Think you know ACU?

You're just getting started.
It's education, but not as you know it.

Meaningful education, not mass production

At ACU, it's education, but with a bigger purpose. We're a university committed to standing up for people in need and causes that matter. If you've got the desire to make an impact, we'll give you the skills to change the world. And if you want to start making an impact now – you can. Coach kids' soccer in East Timor, help refugee children with their homework, nurse patients in Vanuatu, or teach in remote Indigenous communities – the opportunities are endless.

We see the whole person

Everyone is welcome at ACU. We're inclusive and supportive of everyone, every day, and our students feel it – giving us five stars for full-time employment, overall experience, learner engagement and skills development.*

*Good Universities Guide 2019

A perfect fit

When you study at ACU, you become part of a community. Our campuses and classes are the perfect size, and you won't get lost in the crowd. Your lecturers will know your name, and you'll make great friends and strong networks.

We've got your back

Whether it's figuring out how to enrol or finding the best coffee on campus, we'll help you out in person, online, by phone, or even SMS. And if you need support with your studies, or counselling services, we've got that covered too.

acu.edu.au/askacu

Relax, or don't, in your downtime

We've worked hard to create campus spaces that are relaxed, inviting, and fun. And with clubs and societies for everything from photography, to French, to skiing – we're bound to have a group that's right for you.

Getting job-ready, from day one

We know that the best way to get ahead is hands-on, practical experience. That's why our campuses have facilities like nursing simulation labs, fully functioning ambulances, art galleries and moot courts. All our courses offer work placements, internships with leading companies, or volunteering opportunities. And the results speak for themselves – we're top three in Australia for graduate employment.*

*Overall employment rate, domestic undergraduate cohort, Graduate Outcomes Survey, 2017

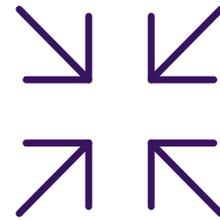

The world is our campus

We're young, but we are making our mark. We're ranked in the top 50 of Generation Y universities worldwide* and in the top 10 Catholic universities** – alongside Georgetown University and Boston College in the US. We've got more than 200 partners on six continents, community engagement opportunities around the globe, and a campus in Rome, Italy.

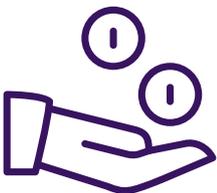

*Times Higher Education Young University Rankings 2018

**Times Higher Education World University Rankings 18/19, IFCU members

There's more than one way into ACU

There's no right or wrong way to get into university, so if you don't get the mark you need, don't panic. That's why we have pathways. They provide alternative options if you didn't get the score you need, haven't completed the prerequisites, or don't meet some other requirement. See page 100.

Scholarships

We know that balancing the cost of living and study can be tricky. So we offer nearly 400 scholarship opportunities which recognise academic achievement, community participation, and help out students from a range of backgrounds. See page 105.

A space of your own

Living in student accommodation is one of the best ways to get the most out of your uni experience. With ACU accommodation you'll get academic support, make lifelong friends, and be part of a fun and close-knit community. acu.edu.au/student-accommodation

Our neighbourhoods

We've got eight campuses around Australia, and a campus in Rome, Italy. Each one is unique, but they're all dynamic, inviting and great places to learn.

Head to acu.edu.au/tour to take a virtual tour of your campus.

BALLARAT

Our Ballarat Campus is located in the centre of Ballarat. Situated amid historical gardens, beautiful old buildings, and a block from Lake Wendouree, it has a lot to offer. Explore the grounds, enjoy a home-cooked meal at the canteen, and soak up the community vibe.

- Central location
- Free parking
- State-of-the-art physiotherapy building with labs and simulation rooms

BRISBANE

Whether you want to get involved in campus life, create a professional network or just find a quiet place to study — our Brisbane Campus has you covered. Set on 40 hectares of parklands, the campus has ample parking, state-of-the-art learning facilities, and places to hang out like cafes and a swimming pool.

- Free parking and shuttle bus
- State-of-the-art health labs and health clinic
- Newly renovated library

CANBERRA

Just five kilometres from the city centre, our Canberra Campus has a lot on offer. With a campus lounge, swimming pool and beautiful landscaped gardens, you'll have plenty to keep you busy between classes.

- State-of-the-art nursing and health sciences labs
- Free parking and accessible by light rail and bus
- Modern library and 300-seat lecture theatre

MELBOURNE

Our Melbourne Campus is right next to the cafes, art galleries and live music venues of Brunswick Street. Kick back with a coffee on our rooftop garden or hang out with friends in one of our cafes.

- Close to six tram routes, bus routes and Parliament Railway Station
- Award-winning library
- Art gallery and media production studios

NORTH SYDNEY

Just across the Harbour Bridge from the city centre, our North Sydney Campus is a great place to study and relax.

- Modern nursing simulation labs
- High-tech speech pathology and occupational therapy labs
- Moot court, for simulating real-life law court proceedings

STRATHFIELD

Our Strathfield Campus is set amid beautiful landscaped grounds and historical buildings, with excellent transport links. Whether you want to have a friendly match on our rugby and soccer ovals or take in a show at our art gallery, there's always something going on.

- Free parking and shuttle bus
- Popular art gallery
- High-tech biomechanics lab

ADELAIDE

Our Adelaide Campus is one of our newest additions, and primarily offers postgraduate courses in theology.

ROME

Our Rome Campus is located on Janiculum Hill, a site that has a rich history dating back to the 3rd century. It sits on a sprawling property that boasts extensive gardens and terraces to enjoy beautiful views of the city.

- Close to the Vatican and popular tourist sites
- Modern, onsite residential accommodation
- Community engagement opportunities

BLACKTOWN

We've partnered with Blacktown City Council to open a new ACU campus in Blacktown, Western Sydney, in 2021.

Life at ACU

GET AHEAD BY GIVING BACK

At ACU we're all about making an impact. So why not start today? We offer a huge range of community engagement and volunteering opportunities, both in Australia and overseas.

acu.edu.au/acuengagement

STUDENT ACCOMMODATION

Our student accommodation is more than just a place to sleep, study, and store your stuff. Everything about our accommodation is designed to help you make the most of your university experience. You will have access to unique sporting, leadership, spiritual, and community engagement opportunities through the direct support services we provide. Our residences are safe and affordable, and located near each of our campuses in Sydney, Ballarat, Brisbane, Canberra and Melbourne. You'll enjoy the support of our residential team with the flexibility and independence of an off-campus lifestyle.

acu.edu.au/accommodation

JOIN A CLUB

Whatever your interest – there's a club or society for you. You can play sport competitively or just for fun, improve your photography, learn a language, or join the performing arts set.

acu.edu.au/studentlife

YOUR ASSOCIATION

The ACU National Student Association (ACUNSA) elects student leaders and is run by students, for students. They make sure your voice is heard, and organise a range of events, opportunities, and activities. Joining is the perfect way to get involved in uni life.

acu.edu.au/campus-life

HERE TO HELP

Whether it's figuring out how to enrol or finding the best coffee on campus, we can help. And if you need assistance with your studies, financial advice, counselling services, or tailored support for students with disabilities – we've got that covered too.

acu.edu.au/askacu
acu.edu.au/studentervices

CAREER ADVICE

Get help with interview skills, résumé writing and career path options. If you want to earn some extra money while studying, there are student jobs available on campus too.

acu.edu.au/careersupport

ORIENTATION

Get a feel for uni life, see where you'll be studying, and find friends while finding your feet.

acu.edu.au/orientation

ABORIGINAL AND TORRES STRAIT ISLANDER STUDENTS

Our Indigenous Higher Education Units on each campus offer academic, personal and cultural support in a welcoming and culturally safe space.

acu.edu.au/indigenoussupport

CAMPUS MINISTRY

Our Campus Ministry teams work to bring the distinctive Catholic identity and Mission of ACU to life.

acu.edu.au/campusministry

Uni shouldn't be just about your studies. At ACU, you'll join a thriving campus community, make friends for life, and be as busy, or relaxed, as you like.

OF OUR DOMESTIC
BACHELOR DEGREE
STUDENTS TRAVEL
OVERSEAS DURING
THEIR STUDIES

Want to study health sciences in Italy? Global studies in Mexico? Theology in Israel? Learning abroad programs can count towards your degree, and with more than 200 partner institutions, you can choose from a huge range of international opportunities.

More than 25 per cent of our domestic undergraduate students travel overseas during their studies. You can join a study tour, complete an internship, do a semester or short exchange, participate in community engagement, or take our unique international Core Curriculum program.

Learning abroad programs can be as short as two weeks or as long as a year, and there are generous travel grants available.

acu.edu.au/study_overseas

See the world through the eyes of others.

At ACU, we know that you are more than your degree. That's why we encourage you to look at our world with empathy, compassion and confidence. To learn to listen, and to lead. To challenge stereotypes, and develop the courage you need to make an impact.

And that's at the heart of our Core Curriculum. It's a key part of every ACU student's university experience – giving you time to reflect on and identify ways you can change the world for the better by applying the principles of Catholic Social Thought:

- The dignity of the human person – every person is valued, has innate dignity and is worthy of respect.
- Solidarity – we are one human family whatever our national, racial, ethnic, economic, and other differences.
- The common good – everyone is entitled to access what they need to live a fulfilled and meaningful life. Everything we do should serve the greater good of humanity.

- Rights and responsibilities – every person has a fundamental right to those things required for human flourishing. Corresponding to these rights are responsibilities, to one another, to our families, and to society.
- Stewardship of the earth – it is our collective responsibility to care for the world we inhabit.

The Core at ACU is made up of three units, one of which is a community engagement unit. The program is taught by academic staff from all faculties of our university.

You'll be in classes sharing ideas with students from other disciplines, ensuring different informed viewpoints, and lively debate.

Core units can be taken face-to-face, online, or intensively. There's even the chance to complete a unit overseas – in cities such as Rome, Leeds, Beijing or New York.

Eligible students may also elect to undertake philosophy units in their first and third years, as an alternative to the Core units.

acu.edu.au/thecore

Allied health

**A world of wellbeing
is a world of well beings.**

Allied health practitioners help us live life to the fullest. You can diagnose, treat, and rehabilitate patients, and help improve their quality of life.

Bachelor of Human Services

📍 Brisbane, Canberra, Strathfield 🕒 3 yrs FT (or equivalent PT)

With the rapid evolution and growth of the community welfare sector, there's a strong demand for people who can provide direct services to those in the diverse areas of child and family welfare, disability, corrections, and aged care. This is why we launched the Bachelor of Human Services. You will learn to apply skills from areas such as policy and law, sociology, psychology, and ethics to meet the needs of people and help solve personal and social problems.

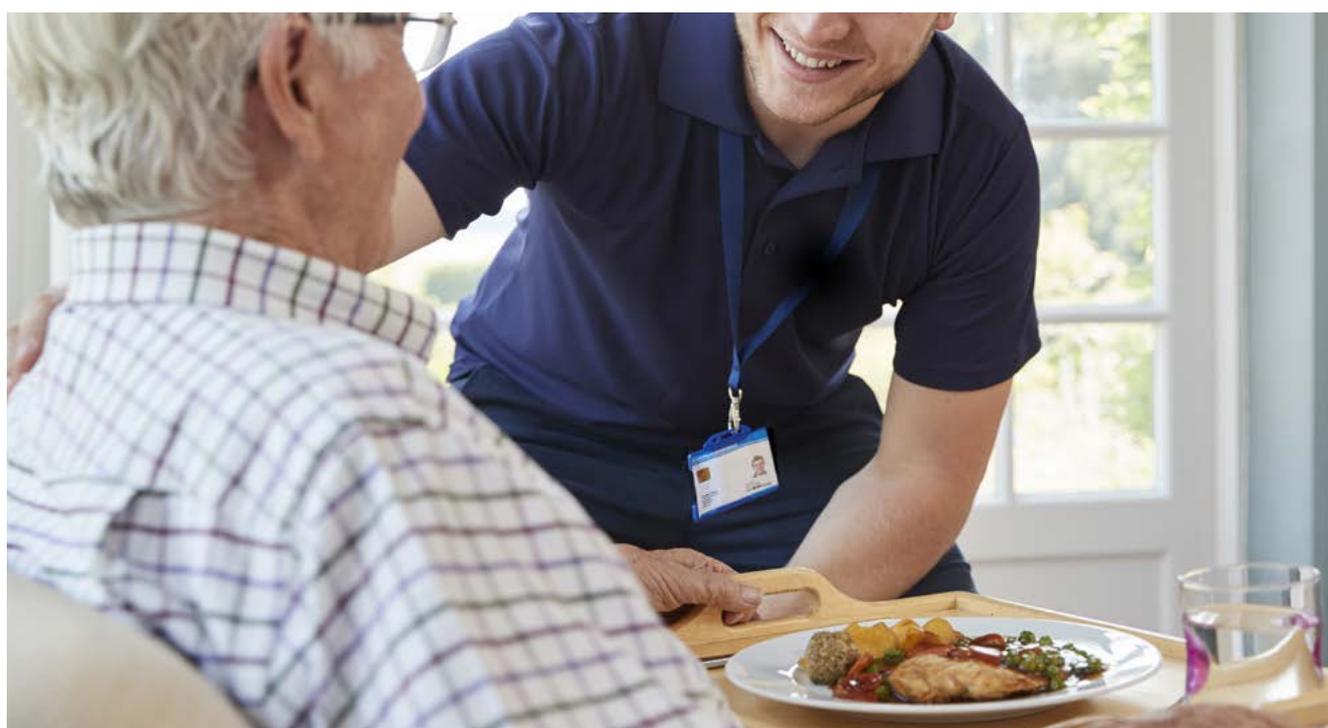

Prerequisites: **Qld:** English (4, SA). **ACT:** major in English (142+). **NSW:** any two units of English (band 4).

Professional experience: 300 hours.

Career path examples: Case worker in child and family welfare, family support work, aged care and correctional facilities; opportunities in development and implementation of individual National Disability Insurance Scheme plans and support for people with disabilities living in the community. You can continue your studies by completing a graduate degree. ACU offers the Master in Social Work.

