you gain access to university. If you are eligible, your selection rank will automatically be adjusted to give you a new entry score. There is usually a maximum of 12 points applied across the following schemes:

---

#### Year 12 subject

When you show outstanding achievement in subjects relevant to the course you are applying for.

---

#### Access ACU

**School's relationship:** When you attend a school that has a strong relationship with ACU, is geographically close, or is part of our social and equity pathways.

**Campus:** If you live in an area of strategic importance to an ACU campus.

**Regional schools:** If your school has been identified as regional.

---

#### Educational access schemes

If you have been unable to reach your full potential or had restricted access to the courses of your choice due to life experiences, such as financial hardship, personal illness, home environment and responsibilities, education disruption, and English language difficulties. Applications for the Educational Access Scheme (Qld, NSW and ACT) and Special Entry Access Scheme (Vic) must be made directly to your Tertiary Admissions Centre.

[acu.edu.au/adjustmentfactors](http://acu.edu.au/adjustmentfactors)

# Fees and scholarships

Lay Lay  
ACU scholarship  
recipient

## SCHOLARSHIPS

We believe that where you come from doesn't have to define where you're going. That's why we offer nearly 400 scholarship opportunities. Some award passion and achievement, others are to help you when times are hard. You can apply for as many as you like, so use our online scholarships portal to find the ones that are right for you.

[acu.edu.au/scholarships](http://acu.edu.au/scholarships)

## FEES

Most Australian students will be studying in a Commonwealth Supported Place (CSP), where the Australian Government makes a contribution to the cost of your study, and you pay the 'student contribution'.

Depending on the course, a CSP undergraduate student at ACU in 2018 paid between \$6,560 and \$10,396 per year of study. These fees may change for 2019.

Most Australian students pay their student contribution through the HECS-HELP scheme. This means the government lends you the money, and you start repaying the loan once your income gets above a certain amount. Alternatively, you can pay your student contribution upfront by the due date.

There is also a range of other loan schemes and government financial assistance available. For more information visit [studyassist.gov.au](http://studyassist.gov.au)

## OTHER COSTS

As a student, you will also need to consider a range of expenses such as living costs, books, computer equipment, and special clothing (if applicable to your course).

# Uni terminology

## ASSOCIATE DEGREE

A qualification requiring two years of full-time study, or part-time equivalent. You could receive credit for this study toward a bachelor degree.

## ASSUMED KNOWLEDGE

Some university courses assume you have studied certain subjects at school. It is best to do the recommended subjects to avoid getting behind at university, however it's not compulsory.

## ATAR/OP

Australian Tertiary Admission Rank (OP/Overall Position in QLD). The score you receive from your VCE/HSC/QCE/Year 12 tertiary studies, based on an overall ranking of your performance against other Year 12 students in the same year.

## ATAR/OP GUIDE

The lowest selection rank (including adjustment factors) to which an offer was made in 2018, at the time of publication. These numbers can change as offers continue to be released, so it's essential you view the most current details for your course at [acu.edu.au/courses](http://acu.edu.au/courses).

## BACHELOR DEGREE

Also known as an undergraduate qualification, which requires three to four years of full-time study, or part-time equivalent.

## BRIDGING COURSE

If you would like to prepare further for university study, or don't meet the assumed knowledge or prerequisite requirements, an intensive bridging course will help you get prepared.

## COMMONWEALTH SUPPORTED PLACE

A university place awarded to eligible students, whereby the Australian Government contributes to the cost. You will need to pay a portion, known as the student contribution. You will be prompted to complete the necessary paperwork upon enrolment.

## CORE UNIT

A subject you must complete as part of your degree.

## CREDIT POINTS

The value attached to a unit (subject). You need to obtain a certain number of credit points to complete your degree.

## DEFER

Guarantees your place at university, but delays enrolment for up to 12 months. You could take a gap year, volunteer or work.

## DIPLOMA

A qualification requiring one year of full-time study, or part-time equivalent.

## DOUBLE DEGREE

Two degrees undertaken at the same time – it will take less time to complete them together than if you did them separately.

## EDUCATIONAL ACCESS SCHEME (EAS) – NSW/ACT

Assists NSW and ACT applicants who have experienced long-term educational disadvantage. Visit [uac.edu.au/eas](http://uac.edu.au/eas) for more information.

## EDUCATIONAL ACCESS SCHEME (EAS) – QUEENSLAND

Assists Queensland applicants who have experienced difficult circumstances that negatively impacted their studies. Visit [qtac.edu.au](http://qtac.edu.au) for more information.

## ELECTIVE UNIT

A subject you can select that is not a mandatory inclusion in your course.

## ENROLMENT

Once you receive an offer into a university course, you will need to register your subject choices.

## ENTRY REQUIREMENTS

The minimum qualifications required for entry into a course, eg a minimum entry score, specific subjects or an audition/interview.

## FACULTY

An academic department within a university, which specialises in a particular field.

## HONOURS

An additional year of full-time study attached to your bachelor degree to allow for greater understanding and specialisation.

## LECTURE

A formal class conducted by an academic lecturer.

## MAJOR

A specialisation in your bachelor degree, which comprises about eight units (subjects). You will be able to tailor your major, and can usually complete more than one in a degree.

## MINOR

A sub-specialisation in your bachelor degree – usually four subjects.

## NON-RECENT SCHOOL LEAVER

If you are not completing Year 12 at the time you submit your TAC application, you are considered a non-recent school leaver.

## ORIENTATION

An introduction to university life, facilities, and your area of study before the start of your first semester.

## POSTGRADUATE

A course of study, usually following on from a bachelor degree, allowing for more in-depth research and specialisation. This may be a certificate, diploma, masters degree or a PhD.

## PREREQUISITES

Year 11 and 12 subjects you must successfully complete to be eligible for entry into a course (there may be an alternative entry option like completing a TAFE or university bridging course).

## PROFESSIONAL PLACEMENT

Practical training in a work environment, which may be part of your degree.

## RECOMMENDED STUDIES

Year 11 and 12 subjects that will prepare you for your degree, but are not compulsory.

## SCHOOL

A department specialising in a particular field within a faculty (academic department) of a university.

## SPECIAL ENTRY ACCESS SCHEME (SEAS) – VICTORIA

Assists Victorian applicants who have experienced disadvantage that impacted their studies. Visit [vtac.edu.au](http://vtac.edu.au) for more information.

## TUTORIAL

A small class in which discussion and questions are encouraged. Tutorials are conducted in addition to lectures, and attendance may contribute to your final mark.

## UNDERGRADUATE

When you start university, you'll be an undergraduate student, working towards your bachelor or associate degree.

## UNIT

A subject within a course. Each subject or unit has a specified number of credit points that counts towards your degree.

An aerial photograph of a beach. The top half shows the ocean with white-capped waves breaking onto a sandy shore. Numerous people are scattered across the beach, some near the water's edge. In the foreground, a large number of colorful beach umbrellas are open, arranged in a somewhat grid-like pattern. The colors of the umbrellas include blue, green, yellow, red, pink, purple, and white. A red-bordered box with a white background is overlaid on the upper right portion of the image, containing white text.