Pathways into this course: One year (80cp) of advanced standing for Diploma of Community Services graduates (CHC52015 or current approved training package – see training.gov.au/Training/Details/CHC), and subject to meeting the admission requirements for university entry including English language testing for international applicants. Special entry for welfare and community practitioners with a diploma and extensive experience but who do not have a bachelor level qualification.

SAMPLE COURSE MAP – BACHELOR OF HUMAN SERVICES					
YEAR 1	Semester 1	Introduction to sociology	Foundations of psychology	Indigenous health and culture	History, purpose and context of social work and human services
	Semester 2	Contemporary society and change	Applications of psychology	Human rights social justice (community engagement unit in Bachelor of Social Work)	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Working with CALD communities	Ethics in human services	Lifespan development	Practice skills for human services workers
	Semester 2	Organisations and group processes	Elective	Work with children youth and families 1	Fieldwork placement 1
YEAR 3	Semester 1	Professional communication in human services practice	Aboriginal and Torres Strait Islander peoples and human services	Work with children youth and families 2	Justice and change in a global world
	Semester 2	Mental health unit	Elective	Fieldwork placement 2	Capstone (workplace project)

Bachelor of Occupational Therapy

 Brisbane, Melbourne, North Sydney  4 yrs FT (or equivalent PT)

As an occupational therapist you will play an important role in the lives of individuals and communities to enable participation in occupations of self-care, productivity and leisure. An embedded honours program is available from third year for high achieving students.

Prerequisites: **Qld:** English (4, SA) and one of biology, chemistry or physics (4, SA). **NSW:** any two units of English (band 4) and one of biology, chemistry, physics or personal development, health and physical education (PDHPE) (band 2). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or 25 in English other than EAL and a study score of at least 25 in one of biology, chemistry or physics.

Note: These prerequisites are currently under review. Please check the course listing on our website regularly for updates.

Professional experience: 1,000 hours over four years, starting in Year 1.

Accreditation: This program is fully accredited by the Occupational Therapy Council. Graduates can register as practising occupational therapists with the Australian Health Practitioner Regulation Agency (AHPRA) and become members of Occupational Therapy Australia.

Career path examples: Occupational therapist working individually or as part of a multidisciplinary health care team in a hospital; community health centre; rehabilitation centre; mental health service; school; early intervention program for children; private practice; disability service; aged care facility; government policy unit.

SAMPLE COURSE MAP – BACHELOR OF OCCUPATIONAL THERAPY					
YEAR 1	Semester 1	Psychology for allied health	Human biological science 1	Foundations of occupational therapy	Health and occupation
	Semester 2	Self and community: exploring the anatomy of modern society	Musculoskeletal structure and function	Pathophysiology for occupational therapy	Introduction to evidence-based practice and measurement in occupational therapy
YEAR 2	Semester 1	Neuroscience, neurodevelopment	Contextual determinants of health, illness and disability	Ergonomics and occupational health and safety	Occupational therapy interventions for physical conditions
	Semester 2	Occupational participation and disability	Recovery mental health in occupational therapy 1	Upper limb orthoses and rehabilitation	Vocational preparation and rehabilitation
YEAR 3	Semester 1	Occupational therapy: neurological conditions 1	Recovery mental health in occupational therapy 2	Occupational therapy: children and youth	Professional practice education 1
	Semester 2	Occupational therapy: neurological conditions 2	Research design for occupational therapy	Clinical counselling and group work	Professional practice education 2
YEAR 4	Semester 1	Occupational therapy: ageing, participation and health	Professional practice education 3		
	Semester 2	Allied health management and leadership	Community-based rehabilitation and development	Advanced occupational therapy practice	Professional practice education 4

Bachelor of Physiotherapy

📍 Ballarat, Brisbane, North Sydney ⌚ 4 yrs FT

As a physiotherapist, you will work with people who have problems with their cardiorespiratory, musculoskeletal or neurological systems. By optimising movement and function, you'll help people overcome movement disorders, either present at birth or associated with ageing or life-changing events. An embedded honours program is available from third year for high-achieving students.

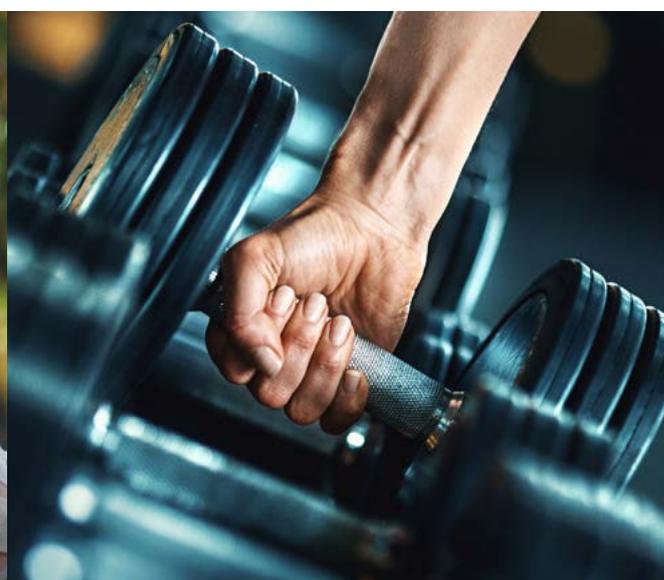

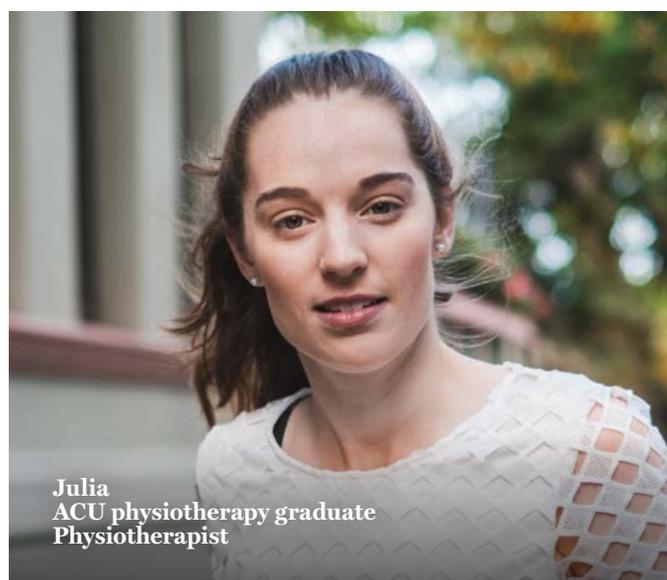

Prerequisites: **Qld:** English (4, SA), and one of biology, chemistry or physics (4, SA). **NSW:** any two units of English (band 4), and one of biology, chemistry or physics (band 2). **Vic:** units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; units 3 and 4 – a study score of at least 25 in biology, chemistry or physics.

Professional experience: More than 1,000 hours.

Accreditation: The Brisbane and North Sydney programs are accredited by the Australian Physiotherapy Council. The Ballarat program is accredited for three years with conditions. Graduates are eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA). Students are eligible for membership of the Australian Physiotherapy Association.

Career path examples: Physiotherapist working in a hospital; health centre; sports medicine clinic; rehabilitation centre; aged-care facility; maternity hospital; private practice; or in education; health promotion; management and research.

SAMPLE COURSE MAP - BACHELOR OF PHYSIOTHERAPY					
YEAR 1	Semester 1	Physiotherapy anatomy 1	Human biology 1	Psychology for allied health	Foundations of physiotherapy practice 1
	Semester 2	Physiotherapy anatomy 2	Human biology 2	Self and community: exploring the anatomy of modern society	Foundations of physiotherapy practice 2
YEAR 2	Semester 1	Pathophysiology for physiotherapy	Neuroscience for physiotherapy	Research and evidence-based practice for physiotherapy	Musculoskeletal physiotherapy practice 1
	Semester 2	Clinical exercise physiology for physiotherapists	Cardiorespiratory physiotherapy practice 1	Movement science for physiotherapy	Musculoskeletal physiotherapy practice 2
YEAR 3	Semester 1	Neurological physiotherapy practice 1	Cardiorespiratory physiotherapy practice 2	Musculoskeletal physiotherapy practice 3	Justice and change in a global world
	Semester 2	Neurological physiotherapy practice 2	Health care ethics	Paediatric physiotherapy practice	Integrated physiotherapy practice in selected populations
YEAR 4	Physiotherapy practice in complex health care issues				
	Semester 1	Physiotherapy clinical practice 1	Physiotherapy clinical practice 2	Physiotherapy clinical practice 3	
	Semester 2	Physiotherapy clinical practice 4	Physiotherapy clinical practice 5	Physiotherapy clinical practice 6	
Professional physiotherapy practice					

Bachelor of Social Work

 Brisbane, Canberra, Strathfield  4 yrs FT (or equivalent PT)

If you're interested in human rights, social justice, and changing lives for the better, then you should consider social work. As a social worker you will improve individual and community wellbeing by addressing challenges such as inequality, discrimination, violence and other types of oppression. An embedded honours program is available from third year, for high-achieving students.

Prerequisites: **Qld:** English (4, SA). **ACT:** major in English (142+). **NSW:** any two units of English (band 4).

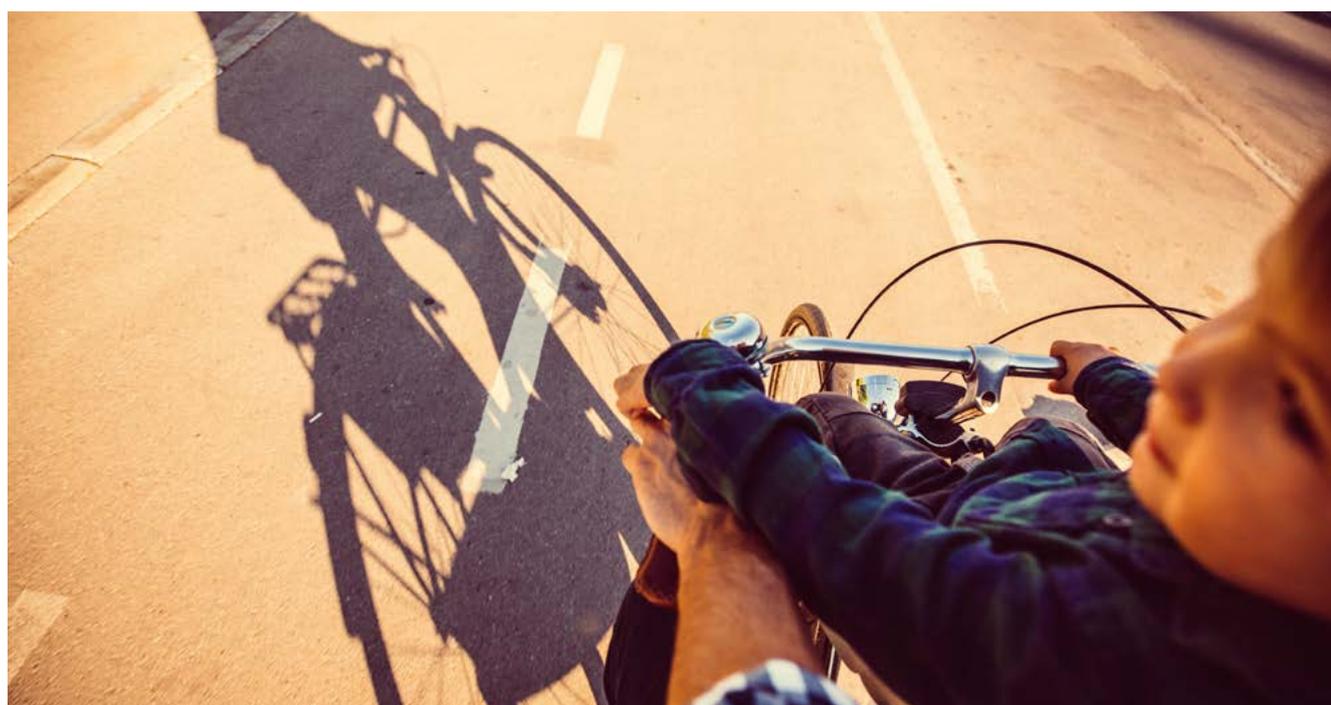

Professional experience: 1,000 hours.

Career path examples: Hospital social worker; child and family caseworker; mental health worker; disability social worker; community project officer; social policy analyst; community services officer; social worker; aged services coordinator; migration support officer; student and family counsellor; and a wide range of other roles in the social and human services field.

Accreditation: This program is accredited by the Australian Association of Social Workers.

SAMPLE COURSE MAP – BACHELOR OF SOCIAL WORK					
YEAR 1	Semester 1	Foundations of psychology	Introduction to sociology	Indigenous health and culture	History, purpose and context of social work
	Semester 2	Applications of psychology	Contemporary society and change	Human rights, social justice and social work	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Lifespan development	Ethics and theories in social work	Social work skills in practice with individuals	Social work with culturally and linguistically diverse communities
	Semester 2	Social work with children, youth and families	Law and social work	Health care ethics	Field education in social work 1 (280 hrs)
YEAR 3	Semester 1	Field education in social work 2 (360 hrs)	Aboriginal and Torres Strait Islander peoples and social work practice	Justice and change in a global world	
	Semester 2	Group work in social work practice	Research in social work	Mental health and social work	Social work and community practice
YEAR 4	Semester 1	Social policy and social work	Elective	Fields of social work practice	Collaborative and interdisciplinary social work practice in organisations
	Semester 2	Field education in social work 3 (360 hrs)	Elective	Elective	

Note: The Bachelor of Social Work is under review and units may be subject to change.

Bachelor of Speech Pathology

📍 Brisbane, Melbourne, North Sydney 🕒 4 yrs FT

As a speech pathologist, you will recognise the importance of communication (including speech, language, voice, fluency and multimodal aspects) and swallowing as activities that enable people to fully participate in their daily lives. You'll assess, diagnose, treat and provide management and advocacy services for people of all ages with communication or swallowing needs.

Prerequisites: **Qld:** English (4, SA) and one of biology, chemistry, physics or health education (4, SA). **NSW:** any two units of English (band 4), and one of biology, chemistry, physics or personal development, health and physical education (PDHPE) (band 2). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or 25 in English other than EAL and a study score of at least 25 in one of biology, chemistry, physics or health and human development.

Note: These prerequisites are currently under review. Please check the course listing on our website regularly for updates.

Professional experience: Professional practice in speech pathology is competence based and not hours based, however students may spend approximately 750 hours on placement.

Accreditation: This program is accredited with Speech Pathology Australia.

Career path examples: Speech pathologist working individually or as part of a multidisciplinary team in an early intervention program for children; school; aged-care facility; hospital; rehabilitation centre; mental health service; community health centre; specialist services; private practice.

SAMPLE COURSE MAP – BACHELOR OF SPEECH PATHOLOGY					
YEAR 1	Semester 1	Psychology for allied health	Human biology 1	Linguistics and phonetics for speech pathology	Introduction to speech pathology practice
	Semester 2	Anatomy and physiology for speech pathology	Communication and development across the lifespan	Evidence-based practice in speech pathology	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Neuroscience for speech pathology	Speech disorders (developmental)	Indigenous health and culture	Speech pathology practice 2A
	Semester 2	Language disorders (developmental)	Language disorders (acquired)	Motor speech disorders (acquired)	Speech pathology practice 2B
YEAR 3	Semester 1	Multimodal communication across the lifespan	Voice disorders across the lifespan	Mealtime, feeding, and swallowing across the lifespan	Speech pathology practice 3A
	Semester 2	Complex cases in speech pathology	Research in speech pathology	Fluency disorders across the lifespan	Speech pathology practice 3B
YEAR 4	Summer	Justice and change in a global world			
	Semester 1	Contemporary issues in speech pathology practice	Speech pathology practice 4A		
	Semester 2	Speech pathology practice 4B			

ACU Brisbane

Business

Business. But not as usual.

A career in business means opportunities. With us, you will get more than your usual business degree. You'll learn how to lead in business to create positive and sustainable change.

Bachelor of Accounting and Finance

Bachelor of Business Administration

 Brisbane, Melbourne, North Sydney, Strathfield  3 yrs FT (or equivalent PT)

In our global, competitive world, a comprehensive knowledge of business is more useful than ever. The best business administrators are skilled at managing people as well as numbers. They're leaders, problem-solvers, and innovators. And by studying with us, you're free to create your own business degree, without having to specialise in a particular field.

Prerequisites: **NSW:** English (standard) (band 2) or English as an Additional Language (EAL) (band 3). **Qld:** English (4, SA). **Vic:** units 3 and 4 – a study score of at least 30 in English as an Additional Language (EAL) or 25 in any other English.

Professional experience: One compulsory unit of community engagement, and an optional professional experience unit.

Career path examples: Business analysis; advertising; human resource management; personal investment; purchasing, buying or trading; employment relations; marketing management; policy administration; financial management; market research; retailing and wholesaling; international trade and investment.

SAMPLE COURSE MAP – BACHELOR OF BUSINESS ADMINISTRATION

Year	Semester	Course	Course	Course	Course
YEAR 1	Semester 1	Managing markets	Working with technology	Money matters	Managing people and organisations
	Semester 2	Business elective 1	Business elective 2	Self and community: exploring the anatomy of modern society	Elective 1
YEAR 2	Semester 1	Organisational behaviour	Economics: policy frameworks and markets	International business	Applied human resource management
	Semester 2	Marketing communications: engaging stakeholders	Community engagement: building strengths and capabilities	Business elective 3	Elective 2
YEAR 3	Semester 1	Managing entrepreneurship and innovation	Sustainable organisational change	Justice and change in a global world	Elective 3
	Semester 2	Strategic management	Working with diversity and conflict <i>or</i> Professional experience	Business elective 4	Elective 4

Bachelor of Commerce

 Brisbane, Melbourne, North Sydney/Strathfield*  3 yrs FT (or equivalent PT)

From accounting and finance to marketing, event management, informatics and human resources, tailor your degree and open up career opportunities in every area of business. Our degree is structured so you can try a range of different business disciplines in your first semester, meaning you have the experience you need to choose your major as early as your second semester. Throughout your degree, you'll take eight core units and at least one eight unit major. This gives you the flexibility to choose minors (comprised of four units) or electives for the remaining eight units. You can study minors in business, in other faculties, or even overseas.

Prerequisites: **NSW:** English (standard) (band 2) or English as an Additional Language (EAL) (band 3). **Qld:** English (4, SA). **Vic:** units 3 and 4 – a study score of at least 30 in English as an Additional Language (EAL) or 25 in any other English.

ACU pathways into this course: Certificate in Commerce.

Professional experience: One compulsory unit of community engagement, and an optional professional experience unit.

Accreditation: This program has EPAS international accreditation from the European Foundation for Management Development. Graduates with an accounting major and minor will be eligible for membership with CPA Australia, Chartered Accountants Australia and New Zealand, and the Institute of Public Accountants. Graduates with a human resource management major are eligible for graduate membership with the Australian Human Resources Institute. Graduates with a major in marketing will be eligible for membership with the Australian Marketing Institute.

Career path examples: Accounting; entrepreneurship; data science; forensic accounting; business analysis; advertising; human resource management; purchasing, buying or trading; employment relations; marketing management; market research; policy administration; financial management; retailing and wholesaling; international trade and investment.

STUDY OPTIONS – BACHELOR OF COMMERCE	
	For the Bachelor of Commerce you must study the following eight core units:
CORE UNITS	Introduction to accounting <i>or</i> Money matters
	Community engagement: building strengths and capabilities (includes internship with a not-for-profit organisation)
	Working with technology
	Managing people and organisations
	Managing markets
	Self and community: exploring the anatomy of modern society
	Justice and change in a global world
	Working with diversity and conflict <i>or</i> Professional experience
	You can choose to study a major from one of the following study areas**:
MAJORS	Accounting
	Event management
	Finance
	Human resource management
	Informatics
	Management
	Marketing

Creative arts

Make your mark remarkable.

Join a unique community working in a range of disciplines to inspire, inform and educate audiences.

Bachelor of Creative Arts

 Brisbane, Melbourne  3 yrs FT (or equivalent PT)

As a creative arts student, you will join a unique community working in a range of disciplines to inspire, inform and educate audiences. Develop your passion for drama, communication, creative writing, graphic design, literature, media, music, and visual arts. Gain expert knowledge, practical skills and professional experience through your major creative project and take advantage of international study opportunities. As part of this degree you will undertake a major project and a community-based placement where you have the flexibility to choose between working on a local community project or gaining industry experience through the Big Ideas: Social Enterprise and Innovation project.

Prerequisites: **Qld:** English (4, SA). **Vic:** units 3 and 4 – a study score of at least 25 in English as an Additional Language (EAL) or 20 in any other English.

Career path examples: Arts administration; communications; public relations; film and multi-media; community arts worker; community organisations; creative director; teaching (with further study).

Further study at ACU: Master of Teaching (Early Childhood and Primary), Master of Teaching (Primary), Master of Teaching (Secondary), and Bachelor of Arts (Honours).

Students can choose from two majors or one major and two minors from the list below.

BRISBANE	MELBOURNE
Drama	Drama
Communication (minor only)	Communication (minor only)
Creative writing (minor only)	Creative writing (minor only)
Literature	Graphic design (minor only)
Music	Literature
Visual arts	Media
	Music
	Visual arts

Visit the ACU website for the updated list of majors and minors.

ACU Brisbane

Bachelor of Visual Arts and Design

Melbourne, Strathfield 3 yrs FT (or equivalent PT)

Tailor your talent with a Bachelor of Visual Arts and Design. The program's mix of studio-based fine art, graphic design and art history will extend and refine your creative skills. We know there's only so much knowledge you can gain inside the classroom, which is why all of our students undertake industry internships and are encouraged to venture abroad to study in the UK, USA, or Italy. You will exhibit work in the ACU gallery space throughout your studies, culminating in a final year graduate exhibition which will showcase your work and curating skills at a professional standard.

See our website for assumed knowledge and recommended studies.

Career path examples: Administrator; art conservation; art gallery manager; art theory research assistant; art therapist; art creative director; curatorships; events coordinator; professional artist; theatre and set designer; film maker and editor; visual merchandiser.

Global studies

Make a world of difference in a world of differences.

In today's world an understanding of international issues, relations and change is more important than ever.

Bachelor of International Development Studies

Melbourne 3 yrs FT (or equivalent PT)

Make an impact on the global stage by helping to reduce poverty and empower marginalised people in developing countries. This course will give you the knowledge, critical perspectives, understanding and skills needed for competent, compassionate, ethical and professional engagement with communities in the developing world. You will gain hands-on experience in an international humanitarian or development program through the compulsory immersion experience unit.

Prerequisites: Vic: units 3 and 4 – a study score of at least 25 in English as an Additional Language (EAL) or 20 in any other English.

Professional experience: At least three weeks with a development or humanitarian program in a developing country.

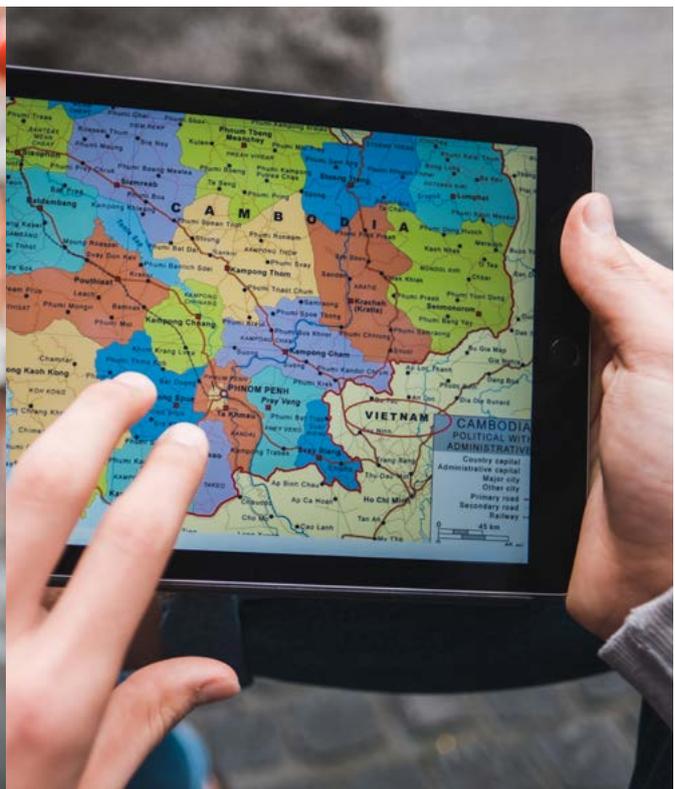

Career path examples: Human rights advocacy; social entrepreneurship; fair trade business; eco and responsible tourism; charity and humanitarian work; private aid distributor; working with NGO, government service, or international systems such as United Nations and World Bank.

SAMPLE COURSE MAP – BACHELOR OF INTERNATIONAL DEVELOPMENT STUDIES					
YEAR 1	Semester 1	Introduction to international development studies	Exploring human environments	Self and community: exploring the anatomy of modern society	Arts minor 1
	Semester 2	Global health	Humanitarian work and development aid	Environmental sustainability	Arts minor 2
YEAR 2	Semester 1	Precarious states: development, geopolitics, livelihoods	Peace and development	People count: researching quantitatively	Arts minor 3
	Semester 2	Qualitative research methodologies for development projects <i>or</i> Meaning of life: researching qualitatively	Project management	Preparation for development education immersion program	Arts minor 4
YEAR 3	Semester 1	Development education immersion program*			Refugees and forced migration
	Semester 2	Advocacy and policy development	Development alternatives	Justice and change in a global world	Arts elective

*The development education immersion program is a community-based learning experience for a minimum of three weeks. You will have the opportunity to gain first-hand insight into everyday life in a developing country. There are additional costs and administrative fees associated with the immersion experience.

Diploma in Languages

 Ballarat, Brisbane, Canberra, Melbourne, North Sydney, Strathfield  2-3 yrs PT  Apply directly to ACU

Give yourself a professional edge by adding Italian or Spanish to your skill set. You will develop new communication skills as well as an understanding of the history and culture of these countries.

All ACU undergraduate students have the opportunity to complete a Diploma in Languages in conjunction with their degree.

Prerequisites: To apply for this course you must be enrolled in an ACU bachelor degree and have completed a minimum of 40 credit points, or have completed Year 12 or equivalent.

You may also be interested in our:

Bachelor of Laws/Bachelor of Global Studies (see page 53)

Humanities and social sciences

One degree offers many courses of action.

Life is all about exploring your interests and discovering new ones. As an arts, humanities or social sciences student, you'll be challenged every day to see the world from a new perspective.

Bachelor of Arts

 Brisbane, Melbourne, Strathfield  3 yrs FT (or equivalent PT), 2.5 yrs FT in accelerated mode

An ACU arts degree is extremely flexible, so you can design the course around your interests and career goals. You will explore vital contemporary issues and learn to gather and evaluate evidence, think critically, communicate effectively, and apply ethical principles in decision-making. With us, you'll get real-world experience through our Big Ideas: Social Enterprise and Innovation project or community engagement placements, international study tours, and study abroad opportunities at our Rome Campus or with partner universities around the world.

An honours program is available to students who have excelled during their previous three years of study. You will build your knowledge in your chosen major area of study through a research or creative project.

Prerequisites: Qld: English (4, SA). Vic: units 3 and 4 – a study score of at least 25 in English as an Additional Language (EAL) or 20 in any other English.

See our website for assumed knowledge.

ACU pathways into this course: Diploma in Liberal Studies, Certificate in Liberal Studies.

Further study at ACU: Bachelor of Arts (Honours), Master of Teaching (Early Childhood and Primary), Master of Teaching (Primary), Master of Teaching (Secondary).

Accelerate your degree: We recognise that many students choose to study a Bachelor of Arts because they are passionate about deepening their knowledge in key subject areas and are genuinely excited by the range of fascinating electives on offer.

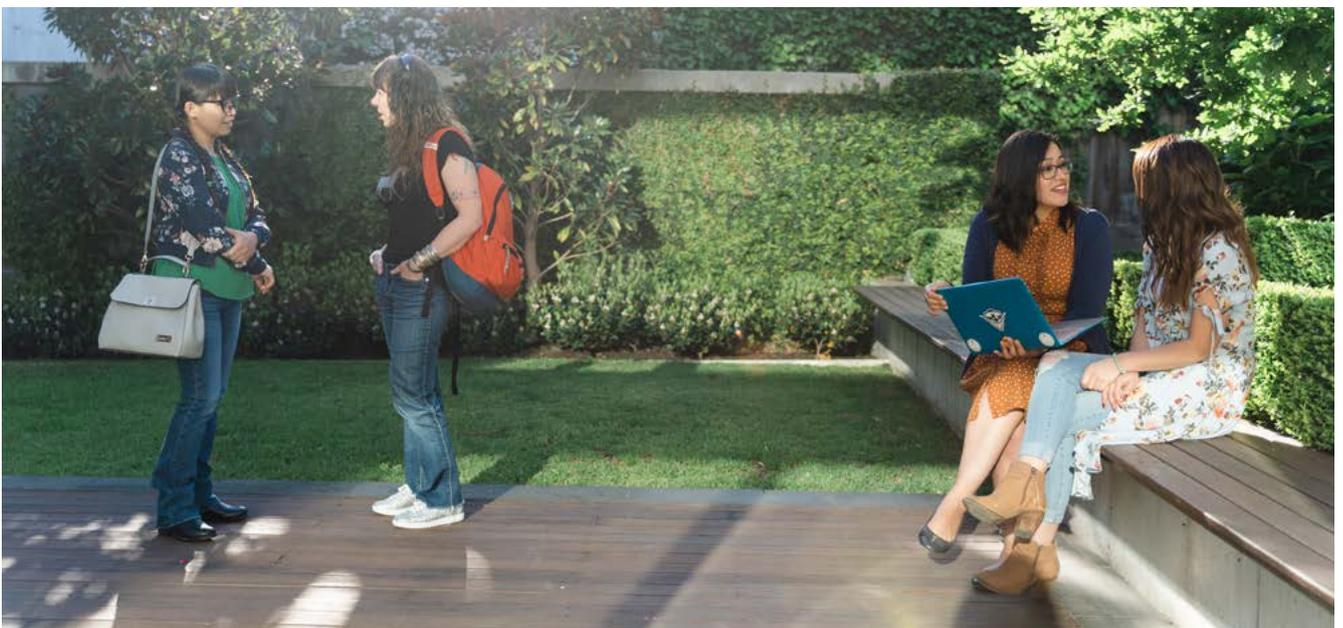

Our new accelerated option allows you to complete your Bachelor of Arts in only 2.5 years, by studying some units in summer and winter professional terms. With our new campus in Rome and exciting opportunities to study in other international locations such as New York, Venice and Pompeii, as well as in Australia, the new accelerated Bachelor of Arts is a smart choice that will broaden your horizons and put you on the path to a fulfilling career. You can also use this degree to become a teacher by going on to complete one of our Master of Teaching programs. See page 96.

Dual degrees: You can combine the Bachelor of Arts program with another degree in law, global studies, commerce, teaching or psychological science. See course directory on page 108.

Career path examples: Employment options for graduates are diverse and can depend on the choice of majors or specialisations. Employers may include government and non-government organisations; media and communications; arts and cultural organisations; higher education; business sector; and not-for-profit organisations. Roles may include historian; social scientist; or political analyst.

Bachelor of Arts Scholars Program

High-achieving students will be invited to participate in our Bachelor of Arts Scholars Program. The program provides you with a number of exciting opportunities, including individual projects in your chosen arts and humanities discipline. You will become part of a vibrant research culture at undergraduate level and be well prepared to undertake significant future research at university and in the workplace.

ACU Melbourne

Bachelor of Arts study options

Students in the Bachelor of Arts choose two majors, or one major and two minors and electives. Every subject that is a major can also be studied as a minor. **Major:** 80 credit points **Minor:** 40 credit points.

Diploma in Youth Work

Melbourne 1 yr FT (or equivalent PT)

This is a one-year introductory program for students interested in a range of entry-level careers in youth work. You will gain an insight into the diverse challenges and needs of young people in a range of public and community-based settings, and be prepared for further study in the field.

Prerequisites: Year 12 with the ACU minimum eligibility rank for diploma programs. Or entry via an alternative pathway as approved by ACU.

Inclusive education and disability studies

In different abilities lie different possibilities.

As a professional in this field, you will support those with a disability to reach their full potential. You'll become a champion of advocacy, social justice, inclusion and empowerment.

Bachelor of Inclusive Education and Disability Studies

📍 Strathfield ⌚ 3 yrs FT (or equivalent PT)

Empower people with disabilities to take their rightful place as full and participating members of society. You will help change attitudes toward people with disabilities, and be a voice for inclusion. This course is also a pathway into a primary teaching degree. See page 88.

Prerequisites: To apply for this course you must have completed Year 12 or equivalent with the ACU minimum eligibility rank for bachelor degree courses, or have appropriate experience working in community-based organisations serving people with a disability.

ACU pathways into this course: Associate Degree in Inclusive Education and Disability Studies.

Further study at ACU: Master of Teaching (Primary).

Professional experience: 300 hours.

Career path examples: Education; social justice; empowerment or advocacy in the disability, community or human services sector; student support. Further study will enable you to become a primary school teacher.

SAMPLE COURSE MAP – BACHELOR OF INCLUSIVE EDUCATION AND DISABILITY STUDIES					
YEAR 1	Semester 1	Contexts for learning and development	Attitudes and inclusion	Disability studies	Disability support practice (100 hours of professional experience)

Bachelor of Psychological Science/Bachelor of Laws

 Melbourne, North Sydney/Strathfield*  5 yrs FT (or equivalent PT), flexible day and evening classes

Law and psychology intersect at every turn, and are united by their interest in human behavior. Combining law with a psychology degree will give you a unique skill set, and open up a world of professional opportunities.

Prerequisites: **NSW:** English (standard) (band 3) or English as an Additional Language (EAL) (band 4). **Vic:** units 3 and 4 – a study score of at least 30 in English as an Additional Language (EAL) or 25 in any other English.

Pro bono experience: 70 hours community legal engagement.

Honours: Students who have completed 120 credit points of law units with a grade point average of 5.75 and above may apply to complete honours.

Accreditation: This program is currently accredited by the Australian Psychology Accreditation Council (APAC) and approved by the Psychology Board of Australia (PsyBA). This course is undergoing a scheduled re-assessment of its accreditation status in 2019 for 2020 onwards. Upon completion of an APAC accredited undergraduate degree, students who go on to complete either the honours or Graduate Diploma in Psychology will be eligible for provisional registration as a psychologist with the PsyBA. Please note that after completion of an APAC accredited undergraduate degree, a further minimum of three years education and training in psychology is required to register as a psychologist in Australia. This course has been approved for admission to practise law in Victoria and New South Wales, and is recognised for admission as a legal practitioner in other Australian states and territories.

Career path examples: Private practice as a solicitor or barrister; legal policy advisor; in-house counsel for corporations, regulatory authorities, trade unions and NGOs; forensic psychologist; litigation; terrorism analyst; industrial law and management. Upon completion of this degree you will be eligible to apply for further studies in psychology. ACU offers the Bachelor of Psychological Science (Honours), Graduate Diploma in Psychology, Master of Professional Psychology, Master of Psychology (Clinical), and Master of Psychology (Educational and Developmental).

SAMPLE COURSE MAP – BACHELOR OF PSYCHOLOGICAL SCIENCE/BACHELOR OF LAWS

	Semester 2	Business organisations	Jurisprudence	Theology minor 3	Theology major 4
YEAR 3	Semester 1	Statutory interpretation	Property	Justice and change in a global world <i>or</i> Ethics justice and the good society	Theology major 5
	Semester 2	Civil procedure and alternative dispute resolution	Land law	Theology minor 4	Theology major 6
YEAR 4	Semester 1	Evidence	Legal ethics and professional responsibility	Theology or philosophy elective	Theology major 7
	Semester 2	Constitutional law	Equity and trusts	Community legal engagement	Theology or philosophy elective
YEAR 5	Semester 1	Administrative law	International law	Law elective	Theology major 8
	Semester 2	Law elective	Law elective	Law elective	Law elective

*Campus availability – students will undertake law units at the North Sydney Campus and all other units at the Strathfield Campus. Students will not be required to travel between campuses on the same day.

ACU Melbourne

Nursing, midwifery and paramedicine

Caring for others gives more than it takes.

Your career in nursing, midwifery or paramedicine means a career helping others. You will have the knowledge, skills and attitude to improve people's wellbeing. And be there to provide vital care when they need it most.

Bachelor of Midwifery

 Brisbane, Melbourne  3 yrs FT (or equivalent PT)

Midwifery goes beyond the birth of babies. Learn how to manage normal pregnancy and childbirth, and provide effective postnatal maternal and newborn care in any maternity setting.

Prerequisites: **Qld:** English (4, SA). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

Professional experience: Approximately 1,000 hours.

Accreditation: This course is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC). Graduates are eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA).

Career path examples: Midwife in antenatal, birth, postnatal and neonatal care including special care nurseries; consultancy; independent practice; education; research.

SAMPLE COURSE MAP – BACHELOR OF MIDWIFERY					
YEAR 1	Semester 1	Indigenous health and culture	Human biological science 1	Evidence for practice	Foundations in midwifery
	Semester 2	Self and community: exploring the anatomy of modern society	The person, health and wellbeing	Midwifery care of the pregnant woman	Clinical midwifery practice 1
YEAR 2	Semester 1	Midwifery care of the postnatal woman and family	Human biological science 2	Midwifery care of the birthing woman	Clinical midwifery practice 2
	Semester 2	Health care ethics	Perinatal mental health	Midwifery care of the woman with complex needs	Clinical midwifery practice 3
YEAR 3	Semester 1	Justice and change in a global world	The profession of midwifery	Babies needing extra care	Clinical midwifery practice 4: caring for babies
	Semester 2	The inquiring midwife	Global perspectives on midwifery	Clinical midwifery practice 5	

Bachelor of Midwifery (Graduate Entry)

 Brisbane, Melbourne*  2 yrs FT (or equivalent PT)

If you are a registered nurse or a bachelor-qualified paramedic, and you want to become a midwife, this program is for you. Learn how to manage normal pregnancy and childbirth, and provide effective postnatal maternal and newborn care in any maternity setting.

Admission requirements: To apply for this course you must have completed either:

- a Bachelor of Nursing with a grade point average (GPA) of at least 4.0 and be a registered nurse with the Australian Health Practitioner Regulation Agency (AHPRA) and have at least one year of post-registration clinical practice; or
- a Bachelor of Paramedicine with a grade point average (GPA) of at least 4.0 and be a practising paramedic with at least one year of field experience.

Professional experience: Approximately 1,000 hours.

Accreditation: This course is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC). Graduates are eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA).

Career path examples: Midwife in antenatal, birth, postnatal and neonatal care; education; consultancy; family caring; research.

SAMPLE COURSE MAP – BACHELOR OF MIDWIFERY (GRADUATE ENTRY)					
YEAR 1	Semester 1	Introduction to midwifery and care of the pregnant woman (intensive, commencing prior to Semester 1)	Introduction to midwifery practice (intensive, commencing prior to Semester 1)	Midwifery care of the birthing woman	Clinical midwifery practice 2
	Semester 2	Perinatal mental health	Midwifery care of the woman with complex needs	Indigenous health and culture	Clinical midwifery practice 3
YEAR 2	Semester 1	Midwifery care of the postnatal woman and family	Babies needing extra care	Clinical midwifery practice 4: caring for babies	
	Semester 2	Global perspectives on midwifery	The inquiring midwife	Clinical midwifery practice 5	

*Subject to confirmation. Check our website for updates.

Bachelor of Nursing

📍 Ballarat, Brisbane, Canberra, Melbourne, North Sydney 🕒 3 yrs FT (or equivalent PT)

Our graduate nurses are in demand for their skills, quick thinking, and compassion. We're connected to an extensive range of hospitals and health care partners, so you will get the best opportunities for industry placements and future employment. If you're after an overseas experience, we also work with care facilities in a number of developed and developing countries.

Prerequisites: **Qld:** English (4, SA). **ACT/NSW:** none. **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

ACU pathways into this course: Diploma of Nursing (Enrolled/Division 2 Nursing) (HLT54115).

Professional experience: At least 800 hours.

Accreditation: This course is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC). Graduates are eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA).

Career path examples: Medical or surgical nursing; aged care; community-based care; mental health nursing; paediatric nursing. With further study you can become a clinical nurse specialist in a range of specialties including critical care; mental health; paediatrics; emergency and operating suite.

SAMPLE COURSE MAP – BACHELOR OF NURSING					
YEAR 1	Semester 1	Indigenous health and culture	Evidence for practice	Transition into nursing	Integrating practice 1: assessment in health
	Semester 2	Human biological science 1	Self and community: exploring the anatomy of modern society	The person, health and wellbeing	Integrating practice 2
YEAR 2	Semester 1	Human biological science 2	Principles of nursing: mental health	Principles of nursing: surgical	Integrating practice 3
	Semester 2	Principles of nursing: medical	Principles of nursing: contexts of ageing	Health care ethics	Integrating practice 4
YEAR 3	Semester 1	Justice and change in a global world	Building healthy communities	Principles of nursing: chronic illness and disability	Integrating practice 5
	Semester 2	Principles of nursing: a palliative approach	Clinical leadership	Transition to professional nursing	Integrating practice 6

Note: There are two streams of entry at the Ballarat and Melbourne campuses. The Bachelor of Nursing – First Year Entry is aimed at school leavers and other students with no previous nursing qualifications. The Bachelor of Nursing – Later Year Entry is aimed at applicants with either a Diploma in Nursing (Enrolled Nursing) which leads to eligibility for registration as an enrolled nurse with AHPRA; or a minimum of 1.5 years of study in a Bachelor of Nursing at an Australian university.

Bachelor of Nursing (Enrolled Nurses)

📍 Ballarat, Brisbane, Canberra, Melbourne, North Sydney 🕒 2 yrs FT (or equivalent PT)

	Semester 2	Strategic management	Health care ethics	Principles of nursing: medical	Integrating practice 4
YEAR 4	Semester 1	Managing entrepreneurship and innovation	Business administration elective 2	Principles of nursing: chronic illness and disability	Integrating practice 5
	Semester 2	Working with diversity and conflict	Clinical leadership	Principles of nursing: a palliative approach	Transition to professional nursing
YEAR 5	Semester 1	Sustainable organisational change	Building healthy communities	Justice and change in a global world	Integrating practice 6

Top 50

IN THE WORLD FOR NURSING

(#41 ARWU 2018)

Bachelor of Nursing/Bachelor of Paramedicine

📍 Ballarat, Brisbane, Canberra 🕒 4 yrs FT (or equivalent PT)

Take your pick of careers by graduating as both a qualified nurse and paramedic. You will be a skilled and compassionate nurse, with the quick reflexes and cool head of a paramedic.

Prerequisites: **Qld:** English (4, SA). **ACT:** none. **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

Professional experience: At least 800 hours of nursing and at least 360 hours of paramedic placements.

Accreditation: This course is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC) and the Council of Ambulance Authorities Inc (CAA). Graduates are qualified to work as a registered nurse or a registered paramedic. Students will gain from practical experience in a range of health care environments. Graduates are eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA). Paramedicine is regulated by the Australian Health Practitioner Regulation Agency (AHPRA).

Career path examples: Nurse; paramedic; clinical supervisor; clinical educator. With further study in nursing you can work in specialty areas such as critical care; paediatrics; emergency; operating suite. With further study in paramedicine, you could become an intensive-care paramedic; team leader; special operations team rescue paramedic or communications paramedic.

SAMPLE COURSE MAP – BACHELOR OF NURSING/BACHELOR OF PARAMEDICINE					
YEAR 1	Semester 1	Evidence for practice	Beginning professional practice	Human biological science 1	Integrating practice 1: assessment in health
	Semester 2	The person, health and wellbeing	Human biological science 2	Foundations of paramedic practice	Integrating practice 2
YEAR 2	Semester 1	Indigenous health and culture	Principles of nursing: mental health	Paramedic theory: trauma emergencies	Paramedic practice: trauma emergencies
	Semester 2	Principles of nursing: medical	Principles of nursing: contexts of ageing	Paramedic theory: medical 1	Paramedic practice: medical 1
YEAR 3	Semester 1	Self and community: exploring the anatomy of modern society	Principles of nursing: surgical	Integrating practice 3	Paramedic theory and practice: medical 2
	Semester 2	Health care ethics	Principles of nursing: a palliative approach	Integrating practice 4	Paramedic theory and practice: population variances
YEAR 4	Semester 1	Building healthy communities	Principles of nursing: chronic illness and disability	Integrating practice 5	Consolidated and extended paramedic practice
	Semester 2	Clinical leadership	Transition to professional nursing	Integrating practice 6	Pre-hospital major incident management

ACU Brisbane

Bachelor of Paramedicine

 Brisbane, Melbourne, North Sydney  3 yrs FT (or equivalent PT)

As a paramedic, you will learn to be confident in emergency situations, and keep your cool in high-pressure environments. With us, you'll get to practice your skills on placements and in our ambulance and paramedicine labs. You will be prepared to provide unscheduled, out-of-hospital care to patients of all ages, with health issues that span the spectrum of illness and injury.

Prerequisites: **Qld:** English (4, SA). **NSW:** none. **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

Professional experience: At least 360 hours.

Accreditation: This course is accredited by the Council of Ambulance Authorities (CAA). Paramedicine is regulated by the Australian Health Practitioner Regulation Agency (AHPRA). Graduates are qualified to work as a registered paramedic with an ambulance service in Australia and some international organisations as well as in a range of non-emergency, non-ambulance-based areas. Graduates are eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA).

Career path examples: Paramedic in national and international ambulance services; industry or community-based emergency health services. With further study in paramedicine you could become an intensive-care paramedic; team leader; special operations team rescue paramedic or communications paramedic.

SAMPLE COURSE MAP – BACHELOR OF PARAMEDICINE					
YEAR 1	Semester 1	Beginning professional practice	Human biological science 1	Evidence for practice	Foundations of paramedic practice
	Semester 2	Self and community: exploring the anatomy of modern society	Human biological science 2	Paramedic theory: trauma emergencies	Paramedic practice: trauma emergencies
YEAR 2	Semester 1	Indigenous health and culture	Mental health for paramedics	Paramedic theory: medical 1	Paramedic practice: medical 1
	Semester 2	Health care ethics	Contemporary challenges in paramedicine	Paramedic theory: medical 2	Paramedic practice: medical 2
YEAR 3	Semester 1	Justice and change in a global world	Paramedic practitioner health	Paramedic theory: population variances	Paramedic practice: population variances
	Semester 2	Community engagement and paramedic practice innovations		Pre-hospital major incident management	Consolidated and extended paramedic practice

Bachelor of Paramedicine (Professional Entry)

 Online  2 yrs PT  Apply directly to ACU

If you are a diploma-qualified paramedic working as a paramedic with an emergency ambulance service, and would like to boost your qualifications with a bachelor degree, this program is for you. You will build on the skills which prepare you to provide unscheduled, out-of-hospital care to patients of all ages, with health issues that span the spectrum of illness and injury.

Prerequisites: To apply for this program you must have completed a professional qualification in paramedicine, be employed as a paramedic, and be registered as a paramedic with the Australian Health Practitioner Regulation Agency (AHPRA).

Career path examples: Paramedic in national and international ambulance services; industry or community-based emergency health services. With further study in paramedicine you could become an intensive-care paramedic; team leader; special operations team rescue paramedic or communications paramedic.

SAMPLE COURSE MAP – BACHELOR OF PARAMEDICINE (PROFESSIONAL ENTRY)			
YEAR 1	Semester 1	Evidence for practice	Ethics in contemporary practice
	Semester 2	Advanced pharmacology	Major incident and disaster management
YEAR 2	Semester 1	Pre-hospital management of the chronically ill patient	Elective
	Semester 2	Inter-professional practice	Advanced decision-making

Nutrition and biomedical science

**Passion for science.
Compassion for people.**

When you're a scientist, you are a pioneer of change and discovery. You might explore new ways of curing or treating disease, research new medical techniques, or contribute towards a healthier society.

Bachelor of Biomedical Science

📍 Brisbane, Melbourne, North Sydney ⌚ 3 yrs FT (or equivalent PT)

If you're interested in science and its practical application, health care, and how the human body works – biomedical science could be for you. You will learn methods for diagnosing, analysing and treating disease. You'll also gain practical laboratory experience in areas such as anatomy and physiology, biochemistry, genetics, immunology, microbiology, and molecular and cellular biology. We'll be introducing one major and four minors in 2020 (subject to course review approval). The major will be in physiological pharmacology, and minors will be in physiology, pharmacology, nutrition and chemistry.

Prerequisites: **Qld:** English (4, SA) and mathematics A, B or C (4, SA). **NSW:** English (standard) (band 3) or English as an Additional Language (EAL) (band 4); any two units of mathematics (band 2). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; units 3 and 4 – a study score of at least 25 in mathematics (any).

Professional experience: 185 hours, including 80 hours of community engagement and 105 hours of industry immersion.

Career path examples: Medical laboratory scientist; research assistant; consultant; scientific officer; scientific journalist; technical officer; laboratory assistant.

SAMPLE COURSE MAP – BACHELOR OF BIOMEDICAL SCIENCE					
YEAR 1	Semester 1	Research and experimental design	Cells and tissues: the fabric of life	The human body	Numerical reasoning
	Semester 2	Self and community: exploring the anatomy of modern society	Introductory biostatistics	Human body in health and disease 1	Foundations of chemistry
YEAR 2	Semester 1	Issues in bioethics <i>or</i> Health care ethics	Human body in health and disease 2	Human genetics	Organic chemistry and biochemistry
	Semester 2	Pharmacology 1	Introduction to neuroscience	Communicating ideas in science	Industry immersion 1
YEAR 3	Semester 1	Justice and change in a global world	Microbiology and immunology	Elective	Elective
	Semester 2	Community engagement	Exploring problems in human health	Elective	Elective

Note: Electives can be chosen from the offerings of any faculty in the University, and should be discussed with the course coordinator.

Bachelor of Biomedical Science/ Bachelor of Applied Public Health

Melbourne 4 yrs FT (or equivalent PT)

In our biomedical science degree, you will study life processes to understand how the human body works, and learn ways to diagnose, analyse and treat disease. In our applied public health degree you'll look at applying that knowledge to improve systems and services. Combine the two, and you will be helping to prevent disease, prolong life, and promote health and wellbeing in individuals and populations around the world.

Prerequisites: Vic: units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; units 3 and 4 – a study score of at least 25 in mathematics (any).

Professional experience: 290 hours, including 80 hours of community engagement and 210 hours of industry immersion.

Career path examples: Public health officer; community development worker; policy analyst; program evaluator; health educator; project officer; consumer advocate.

SAMPLE COURSE MAP – BACHELOR OF BIOMEDICAL SCIENCE/BACHELOR OF APPLIED PUBLIC HEALTH					
YEAR 1	Semester 1	Cells and tissues – the fabric of life	The human body	Foundations of public health	Indigenous health and culture
	Semester 2	Human body in health and disease 1	Foundations of chemistry	Our world: community and vulnerability	Foundations of health promotion
YEAR 2	Semester 1	Human body in health and disease 2	Organic chemistry and biochemistry	Numerical reasoning	Globalisation, environment and health
	Semester 2	Pharmacology 1	Epidemiology	Public health economics	Introductory biostatistics
YEAR 3	Semester 1	Public health elective	Research and experimental design	Public health policy and law	Bioethics <i>or</i> Health care ethics
	Semester 2	Communicating ideas in science	Contemporary issues in public health	Public health emergency response	Community engagement
YEAR 4	Semester 1	Justice and change in a global world	Applied public health 1	Public health advocacy	Microbiology and immunology
	Semester 2	Programs and practices in health promotion	Applied public health 2	Public health elective	Biomedical science elective

ACU Melbourne

Bachelor of Biomedical Science/ Bachelor of Business Administration

📍 Brisbane, Melbourne, North Sydney 🕒 4 yrs FT (or equivalent PT)

As a biomedical scientist, you will understand life processes and how the human body works, and ways to diagnose, analyse and treat disease. Combine it with a comprehensive knowledge of business and skills in managing people, and you've got all the career options you need.

Prerequisites: **Qld:** English (4, SA) and mathematics A, B or C (4, SA). **NSW:** English (standard) (band 3) or English as an Additional Language (EAL) (band 4), any two units of mathematics (band 2). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; units 3 and 4 – a study score of at least 25 in mathematics (any).

Professional experience: 185 hours, including 80 hours of community engagement and 105 hours of industry immersion, and an optional business professional experience unit.

Career path examples: Medical laboratory administrator; marketing specialist; research assistant; quality assurance officer/analyst.

SAMPLE COURSE MAP – BACHELOR OF BIOMEDICAL SCIENCE/BACHELOR OF BUSINESS ADMINISTRATION					
YEAR 1	Semester 1	Cells and tissues	The human body	Managing people and organisations	Working with technology
	Semester 2	Self and community: exploring the anatomy of modern society	Foundations of chemistry	Human body in health and disease 1	Managing markets
YEAR 2	Semester 1	Numerical reasoning	Organic chemistry and biochemistry	Organisational behaviour	Economics policy frameworks and markets
	Semester 2	Introductory biostatistics	Money matters	Introduction to neuroscience	Business elective
YEAR 3	Semester 1	Introductory biostatistics <i>or</i> Business data analysis	Human body in health and disease 2	Business elective	Bioethics <i>or</i> Health care ethics
	Semester 2	Pharmacology 1	Communicating ideas in science	Industry immersion 1	Biomedical science elective
YEAR 4	Semester 1	Microbiology and immunology	Biomedical science elective	Sustainable organisational change	Managing entrepreneurship and innovation
	Semester 2	Community engagement	Justice and change in a global world	Strategic management	Working with diversity and conflict <i>or</i> Professional experience

Bachelor of Nutrition Science

📍 North Sydney, Melbourne ⌚ 3 yrs FT (or equivalent PT)

As a nutritionist you will give advice on food choices for healthy eating. You'll understand the nutritive value of foods, the nutrients that bodies need at different stages of development, and the role that nutrients and diet play in health promotion and disease prevention. The focus on general health care, chronic disease management, and Indigenous health will prepare you for work in the emerging areas of need in the industry.

Prerequisites: **NSW:** English (standard) (band 2) or English as an Additional Language (band 3). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

Professional experience: 80 hours of community engagement.

Career path examples: Nutrition scientist; nutrition advisor; nutrition research in government or non-government agencies; public health nutrition; food science; sports nutrition.

SAMPLE COURSE MAP - BACHELOR OF NUTRITION SCIENCE					
YEAR 1	Semester 1	Foundations of chemistry	Cells and tissues	Introduction to nutrition	Foundations of public health
	Semester 2	Physical and organic chemistry	Human body in health and disease 1	Food science	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Biochemistry	Human body in health and disease 2	Lifespan nutrition	Indigenous health and culture
	Semester 2	Advanced metabolic biochemistry	Nutritional physiology	Foundations of health promotion	Epidemiology
YEAR 3	Semester 1	Diet, health and disease	Food safety: compliance and management	Elective	Public health research methods
	Semester 2	Community and public health nutrition	Food product design and development	Elective	Justice and change in a global world

Bachelor of Nutrition Science/ Bachelor of Business Administration

📍 Melbourne, North Sydney ⌚ 4 yrs FT (or equivalent PT)

In our nutrition science degree, you will learn about the nutritive value of foods, the nutrients that bodies need at different stages of development, and the role that nutrients and diet play in health promotion and disease prevention. Our business administration course will give you a comprehensive knowledge of business. Together, they provide a world of opportunities.

Prerequisites: **NSW:** English (standard) (band 3) or English as an Additional Language (EAL) (band 4). **Vic:** units 3 and 4 – a study score of at least 30 in English as an Additional Language (EAL) or 25 in any other English.

Professional experience: One compulsory unit of community engagement and an optional business professional experience unit.

Career path examples: Working with national and international health agencies; working with state and federal government health departments; public health nutritionist; industry nutritionist; private practice nutritionist; nutrition assessment; nutrition communicator; food science and technology industry; food safety and regulation; quality assurance; research and product development; education sector.

SAMPLE COURSE MAP - BACHELOR OF NUTRITION SCIENCE/BACHELOR OF BUSINESS ADMINISTRATION					
YEAR 1	Semester 1	Introduction to chemistry	Cells and tissues	Introduction to nutrition	Working with technology
	Semester 2	Human body in health and disease 1	Food science	Managing people and organisations	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Human body in health and disease 2	Lifespan nutrition	Managing markets	Organisational behaviour
	Semester 2	Physical chemistry	Nutritional physiology	Money matters	Business elective 1
YEAR 3	Semester 1	Biochemistry	Diet, health and disease	Foundations of public health	Economics: policy frameworks and markets
	Semester 2	Advanced metabolic chemistry	Epidemiology	Sustainable organisational change	Strategic management
YEAR 4	Semester 1	Food safety: compliance and management	Public health research methods	Business elective 2	Managing entrepreneurship and innovation
	Semester 2	Community and public nutrition <i>or</i> Community engagement: building strengths and capabilities	Food product design and development	Working with diversity and conflict <i>or</i> Professional experience	Justice and change in a global world

Note: Business electives - students are required to choose two of the following business administration units: International business, Applied human resource management, Marketing communications: engaging stakeholders.

Philosophy

Want better answers? Ask bigger questions.

Philosophy is both an ancient tradition of thought, and a cutting-edge, contemporary discipline that provides you with the skills to think deeply and beyond the 'taken for granted'. It's transformative for every life and every profession. So start a conversation, challenge your thinking, and ask the big questions.

Bachelor of Theology/Bachelor of Philosophy

 Ballarat, Brisbane, Canberra, Melbourne, Strathfield  4 yrs FT (or equivalent PT)

Combining the study of theology and philosophy isn't just intellectually rewarding, it's also culturally enriching, socially valuable, and will give you skills prized by employers. You will explore the foundations of the modern world and the nature of thought, existence and belief systems. This will enhance your ability to engage with and respond to the challenges faced by today's societies, governments and organisations. If you're interested in an overseas experience, you can study at our Rome Campus, at one of our partner universities around the world, or join a study tour to Israel.

Prerequisites: **Qld:** English (4, SA). **Vic:** units 3 and 4 – a study score of at least 30 in English as an Additional Language (EAL) or 25 in any other English. **ACT/NSW:** none.

ACU pathways into this course: Certificate in Theology, Certificate in Philosophy.

Career path examples: Theology/philosophy lecturer, researcher or academic; teacher or curriculum designer (with further study); journalist or writer; chaplain; minister of religion; youth minister; counsellor, social worker or psychologist (with further study); pastoral associate or lay minister; community worker/advocate; ethics consultant to businesses; bioethics or health care ethics consultant; public policy advisor; diplomatic or consular officer.

SAMPLE COURSE MAP – BACHELOR OF THEOLOGY/BACHELOR OF PHILOSOPHY						
YEAR 1	Semester 1	Introduction to the Bible*	Christianity established: from sect to society*	Philosophy: the big questions (PM)*	Elective	Integrated theological studies A*
	Semester 2	What Christians believe*	Prayer and liturgy*	Introduction to ethics (PM)*	Self and community: exploring the anatomy of modern society*	Integrated theological studies A* (midyear entry only)

*This unit is offered annually. All other units are offered on a two-year cycle.

Note: Unit offerings vary across all campuses. Philosophy major (PM) units are flexible. Students can select from a broad range of philosophy units to complete their major (the listed units are examples of available units).

Note: The Bachelor of Theology is currently under review and units may be subject to change.

Majoring/minoring in philosophy

Studying philosophy is a practical choice. It will broaden and enrich your studies and prepare you with the skills to succeed across a variety of careers. You will sharpen your clarity of thought, be exposed to a broad range of ideas and further develop qualities prized by employers, such as communication and critical thinking. The Bachelor of Theology/Bachelor of Philosophy allows you to immerse yourself in philosophy within the context of the Catholic intellectual tradition, and from 2020 the new Bachelor of Philosophy/Bachelor of Laws will be available. You can also complete a philosophy major or minor in the Bachelor of Arts, Bachelor of Psychological Science/Bachelor of Arts and Bachelor of Theology. You can complete a philosophy minor in the Bachelor of Commerce and Bachelor of Psychological Science. Other courses also allow you to take one or more philosophy units.

Psychology

Making sense of the world makes a world of sense.

As a psychologist, you will empower others to improve their lives. And gain the skills to make a real difference to individuals and the community.

Bachelor of Psychological Science

Melbourne, Strathfield 3 yrs FT (or equivalent PT)

Explore how the mind works and why people behave the way they do. Our program looks at human behaviour and includes a focus on Indigenous and multicultural issues to reflect Australian society today.

Prerequisites: **NSW:** English (standard) (band 2) or English as an Additional Language (EAL) (band 3). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

Accreditation: This program is currently accredited by the Australian Psychology Accreditation Council (APAC) and approved by the Psychology Board of Australia (PsyBA). Upon completion of an APAC accredited undergraduate degree, students who go on to complete either the honours or Graduate Diploma in Psychology will be eligible for provisional registration as a psychologist with the PsyBA. Please note that after completion of an APAC accredited undergraduate degree, a further minimum of three years education and training in psychology are required to register as a psychologist in Australia. This course is undergoing a scheduled re-assessment of its accreditation status in 2019 for 2020 onwards.

Career path examples: Welfare support officer; deployment consultant; child care worker; career counsellor; research assistant; case worker; juvenile justice officer; drug and alcohol counsellor; advertising agent. Upon completion of this degree, you will be eligible to apply for further studies in psychology. ACU offers the Bachelor of Psychological Science (Honours), Graduate Diploma in Psychology, Master of Professional Psychology, Master of Psychology (Clinical), and Master of Psychology (Educational and Developmental).

SAMPLE COURSE MAP – BACHELOR OF PSYCHOLOGICAL SCIENCE

	Semester 2	Justice and change in a global world	Motor control and learning	Elective	Elective

ACU Brisbane

Bachelor of Sport and Outdoor Education

📍 Brisbane, Melbourne, Strathfield 🕒 3 years

Become a leader in outdoor education and recreation. You will learn about human health, wellness and performance, with a focus on the role of sport, exercise and outdoor education. You'll examine these areas from a psychological, physiological and exercise prescription perspective, and explore them in the contexts of community health, wellbeing, recreational physical activity, sports performance and outdoor education leadership.

Prerequisites: **NSW:** English (standard) (band 3). **Qld:** English (4, SA). **Vic:** units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

See our website for recommended studies.

Professional experience: 140 hours.

Accreditation: Teacher registration*. Depending on the elective units chosen, graduates can seek teacher registration by completing a Master of Teaching. Each state has specific discipline requirements. In Victoria, it is the Victorian Institute of Teaching (VIT), in NSW, the Board of Studies, Teaching and Educational Standards (BOSTES) and in Queensland, the Queensland College of Teachers (QCT). This degree will meet the specific registration requirements in each state. Graduates are eligible for membership with the Australian Council for Health, Physical Education and Recreation (ACHPER).

Career path examples: Outdoor education instructor; commercial and educational outdoor leader; adventure therapist; outdoor recreation leader; camp director.

SAMPLE COURSE MAP** – BACHELOR OF SPORT AND OUTDOOR EDUCATION					
YEAR 1	Semester 1	Growth, motor development and ageing	Foundations of the outdoor experience	Nutrition and exercise	Human biology 1
	Semester 2	Anatomical foundations of exercise science	Journeying in the natural world	Leadership development in team games	Self and community: exploring the anatomy of modern society
YEAR 2	Semester 1	Psychology of sport	The aquatic environment and the outdoor experience	Research and ethics in exercise science	Elective
	Semester 2	Physiological bases of exercise	Leadership and the outdoor experience	Motor control and learning	Elective
YEAR 3	Industry experience preparation				
	Semester 1	Leadership development in physical activity	River journeys and connections to place	Industry experience	
	Semester 2	Justice and change in a global world	Evaluation of the outdoor experience	Elective	Elective

*Equivalent registration of Certificate III and Certificate IV in Fitness. Depending on the elective units chosen, students can fulfil the required competencies to facilitate student application for equivalent registration of Certificate III and IV in Fitness by completion of second year or after.

**Map may vary depending on campus.

ACU Brisbane

Teaching and education

Teach the mind. Inspire the soul.

If teaching is your dream, you will get the chance to make a huge difference to the lives of young people. You'll shape minds, inspire ambition and impact the future.

Note:
For successful completion of all initial teacher education courses, students are required to demonstrate they have met mandatory approved benchmarks in both literacy and numeracy, evidenced through LANTITE (Literacy and Numeracy Test for Initiation Teacher Education).

Bachelor of Education (Early Childhood and Primary)

📍 Ballarat, Brisbane, Canberra, Melbourne, North Sydney, Strathfield ⌚ 4 yrs FT (or equivalent PT)

As an early childhood and primary teacher you will inspire and help children develop critical lifelong skills. Qualified to teach from birth to Year 6, you'll engage them through key curriculum areas like art, music, maths, science and literacy. You will also gain the practical skills to manage social, cultural and developmental diversity. By selecting religious education and/or theology units, you will be eligible to teach in Catholic and other faith-based schools.

Prerequisites: **Qld:** English (4, SA), mathematics A, B or C (4, SA), science (any) (4, SA). **NSW:** three band 5 HSC results, including one in English. **Vic:** units 3 and 4 – a study score of at least 30 in English as an Additional Language (EAL) or 25 in any other English. Units 1 and 2 – two units (any study combination) of general mathematics, mathematical methods or specialist mathematics or units 3 and 4 – mathematics (any).

Assumed knowledge: **ACT:** major in English (T), major in mathematics (T). **NSW:** two units of mathematics (band 4).

Additional selection criteria: To apply for this course you will need to complete a suitability for teaching assessment as part of your application. The assessment ensures students have a balanced mix of academic and non-academic qualities.

ACU pathways into this course: Bachelor of Early Childhood Education (Birth to Five Years), Bachelor of Educational Studies, Diploma in Educational Studies (Tertiary Preparation), Diploma of Early Childhood Education and Care.

Professional experience: 95 days total. Year 2: 25 days, 20 days, 5 days. Year 3: 15 days, 70 hours community engagement. Year 4: 30 days.

Accreditation: Graduates are eligible for registration as a primary and early childhood teacher in government, independent, Catholic, and other faith-based schools. This program is approved by the Australian Children's Education and Care Quality Authority (ACECQA) as an early childhood teacher qualification.

Career path examples: Early childhood teacher; primary school teacher; educator; policy developer.

Top 75

IN THE WORLD FOR EDUCATION

(#51 – 75 ARWU 2018)

Bachelor of Education (Fourth Year Upgrade)

-  Online  1-1.5 yrs FT or equivalent PT (1 yr for those with 3 yr degree and 1.5 yrs for those with 2 yr degree)
-  Apply directly to ACU

If you are a two- or three-year trained teacher and want to upgrade your diploma or Bachelor of Teaching to a Bachelor of Education, or you're returning to teaching after a long absence – this is the program for you. You can choose to specialise in primary, secondary, or early childhood education.

Prerequisites: To apply for this program you must have completed a minimum two-year pre-service course of teacher education, and have demonstrated teaching experience.

Bachelor of Educational Studies

-  Ballarat, Brisbane, Canberra, Melbourne, North Sydney, Strathfield  3 yrs FT (or equivalent PT)

Take your first step towards teaching or other education-related fields and gain necessary knowledge to pursue a career in corporate training, educational consultancy, online learning, vocational and community education, curriculum writing, youth services or adult learning.

This course is a pathway for students who are passionate about becoming teachers but do not achieve the entry requirements. Students who successfully complete their first year of study (subject to meeting certain progression and non-academic requirements) will be guaranteed entry into the second year of the Bachelor of Education (Primary) or the Bachelor of Education (Early Childhood and Primary).

Prerequisites: Year 12 with the ACU minimum eligibility rank for bachelor degree courses.

ACU pathways into this course: Diploma in Educational Studies (Tertiary Preparation).

Career path examples: Corporate trainer; educational designer; curriculum writer; educational consultant; vocational educator; adult learning advisor. Further study will enable you to become an early childhood, primary or secondary school teacher.

Bachelor of Teaching/Bachelor of Exercise Science

 Brisbane, Melbourne  4 yrs FT (or equivalent PT)

Combine your love of sport and exercise with teaching to be a standout in the classroom. As a health, PE or personal development teacher, you will understand how the human body works, and the vital role of exercise in health, wellbeing and performance.

Prerequisites: **Qld:** English (4, SA), mathematics A, B or C (4, SA). **Vic:** units 3 and 4 – a study score of at least 30 in English as an Additional Language (EAL) or 25 in any other English. Units 1 and 2 – two units (any study combination) of general mathematics, mathematical methods or specialist mathematics or units 3 and 4 – mathematics (any). Assumed knowledge for study in mathematics: mathematical methods units 3 and 4.

Additional selection criteria: To apply for this course you will need to complete a suitability for teaching assessment as part of your application. The assessment ensures students have a balanced mix of academic and non-academic qualities.

ACU pathways into this course: Diploma in Educational Studies (Tertiary Preparation), Bachelor of Exercise and Sports Science, Bachelor of Physical Activity and Health Science, Bachelor of Sport and Outdoor Education, Bachelor of High Performance Sport, certificate or Advanced Certificate in Exercise Science.

Professional experience: 80 days total. Year 2: 5 days, 15 days, 5 days professional and community engagement. Year 3: 15 days. Year 4: minimum 45 days.

Accreditation: Graduates are eligible for registration as a secondary teacher in government, independent, Catholic, and other faith-based schools.

Career path examples: PE, HOPE and HPE secondary school teacher; teacher in TAFE, vocational education, community education centres, private colleges and special education settings.

SAMPLE COURSE MAP – BACHELOR OF TEACHING/BACHELOR OF EXERCISE SCIENCE						
YEAR 1	Semester 1	Growth, motor development and ageing	Human biology 1	Minor 1	Interpreting and communicating ideas	Literacy and numeracy diagnostic
	Semester 2	Anatomical foundations of exercise science	Leadership development in team games	Minor 2	Self and community: exploring the anatomy of modern society	
YEAR 2	Semester 1	Nutrition and exercise	Minor 3	Contexts for learning and development in a diverse society	Understanding the psychology of learning in diverse communities: professional and community experience (5 days)	Literacy and numeracy test
	Semester 2	Psychological bases of exercise	Mechanical bases of human movement	Minor 4	Creating inclusive, safe and supportive learning environments: professional and community experience (15 days)	
YEAR 3	Semester 1	Leadership development in physical activity	Psychology of sport	Major: curriculum, pedagogy and assessment in physical education 1	Minor: curriculum, pedagogy and assessment	
	Professional Term 5	Engaging student learning through reflective practice: professional and community experience (15 days)				
YEAR 4	Semester 2	Motor control and learning	Engaging student learning through reflective practice(15 days)	Major: curriculum, pedagogy and assessment in physical education 2	Minor: curriculum, pedagogy and assessment in the relevant minor 2	
	Semester 1	Justice and change in a global world	Education elective	Assessment practices and evaluation	Catering for diversity and inclusion in the classroom	
	Professional Term 1 or 5	Transition into secondary teaching				
	Semester 2		Transforming practice through critical enquiry and evidence-based practice: professional and community experience (45 days)			

Note: Units for your minor or second teaching area must be chosen from an approved teaching discipline such as those defined in the Bachelor of Teaching/Bachelor of Arts on page 91.

To be eligible for teacher registration you must undertake study in an exercise science major plus one of the approved teaching disciplines as follows:

Brisbane: business studies, drama, history, geography, literature, music, outdoor education, theological studies or study of religions, or visual arts.

Melbourne: drama, health, history, geography, literature, mathematics, psychology, theological studies or study of religions.

Bachelor of Teaching/Bachelor of Arts

Humanities: Brisbane, Melbourne, Strathfield. **Mathematics:** Melbourne, Strathfield. **Technology:** Strathfield.
Visual arts: Melbourne, Strathfield  4 yrs FT (or equivalent PT)

Our secondary teaching and arts double degrees give you the flexibility to combine your interest in teaching with a humanities, mathematics, technology or visual arts first teaching area. You can choose from a wide range of majors and minors – with minors becoming your second teaching area. To see what's on offer, refer to the table on page 93.

Prerequisites: **Qld:** English (4, SA), mathematics A, B or C (4, SA). **Vic:** units 3 and 4 – a study score of at least 30 in English as an Additional Language (EAL) or 25 in any other English. Units 1 and 2 – two units (any study combination) of general mathematics, mathematical methods or specialist mathematics or units 3 and 4 – mathematics (any).

Assumed knowledge: **NSW:** three band 5 HSC results, including one in English. For study in mathematics: mathematics (not mathematics general 2). **Vic:** for study in mathematics: mathematical methods units 3 and 4. AMEB Grade VI or Year 12 practical music for study in music.

Additional selection criteria: To apply for these courses you will need to complete a suitability for teaching assessment as part of your application. The assessment ensures students have a balanced mix of academic and non-academic qualities.

ACU pathways into this course: Bachelor of Arts, Diploma in Educational Studies (Tertiary Preparation).

Professional experience: 80 days total. Year 2: 5 days, 15 days. Year 3: 15 days. Year 4: minimum 45 days.

Accreditation: Graduates are eligible for registration as a secondary teacher in government, independent, Catholic, and other faith-based schools.

Career path examples: Secondary school teacher in areas including humanities, mathematics, technology and visual arts.

Bachelor of Teaching/Bachelor of Arts (Humanities)

 Brisbane, Melbourne, Strathfield

This course leads to a career in secondary teaching with a specialisation in a range of humanities areas (see table on page 93). As a humanities teacher, you'll support your students to develop their historical, geographical, social, and economic understanding of societies.

Bachelor of Teaching/Bachelor of Arts (Mathematics)

 Melbourne, Strathfield

Gain the skills and expertise to become a secondary mathematics teacher. As a graduate of this course, you will be a qualified mathematics teacher proficient in innovative curriculum, teaching and assessment practice. This course includes university level mathematics, extending your knowledge to ensure you have a deep understanding of the content in the secondary school curriculum and where it might lead. You will develop a contemporary understanding of the variety of ways students learn mathematics and the diversity of teaching approaches needed to ensure all students understand mathematics.

Bachelor of Teaching/Bachelor of Arts (Technology)

 Strathfield

Are you passionate about technology? Gain the skills to become a technology teacher in secondary schools. You will develop the professional knowledge, skills and attitudes required of an effective classroom teacher and learn about the technology curriculum. Technology subjects in the core units and chosen areas of study cover:

- design technology
- industrial design
- food technology
- textiles.

Bachelor of Teaching/Bachelor of Arts (Visual Arts)

 Melbourne, Strathfield

Share your passion in visual arts. This course will help you build your skills in visual media and give you the qualifications to become a secondary teacher. During the degree, you will cover two-dimensional media areas such as drawing, painting, printmaking and photography and three- and four-dimensional areas such as sculpture and object design.

You will gain substantial professional practical experience during the course, such as preparing and curating exhibitions or preparing and developing a commissioned artistic project. As a graduate, you will be a qualified visual arts teacher who is proficient in innovative curriculum, teaching and assessment practice.

Pathways into a teaching degree

If you don't meet the requirements for entry into your chosen teacher education course, don't panic. There's more than one way to get into teaching at ACU. We offer a range of pathway programs that allow you to transfer into your desired course after successfully completing one year of study.

- **The Bachelor of Early Childhood Education (Birth to Five Years)** is a pathway into the Bachelor of Education (Early Childhood and Primary).
- **The Bachelor of Educational Studies** is a pathway for the Bachelor of Education (Primary) and the Bachelor of Education (Early Childhood and Primary).
- **The Bachelor of Arts** is a pathway for the Bachelor of Teaching/Bachelor of Arts.
- **The Bachelor of Exercise and Sports Science, Bachelor of Physical Activity and Health Science, Bachelor of Sport and Outdoor Education, and the Bachelor of High Performance Sport** are pathways into the Bachelor of Teaching/Bachelor of Exercise Science.

Diploma in Educational Studies (Tertiary Preparation)

 Ballarat, Brisbane, Canberra, Melbourne, North Sydney, Strathfield  1 yr FT  Apply directly to ACU

If you want to complete a preservice teaching degree in early childhood, primary, or secondary education, but don't meet the entry requirements, this is for you. After successfully completing this pathway course, you can enter your chosen degree and gain credit for completed units.

Prerequisites: Year 12 or equivalent with the ACU minimum eligibility rank for diploma programs.

Diploma of Early Childhood Education and Care (CHC50113)

 Brisbane, Melbourne  18 months FT  Apply via ACU College RTO ID (3578).

If you are looking for career advancement in early childhood, or want to complete the Bachelor of Early Childhood Education (Birth to Five) or Bachelor of Education (Early Childhood and Primary) but don't meet the entry requirements, this is for you. After successfully completing this pathway course, you can enter your chosen degree and gain credit for completed units.

Prerequisites: Year 12 or equivalent. Visit acu.edu.au/acucollege for more information.

Certificate in Education Support (Pathway) (CHC40213)

 Brisbane, Melbourne  12 months FT  Apply via ACU College RTO ID (3578).

If you want to complete a preservice teaching degree in primary education, but don't meet the entry requirements, this is for you. After successfully completing this pathway course, you can enter your chosen degree and gain credit for completed units.

Prerequisites: Year 12 or equivalent. Visit acu.edu.au/acucollege for more information.

Further study to become a teacher

If you've completed an undergraduate degree that aligns with an area of school curriculum, and you want to become a teacher, we've got the postgraduate programs to help you get there. The following courses will allow you to qualify as a teacher, and you can combine them with the Graduate Certificate in Religious Education if you'd like to teach in Catholic and other faith-based schools.

Master of Teaching (Early Childhood and Primary)

 Online  2 yrs FT (or equivalent PT)

Prerequisites: To apply for this program you must:

- have successfully completed a bachelor degree or equivalent qualification with subject content studies equivalent to one year of full-time study in one or more learning areas of the primary school curriculum, including subject content studies equivalent to one quarter of a year in a selected subject specialisation of English or mathematics
- demonstrate suitability for teaching.

Master of Teaching (Primary)

 Melbourne, Strathfield  2 yrs FT (or equivalent PT), 1.5 yrs FT accelerated mode*

Prerequisites: To apply for this program you must:

- have successfully completed a bachelor degree or equivalent qualification, with subject content studies equivalent to one year full-time study in one or more learning areas of the primary school curriculum
- demonstrate suitability for teaching.

Master of Teaching (Secondary)

 Brisbane, Canberra, Melbourne, Strathfield  2 yrs FT (or equivalent PT), 1.5 yrs FT accelerated mode*

Prerequisites: To apply for this program you must:

- have successfully completed a bachelor degree or equivalent qualification, with a major study in one teaching area, and a separate minor study in a second teaching area, that may be separate from or related to the major study area
- be able to select from teaching areas that are available within the course and meet the requirements of your local state/territory registration authority (the combination of teaching areas identified would usually prepare the applicant to teach across all year levels of secondary teaching)
- demonstrate suitability for teaching.

* Subject to unit availability

Theology

Seeking answers to life's big questions.

Do you want to explore the purpose of existence and living, and uncover the meaning of faith seeking understanding? Welcome to theology – food for your enquiring mind.

Bachelor of Theology

📍 Ballarat, Brisbane, Canberra, Melbourne, Strathfield 🕒 3 yrs FT (or equivalent PT)

Framed by the Catholic intellectual tradition, this course will introduce you to the richness and breadth of theological scholarship. By choosing theology, you will get to explore knowledge, identity and value, and uncover the meaning and significance of faith – graduating with skills prized by employers. You will study systematic theology, ministry, liturgy, ancient languages, biblical studies, and philosophy – with the flexibility to choose units from other disciplines. If you're interested in an overseas experience, you can study at our Rome Campus, at one of our partner universities around the world, or join a study tour to Israel.

Prerequisites: **Qld:** English (4, SA). **Vic:** units 3 and 4 – a study score of at least 30 in English as an Additional Language (EAL) or 25 in any other English. **ACT/NSW:** none.

ACU pathways into this course: Certificate in Theology.

Career path examples: Chaplain; minister of religion; youth minister; social worker; pastoral associate or lay minister; community worker or advocate; primary school teacher or secondary school teacher (with further study); theology lecturer, researcher or academic; journalist or writer.

SAMPLE COURSE MAP – BACHELOR OF THEOLOGY						
YEAR 1	Semester 1	Introduction to the Bible*	Christianity established: from sect to society*	Elective	Elective	Integrated theological studies A*
	Semester 2	What Christians believe*	Prayer and liturgy*	Self and community: exploring the anatomy of modern society*	Elective	Integrated theological studies A* (midyear entry only)
YEAR 2	Semester 1	New Testament letters <i>or</i> The canonical gospels	Christ, creation and salvation <i>or</i> The Triune God	Elective	Elective	
	Semester 2	Biblical prophets <i>or</i> Narratives of ancient Israel	Christian symbol, ritual and sacrament* <i>or</i> Introduction to moral theology	Elective	Elective	
YEAR 3	Semester 1	New Testament letters <i>or</i> The canonical gospels	Christ, creation and salvation <i>or</i> The Triune God	Justice and change in a global world*	Elective	Integrated theological studies B
	Semester 2	The Bible and social justice* <i>or</i> Theology: integration and synthesis*		Christian symbol, ritual and sacrament* <i>or</i> Introduction to moral theology	Biblical prophets <i>or</i> Narratives of ancient Israel	

*This unit is offered annually. All other units are offered on a two-year cycle.

Note: Unit offerings vary across all campuses. Electives may be taken in biblical studies, Christian thought, ancient languages, studies of religion, philosophy and arts and social sciences.

Note: The Bachelor of Theology is currently undergoing a major review. This sample course map may not reflect the actual sequence students will undertake.

ACU Ballarat

Applying to ACU

We know that applying for a uni course can seem a bit confusing at times. So, we've broken it down into five easy steps.

acu.edu.au/apply

1.

Choose the course you'd like to study, and check the entry requirements

- Browse the courses in this guide.
- Visit acu.edu.au/courses
- Attend Open Day or one of our many info sessions – see the back cover for dates.
- Book a campus tour at acu.edu.au/campus-tours

2.

Review our entry programs and scholarship opportunities

- See pages 102 to 105 for more information.

3.

Apply for your chosen course through UAC, QTAC or VTAC – depending on your location

- UAC (NSW and ACT) at uac.edu.au
- QTAC (Qld) at qtac.edu.au
- VTAC (Vic) at vtac.edu.au

4.

If you receive an offer

- Congratulations and welcome to ACU! You will need to accept your offer and complete your enrolment online.

5.

If you didn't receive an offer

- Don't stress, we provide many different entry options and pathways. Check out page 100 for more information.

Pathways to ACU

If you're worried that you won't get into your preferred university course, don't panic. That's why we have admission pathways.

They provide alternative options if you didn't get the score you need, haven't completed Year 12, or don't meet some other requirement.

PATHWAYS THROUGH ACU

Complete a vocational education course with ACU College RTO ID (3578).	ACU College is ACU's Vocational Education and Training (VET) provider and offers a range of certificate and diploma courses that can help you get into your chosen degree. Areas of study include education, nursing, individual support, management and leadership, and early childhood education. Applications are made directly to ACU College. acu.edu.au/acucollege
Complete a tertiary preparation course	Think associate degrees, diplomas, and certificates. These are a great pathway for students who don't meet the admission requirements, and we offer a huge range. By completing one of these courses in a field similar to the degree you'd like to study at ACU, you may be able to apply for a Commonwealth Supported Place (CSP), and gain credit towards your ACU degree. In some cases, you can go straight into the second year of the relevant undergraduate degree. Contact acu.edu.au/askacu to find the best path for you. acu.edu.au/pathwayprograms
Transfer between campuses	ACU has campuses around Australia, and entry scores can vary between locations. This means if you're set on a particular degree but don't get the marks to study at your preferred campus, you may be able to enrol at a campus where it has a lower entry score, and then transfer to your preferred location later on. Conditions apply, so visit the website for more details. acu.edu.au/transfers
Transfer between courses	You can apply to study a course with similar subjects but a lower entry score or fewer prerequisites, and use this as a pathway into your ideal course. And as you'll receive credits for most if not all completed units, it may not take you any longer to complete your degree. acu.edu.au/transfers

PATHWAYS THROUGH TAFE

We have a wide range of partnership agreements with TAFE and other private VET providers, which guarantee entry into an ACU degree and/or credit for your previous studies.

acu.edu.au/tafe

PATHWAYS THROUGH THE WORKFORCE

Not everyone goes straight to uni after finishing high school. If you're 21 years or older, your work and life experience can potentially be converted into a selection rank for entry into your chosen degree. Your rank will be based on criteria such as your skill level at work, and how long you have been in the role.

acu.edu.au/priorlearning

PATHWAYS THROUGH OTHER INSTITUTIONS

If you're studying at another university, and you'd like to make the switch to ACU, you can apply for a credit transfer.

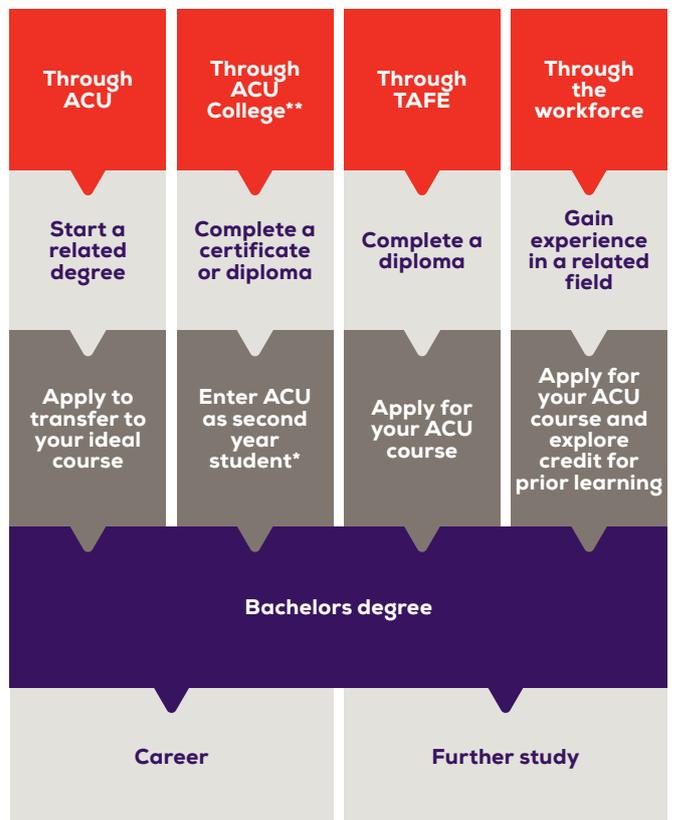

acu.edu.au/priorlearning

SPECIAL TERTIARY ADMISSIONS TEST

If you don't have a selection rank, or a recent academic history, you can still get into university. The Special Tertiary Admissions Test (STAT) is a two-hour, multiple-choice aptitude test that allows applicants who are 21 years or older to demonstrate their potential for tertiary study.

acu.edu.au/stat

FIND YOUR PATH TO ACU

*Conditions apply **ACU College RTO ID (3578).

Entry programs

Entry programs improve your chances of getting into your preferred course by considering criteria other than your selection rank.

ELITE ATHLETE AND PERFORMER PROGRAM

As an elite athlete or performer, you're always reaching for the top. And we'll help you get there. The Elite Athlete and Performer Program (EAPP) is designed to help you maintain sporting and performance excellence while studying. You may receive up to five adjustment factors (previously known as bonus points) when you apply to ACU, and you will benefit from flexible timetables, academic support, and financial scholarships. Apply via the ACU website.

acu.edu.au/eapp

PASSION FOR BUSINESS

If you are currently in Year 12, and passionate about studying business or commerce at ACU, you may be eligible for an early offer and guaranteed entry.

acu.edu.au/p4b

PASSION FOR LAW

If you are currently in Year 12 and passionate about studying law at ACU, you may be eligible for an early offer and guaranteed entry.

acu.edu.au/p4law

Move forward by giving back

Community Achiever Program (CAP)

There are no limits to what you can achieve as a volunteer – and we're with you all the way.

WHY MAKING A DIFFERENCE MAKES A DIFFERENCE TO YOUR DEGREE

If you regularly volunteer through your school, workplace, community organisation, or cultural or religious group, we want to recognise your contribution – and reward you.

By joining our Community Achiever Program (CAP), you'll be rewarded with an early offer to study with us in 2020, relieving you of months of waiting and uncertainty. And during your time with us, we'll help you enhance your leadership and community-building skills.

Who is eligible for CAP?

To be eligible for the program, you'll be assessed on your positive community impact and you must meet the following criteria:

1. Demonstrated voluntary involvement in your community.
2. Satisfy any prerequisite requirements and minimum entry score for your chosen degree (visit acu.edu.au/courses).
3. The ACU course selected on your CAP application needs to be listed as your highest eligible preference when completing your TAC (QTAC, VTAC or UAC) application.

Both current Year 12 students and non-school leavers are welcome to apply. International students currently completing Year 12 are also eligible to submit an application for CAP.

Volunteering examples

- School leadership positions
- St Vincent de Paul Society
- Surf Life Saving Club
- Lifeline activities
- Youth Ministries Australia
- local government activities
- volunteer fire brigade services
- peer mentoring/support programs
- aged-care facilities
- music or liturgy groups
- assisting people with disabilities, refugees or youth at risk
- Scouts, Girl Guides and more.

Visit our website for more volunteering examples.

ABORIGINAL AND TORRES STRAIT ISLANDER ADMISSION PROGRAM

If you are Aboriginal and Torres Strait Islander you may be eligible to apply for entry to an ACU program through our Aboriginal and Torres Strait Islander admission program. This program considers factors other than your ATAR/OP. Through the program you will meet with a member of the Indigenous Higher Education Unit and a faculty representative. Your potential to undertake study will be based upon any of your previous studies, life experiences and achievements. Applications for most courses are made directly through the relevant state Tertiary Admissions Centre (UAC, QTAC or VTAC). For more information you can contact the Indigenous Higher Education Units.

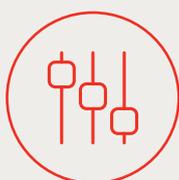

acu.edu.au/atsi

SCHOOLS RECOMMENDATION SCHEME - CANBERRA/NORTH SYDNEY/STRATHFIELD

If your school recommends you based on your aptitude or ability in certain areas of study, you may be eligible for early entry to ACU. The Schools Recommendation Scheme (SRS) uses criteria other than or in addition to your ATAR, and applications are made through UAC.

uac.edu.au/srs

ADJUSTMENT FACTORS

Adjustment factors (previously known as bonus points) can help you gain access to university. If you are eligible, your selection rank will automatically be adjusted to give you a new entry score. There is a maximum of 12 points applied across the following programs:

Year 12 subject

When you show outstanding achievement in subjects relevant to the course you are applying for.

Access ACU

Schools relationship: When you attend a school that has a strong relationship with ACU, is geographically close, or is part of our social and equity pathways.

Campus: If you live in an area of strategic importance to an ACU campus.

Regional schools: If your school has been identified as regional.

Educational access schemes

If you have been unable to reach your full potential or had restricted access to the courses of your choice due to life experiences, such as financial hardship, personal illness, home environment and responsibilities, education disruption, and English language difficulties, you may be eligible for an educational access scheme. Applications for the Educational Access Scheme (Qld, NSW and ACT) and Special Entry Access Scheme (Vic) must be made directly to your Tertiary Admissions Centre.

acu.edu.au/adjustmentfactors

Fees and scholarships

Scholarships

We believe that where you come from doesn't have to define where you're going. And while there are financial commitments that come with university study, this shouldn't stop you from pursuing your goals. That's why we offer almost 400 scholarships to support you along the way.

Types of scholarships

Our scholarships range in value from \$1,000 to \$20,000, and are available to eligible students studying in every discipline across all of our campuses.

Our scholarships fall into two categories:

- Merit scholarships – awarded to students who have excelled in some area.
- Equity scholarships – provide support to students who are facing financial hardship or other disadvantages.

Creating Opportunity Fund (COF) scholarships

To create even more opportunities for our students, we've developed our COF scholarships. Valued at \$4,000 each, they are designed to support you to achieve your goals, no

matter what circumstances you may be facing. And unlike many equity scholarships, our eligibility criteria are flexible, so we can provide support where it's needed most.

acu.edu.au/COFscholarship

Applying

You're welcome to apply for as many scholarships as you're eligible for. Check out our online scholarship browser to explore opportunities and find the ones that are right for you. Applications are submitted online.

acu.edu.au/scholarships

Lay Lay
ACU scholarship recipient

FEES

Most Australian students will be studying in a Commonwealth Supported Place (CSP), where the Australian Government makes a contribution to the cost of your study, and you pay the 'student contribution'.

Depending on the course, a CSP undergraduate student at ACU in 2019 pays between \$6,560 and \$10,396 per year of study. These fees may change for 2020.

Most Australian students pay their student contribution through the HECS-HELP scheme. This means the government lends you the money, and you start repaying the loan once your income gets above a certain amount. Alternatively, you can pay your student contribution upfront by the due date.

There is also a range of other loan schemes and government financial assistance available. For more information visit studyassist.gov.au

OTHER COSTS

As a student, you will also need to consider a range of expenses such as living costs, textbooks, computer equipment, and uniforms (if applicable to your course).

Uni terminology

ADMISSION PATHWAY

When you don't meet the entry requirements, successful completion of a pathway program can help you get in to your preferred course. You can move through qualification levels by gaining full or partial recognition for the pathway studies you complete.

ASSOCIATE DEGREE

A qualification requiring two years of full-time study, or part-time equivalent. You could receive credit for this study toward a bachelor degree.

ASSUMED KNOWLEDGE

Some university courses assume you have studied certain subjects at school. It is best to do the recommended subjects to avoid getting behind at university, however it's not compulsory.

ATAR/OP

ATAR stands for Australian Tertiary Admission Rank (Vic/NSW). OP stands for Overall Position (Qld). It's the score you receive from your VCE/HSC/QCE/Year 12 tertiary studies, based on an overall ranking of your performance against other Year 12 students in the same year.

ATAR/OP GUIDE

The lowest selection rank (including adjustment factors) to which an offer was made in 2019, at the time of publication. These numbers can change as offers continue to be released, so it's essential you view the most current details for your course at acu.edu.au/courses.

BACHELOR DEGREE

Also known as an undergraduate qualification, which requires three to four years of full-time study, or part-time equivalent.

BRIDGING COURSE

If you would like to prepare further for university study, or don't meet the assumed knowledge or prerequisite requirements, an intensive bridging course will help you get prepared.

COMMONWEALTH SUPPORTED PLACE (CSP)

A university place awarded to eligible students, whereby the Australian Government contributes to the cost. You will need to pay a portion, known as the student contribution. You will be prompted to complete the necessary paperwork upon enrolment.

CORE UNIT

A subject you must complete as part of your degree.

CREDIT POINTS

The value attached to a unit (subject). You need to obtain a certain number of credit points to complete your degree.

DEFER

Guarantees your place at university, but delays enrolment for up to 12 months. You could take a gap year, volunteer or work.

DIPLOMA

A qualification requiring one year of full-time study, or part-time equivalent.

DOUBLE DEGREE

Two degrees undertaken at the same time – it will take less time to complete them together than if you did them separately.

EDUCATIONAL ACCESS SCHEME (EAS) – NSW/ACT

Assists NSW and ACT applicants who have experienced long-term educational disadvantage. Visit uac.edu.au/eas for more information.

EDUCATIONAL ACCESS SCHEME (EAS) – QUEENSLAND

Assists Queensland applicants who have experienced difficult circumstances that negatively impacted their studies. Visit qtac.edu.au for more information.

ELECTIVE UNIT

A subject you can select that is not a mandatory inclusion in your course.

ENROLMENT

Once you receive an offer into a university course, you will need to choose the units (subjects) you will study in the coming year.

ENTRY REQUIREMENTS

The minimum qualifications required for entry into a course, eg a minimum entry score, specific subjects or an audition/interview.

FACULTY

An academic department within a university, which specialises in a particular field.

HONOURS

An additional year of full-time study attached to your bachelor degree to allow for greater understanding and specialisation.

LECTURE

A formal class conducted by an academic lecturer.

MAJOR

A specialisation in your bachelor degree, which comprises about eight units (subjects). You will be able to tailor your major, and can usually complete more than one in a degree.

MINOR

A sub-specialisation in your bachelor degree – usually four subjects.

ORIENTATION

An introduction to university life, facilities, and your area of study before the start of your first semester.

POSTGRADUATE

A course of study, usually following on from a bachelor degree, allowing for more in-depth research and specialisation. This may be a certificate, diploma, masters degree or a PhD.

PREREQUISITES

Year 11 and 12 subjects you must successfully complete to be eligible for entry into a course (there may be an alternative entry option like completing a TAFE or university bridging course).

PROFESSIONAL PLACEMENT

Practical training in a work environment, which may be part of your degree.

RECOMMENDED STUDIES

Year 11 and 12 subjects that will prepare you for your degree, but are not compulsory.

SCHOOL

A department specialising in a particular field within a faculty (academic department) of a university.

SPECIAL ENTRY ACCESS SCHEME (SEAS) – VICTORIA

Assists Victorian applicants who have experienced disadvantage that impacted their studies. Visit vtac.edu.au for more information.

TUTORIAL

A small class in which discussion and questions are encouraged. Tutorials are conducted in addition to lectures, and attendance may contribute to your final mark.

UNDERGRADUATE

When you start university, you'll be an undergraduate student, working towards your bachelor or associate degree.

UNIT

A subject within a course. Each subject or unit has a specified number of credit points that counts towards your degree.
